

Political Parties In South Asia

Dirk Tomsa, Andreas Ufen

Political Parties In South Asia:

Political Parties in South Asia Subrata Mitra, 2004-08-30 Political parties are recognized as a highly important instrument for the functioning of democratic politics. They are essential for state formation and the intermediation between the state and society. This book is a pioneering attempt to discuss and analyze the complex variations of the party landscape in South Asia. It pays special attention to the evaluation of the role of political parties in the creation of multicultural pluralist and democratic societies. The contributions to this volume come from indigenous authors who bear the necessary contextual knowledge needed to analyze the political parties in South Asia. This work helps explain why analytical concepts can provide explanations in some areas of this subject but fail in others. It also argues that the political parties in South Asia should not be assessed only through criteria taken from western experience. The material in this volume is sure to inform academic debate.

Parties and Political Change in South Asia James Chiriyankandath, 2016-04-14 Over the past seven decades and more, political parties have become an essential feature of the political landscape of the South Asian subcontinent, serving both as a conduit and product of the tumultuous change the region has experienced. Yet they have not been the focus of sustained scholarly attention. This collection focuses on different aspects of how major parties have been agents of and subject to change in three South Asian states: India, Pakistan, and Sri Lanka, examining some of the apparent paradoxes of politics in the subcontinent and covering issues such as gender, religion, patronage, clientelism, political recruitment, and democratic regression. Recurring themes are the importance of personalities and the corresponding neglect of institutionalisation and the lack of pluralism in intraparty affairs, factors that render parties and political systems vulnerable to degeneration. This book was published as a special issue of *Commonwealth and Comparative Politics*.

Political Parties and the State in the Global South Albertus Schoeman, 2024-10-14 This book introduces a new framework for understanding how the relationship between political parties and the state shapes the development of political parties, party systems, and democratic consolidation. Drawing on comparative case studies spanning the Indian subcontinent, Africa, and East and Southeast Asia, the book shows how the sequencing of state building and the development of political institutions can blur distinctions between political parties and the state with long-term consequences for their respective development. This includes understanding the effects of authoritarian and colonial legacies on shaping this relationship and the nature of interparty competition with significant consequences for public sector corruption, political stability, and the formation and institutionalisation of party systems. This book will be of key interest to scholars and students of democratic development, comparative politics, party politics, and institutional development in the Global South.

Political Parties in South Asia: the Challenge of Change K.C. Suri, 2007

Religion and Politics in South Asia Ali Riaz, 2020-12-29 This revised edition of *Religion and Politics in South Asia* presents a comprehensive analysis of the interaction of religion and politics in Afghanistan, Bangladesh, India, the Maldives, Nepal, Pakistan, and Sri Lanka. The book highlights that in recent decades, religion, religious political parties, and

religious rhetoric have become dominant features of the political scenes in all seven countries. By presenting each country's political system and the socio-economic environment within which the interactions of religion and politics are taking place, chapters explore various factors that affect both the lives of people in the region and global politics. Designed in an easy-to-follow structure, the book includes sections on the history and politics, major religions and religious composition of the population, legal and constitutional provisions regarding religion, religious freedom and the treatment of minorities, the political landscape and religious political parties and groups within the countries. In doing so, the book addresses concerns including the effects of religious political interactions on political stability, human rights and the implications for internal and external security situations. A timely contribution written by experts in their field, this book is a useful guide to religion and politics and will be of interest to undergraduate and graduate students in South Asian politics, Asian politics, religion and politics, history and international studies.

Understanding Governance in South Asia Adluri Subramanyam Raju, 2020-09-30

The concept of good governance in South Asia poses a challenge at the implementation level, mainly due to ethnocentricity, regional disparities, division between poor and rich and rural and urban division among the people. Concepts such as decentralization, citizen engagement, lean public service, privatization, autonomy, public-private partnership may work well in developed countries but may not produce the same results in the region where the majority of poor people expect their government to fulfill their basic needs. Governance in South Asia needs to be reformed to ensure that poverty can be reduced, if not completely eradicated. Poor governance and the various means by which governance has fallen short has led to lack of development and continuance of poverty in South Asian societies. South Asian countries have more or less similar objectives, structures, value systems, cultures and standards of governance despite different forms of government. The colonial legacy of British administrative system had its impact on centralization. Secrecy, elitism, rigidity and social isolation is common to all South Asian countries. The post-colonial administrative system is built upon pre-colonial administrative traditions throughout the region. These countries can learn from each other's experiences. They need to develop an indigenous model to find pragmatic solutions to the challenges of good governance. This book argues that countries in South Asia can achieve good results through good governance if they develop and adopt an indigenous model rather than simply borrowing models and ideas from the West. Please note: This title is co-published with Manohar Publishers, New Delhi. Taylor & Francis does not sell or distribute the Hardback in India, Pakistan, Nepal, Bhutan, Bangladesh and Sri Lanka.

Party Politics in Southeast Asia Dirk Tomsa, Andreas Ufen, 2013

Contributing to the growing discourse on political parties in Asia, this book looks at parties in Southeast Asia's most competitive electoral democracies of Indonesia, Thailand and the Philippines. It highlights the diverse dynamics of party politics in the region and provides new insights into organizational structures, mobilizational strategies and the multiple dimensions of linkages between political parties and their voters. The book focuses on the prominence of clientelistic practices and strategies both within parties as well as between parties and their voters. It demonstrates that

clientelism is extremely versatile and can take many forms ranging from traditional personalized relationships between a patron and a client to the modern reincarnations of broker driven network clientelism that is often based on more anonymous relations The book also discusses how contemporary political parties often combine clientelistic practices with more formal patterns of organization and communication thus raising questions about neat analytical dichotomies Straddling the intersection between political science and area studies this book is of interest to students and scholars of contemporary Southeast Asian politics and political scientists and Asian Studies specialists with a broader research interest in comparative democratization studies

Political Party Systems and Democratic Development in East and Southeast Asia

Wolfgang Sachsenröder, Ulrike E. Frings, 2018-08-16 First published in 1998 this is the second of two volumes which will be of great value to scholars and students of politics in East and Southeast Asia A rich readable reference tool they offer extensive surveys of the history structure culture legal context and financing as well as the progress travails and prospects of political parties and electoral systems in 13 countries The excellent introduction and the detailed country case studies demonstrate the wide range of political experiences in Asia Rather than affirm the thesis of a common set of Asian values hostile to democracy they show that in much of East and Southeast Asia people want the political choice and accountability that come from free and fair electoral competition with open effective political parties

Political Parties

Gholamali Haddad Adel, Mohammad Jafar Elmi, Hassan Taromi-Rad, 2012-08-31 Over the past two centuries a wide array of political parties have emerged in Muslim nations to exert their influence on the political process The present book discusses the most influential of these political parties in Iran the Arab world Turkey and the former Ottoman Empire the Caucasus Afghanistan and the Indian subcontinent While this book primarily focuses on political parties which integrated Islamic thought into their ideologies it also discusses secular political movements such as Communism which wielded influence in the Islamic world This book is part of a series of translations from the Encyclopaedia of the World of Islam EWI which was originally compiled in Persian Other entries from this encyclopaedia which are available in English include Hadith Hawza yi Ilmiyya History and Historiography Muslim Organisations Qur'anic Exegeses Sufism and Education in the Islamic Civilisation

Political Parties

in the Pacific Islands

Roland Rich, Luke Hambly, Michael G. Morgan, 2008-04-01 ANU E Press edition of work originally published by Pandanus Books While political parties remain an indispensable institutional framework for representation and governance in a democracy the democracies of many Pacific Islands nations are undermined by the weakness and inefficacy of their local political parties Addressing the implications of the lack of established party systems across the Pacific this collection seeks to illuminate the underlying assumptions and suppositions behind the importance of coherent and effective parties to overall democratic functioning Focusing on the political systems of East Timor Papua New Guinea Solomon Islands Vanuatu New Caledonia Fiji and Samoa the coherent structure of the volume makes it consistently useful as both an articulate analytical text and as a reference tool concerning the political composition history and direction of Pacific states

Featuring contributions from scholars who are familiar names to even the most casual of Pacificists Political Parties in the Pacific is the benchmark reference work on the political parties of the Pacific an invaluable resource for students scholars and researchers of the Pacific and international politics Provided by publisher Democratization in South Asia Mahfuzul H. Chowdhury,2017-11-01 Title first published in 2003 Chowdhury looks at the problems of democratization and development as it relates to building democratic institutions in the newly democratizing countries such as Bangladesh India and Pakistan

Political Parties and Electoral Strategy O. Hellmann,2011-05-27 A study of processes of political party formation and change in new democracies This book argues that to understand party organizations we need to focus on politicians electoral strategies The framework is used to analyze political party development in the new democracies of East Asia South Korea Taiwan the Philippines and Indonesia **Political Parties and Democracy** T. Inoguchi,J. Blondel,2012-12-23 Well reputed

political scientists residing and teaching in ten countries five in Asia and five in Europe comparatively examine the place of political parties in democracy and provide an empirically rigorous up to date comprehensive synthesis of the organization of political parties and their links with citizens in a democracy **Comparative Politics of Southeast Asia** Aurel Croissant,2022-09-01 This textbook provides a comprehensive introduction to the political systems of all ASEAN countries and Timor Leste from a comparative perspective It investigates the political institutions actors and processes in eleven states covering democracies as well as autocratic regimes Each country study includes an analysis of the current system of governance the party and electoral system and an assessment of the state its legal system and administrative bodies Students of political science and area studies also learn about processes of democratic transition and autocratic resilience as well as how civil society and the media influence the political culture in each country This second edition features revised and updated versions of all country studies and a new chapter that discusses the trends of democratization and autocratization in Southeast Asia in the late 20th and early 21st centuries **The Institutionalisation of Political Parties in**

Post-authoritarian Indonesia Ulla Fionna,2025-10-01 The Institutionalisation of Political Parties in Post authoritarian Indonesia From the Grass roots Up provides detailed examination of how much the local party branches of Partai Golkar Partai Demokrasi Indonesia Perjuangan Partai Amanat Nasional and Partai Keadilan Sejahtera in Malang East Java have institutionalized since the end of New Order era 1966 1998 Based on extensive fieldwork and observation this book provides a new bottom up perspective on how activities administration and membership of each party has changed and why some parties have more developed organizational prowess and stronger institutional base than others *Vietnam Electoral, Political Parties Laws and Regulations Handbook - Strategic Information, Regulations, Procedures* IBP, Inc.,2015-06 Vietnam Electoral Political Parties Laws and Regulations Handbook Strategic Information Regulations Procedures *Routledge Handbook of Islam in Southeast Asia* Syed Muhammad Khairudin Aljunied,2022-03-03 This handbook explores the ways in which Islam as one of the fastest growing religions has become a global faith for both Muslims and non Muslims in Southeast

Asia with its universality inclusivity and shared features with other Islamic expressions and manifestations It offers an up to date wide ranging comprehensive concise and readable introduction to the field of Islam in Southeast Asia With specific themes of pertinent contemporary relevance the contributions by experts in the field provide fresh insights into the roles of states societies scholars social movements political parties economic institutions sacred sites and other forces that structured the faith over many centuries The handbook is structured in three parts Muslim Global Circulations Marginal Narratives Refashioning Pieties This handbook stands out as a single and synergistic reference work that explores the ebb and flow of Islam seeking to decenter many existing assumptions about it in Southeast Asia It will be an indispensable resource for scholars students and policymakers working on Islam Muslims and their interactions with other communities in a plural setting

Funding of Political Parties and Election Campaigns ,2014-04-01 All political parties need funding to play their part in the political process yet the role of money in politics is arguably the biggest threat to democracy today This global threat knows no boundaries and is evident across all continents from huge corporate campaign donations in the United States and drug money seeping into politics in Latin America to corruption scandals throughout Asia and Europe Attempts to tackle these challenges through political finance laws and regulations are often undermined by a lack of political will or capacity as well as poorly designed and enforced measures This Handbook addresses the problems of money in politics by analysing political finance regulations around the world and providing guidance for reform The chapters are divided by region each assesses the current state of regulations in relation to its challenges and offers a series of recommendations to tackle the identified shortcomings This contextual approach has the benefit of revealing regional trends and patterns An additional chapter focuses on gender reflecting the reality that women remain grossly under represented in politics and how the increasing influence of money in politics perpetuates this inequality

Political Parties In South Asia Introduction

In the digital age, access to information has become easier than ever before. The ability to download Political Parties In South Asia has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Political Parties In South Asia has opened up a world of possibilities. Downloading Political Parties In South Asia provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Political Parties In South Asia has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Political Parties In South Asia. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Political Parties In South Asia. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Political Parties In South Asia, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal

information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Political Parties In South Asia has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Political Parties In South Asia Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Political Parties In South Asia is one of the best book in our library for free trial. We provide copy of Political Parties In South Asia in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Political Parties In South Asia. Where to download Political Parties In South Asia online for free? Are you looking for Political Parties In South Asia PDF? This is definitely going to save you time and cash in something you should think about.
