Haunted Marysville, Montana Vince Moravek,2020-08-03 Ghost towns aren't necessarily haunted but this one sure is. The haunted Julian House's Dark Hall produces loud crashes throughout the night with nary a thing out of place come morning. Phantoms of the Red House are said to wield talons in the sensation of a surprise attack on terrified victims. Locals still hear gunshots said to echo a family murder more than a century ago. The Dark Cabin stands as the most rumored haunt in town and the Demon Troll of Aspen Way terrifies dogs and people alike. Local author Vince Moravek recounts the frightening and mysterious sides of Marysville.

Looking for a Miracle Joe Nickell,2009-12-02 The willingness of people to believe in magical icons, mystical relics and miraculous pictures like the Image of Guadalupe is almost as curious as these phenomena themselves. Though they cry out for scientific investigation, millions of people blindly accept them as fact. Historical and paranormal investigator Joe Nickell confronts such strange events, powers and objects as the Shroud of Turin, bleeding or weeping statues, burning handprints, liquefying blood, ecstatic visions, miraculous cures and people speaking in tongues in *Looking for a Miracle*. Departing from standard critiques of religion, Nickell carefully investigates the evidence relating to specific claims. Religious believers and rationalists alike have much to learn from this revealing examination of the evidence for the miraculous.

Material Events Tom Cohen,2001 **Anastasia** James B. Lovell,1995-01-15 It is one of the greatest riddles of all time: Did Anastasia, youngest daughter of the last Russian Czar, survive the massacre of the royal family in 1917? James Blair Lovell's painstaking research proves beyond a doubt that Anna Anderson, who claimed until her death in 1984 she was Anastasia, indeed was. Reads like a detective novel. *Publishers Weekly*.

Missing Pieces Robert A. Baker,1992-05 Readers wishing to investigate paranormal claims can learn how the professionals do it. *Missing Pieces* is filled with practical information on checking out every type of mysterious anomaly including UFO sightings, ghost hauntings, psychic feats and other weird events. This is a complete handbook featuring tactics and techniques you can use immediately to get at the truth. Learn how to conduct investigations, interrogate witnesses, recognize deception and use the mental and electronic tools of the trade for ghostbusting. Uncover the tricks used by those who say they can heal or influence behavior using only the power of their minds. Expose those who allege that they were selected by gods or extraterrestrials to bring messages to humankind. Baker and Nickell also address why otherwise intelligent people often accept paranormal claims without question and how the investigator can use the media to spread the truth.
