Japanese Language Haruhiko Kindaichi, 2011-12-20 This is a book about the structure history and evolution of the Japanese language The Japanese Language is a classic study of one of the world s most widely used but least understood languages Emphasizing the richness and complexity of Japanese as well as its limitations this fine book provides a lively discussion about the uniqueness of the Japanese language The relationship of Japanese to other languages is not well understood even by native speakers and Professor Kindaichi sets out to define it He concludes that Japanese is indeed only remotely related to other world languages although it shares many features in common with the languages of mainland Asia Japanese shares with those languages a rich and detailed vocabulary for natural phenomena and an unusually complex and accurate way of expressing social relationships Moreover its capability to absorb innovations from abroad easily matches or exceeds that of English or German The author after briefly discussing the unique isolation of the Japanese language moves on to consider the varieties of ordinary speech dialects jargon sex and role based distinctions and the difference between informal formal and literary language He then examines the structure of Japanese pronunciations its rhythm and accent The longest section of the book is devoted to the variety of the vocabulary what can and cannot be said in Japanese Readers who are just beginning their own study of Japanese will find this section especially fascinating for each point is backed by examples from literature and everyday speech Kindaichi also investigates the so called vagueness of

Japanese and traces it to its source the unusual sentence order This book includes The highly debated origins of the Japanese language Dialects jargon sex and role based distinctions Differences between informal formal and literary language Structure rhythm and accent of pronunciation What can and cannot be said in Japanese **Making Out in Japanese** Todd Geers,Erika Geers,2014-08-26 Making Out in Japanese is a fun accessible and thorough Japanese phrase book and guide to the Japanese language as it s really spoken Sugoku suki Mata aeru I m crazy about you Shall we meet again Answer this correctly in Japanese and you may be going on a hot date Incorrectly and you could be hurting someone s feelings or getting a slap Japanese classes and textbooks tend to spend a lot of time rehearsing for the same fictitious scenarios but chances are while in Japan you will spend a lot more time trying to make new friends or start new romances something you may not be prepared for If you are a student businessman or tourist traveling to Japan and would like to have an authentic and meaningful experience the key is being able to speak like a local This friendly and easy to use Japanese phrasebook makes this possible Making Out in Japanese has been updated and expanded to be even more helpful as a guide to modern colloquial Japanese for use in everyday informal interactions giving access to the sort of catchy Japanese expressions that aren t covered in traditional language materials As well as the Romanized forms romanji each expression is now given in authentic Japanese script kanji and kana with furigana pronunciation clues so that in the case of difficulties the book can be shown to the person the user is trying to communicate with This Japanese phrasebook includes A guide to pronouncing Japanese words correctly Explanations of basic Japanese grammar such as intonation word stress and particles A guide to male and female usage Romanized forms of words and phrases romanji Complete Japanese translations including Japanese characters kanji and the Japanese alphabet kana Useful and interesting notes on Japanese language and culture Lots of colorful fun and useful expressions not covered in other phrasebooks Titles in this unique series of bestselling phrase books include Making Out in Chinese Making Out in Indonesian Making Out in Thai Making Out in Korean Making Out in Hindi Making Out in Japanese Making Out in Vietnamese Making Out in Burmese Making Out in Tagalog Making Out in Hindi Making Out in Arabic Making Out in English More Making Out in Korean and More Making Out in Japanese *Introduction to Japanese Kanji Calligraphy* Kunii Takezaki,Bob Godin,2013-01-29 This step by step Japanese calligraphy book explains the systems of Japanese language and delves into details of written Japanese characters and techniques of kanji calligraphy The word calligraphy literally means beautiful writing It is an art form that can be found in most civilizations with a written script Originally developed to stress the importance of culture religion and philosophy over time calligraphy in most languages has developed into a purely artistic expression In Japanese culture kanji characters from the Japanese writing system are used in calligraphy An Introduction to Japanese Kanji Calligraphy is an exploration of this Asian art form and examines how calligraphic poetry developed in Japan Written by a Japanese shodo master it is a wonderful introduction to the beautiful art of Japanese calligraphy Japanese Kanji Calligraphy includes An introduction to Japanese calligraphy Background information
