Political Thought Of The Conservative Party Since 1945

Matt Beech, Simon Lee

Political Thought Of The Conservative Party Since 1945:

The Evolution of Conservative Party Social Policy B. Williams, 2015-05-13 This book addresses how the Conservative Party has re focused its interest in social policy Analysing to what extent the Conservatives have changed within this particular policy sphere the book explores various theoretical social political and electoral dimensions of the subject matter

The Tories Timothy Heppell, 2014-03-13 This book is available as open access through the Bloomsbury Open Access programme and is available on www.bloomsburycollections.com This book offers a comprehensive and accessible study of the electoral strategies governing approaches and ideological thought of the British Conservative Party from Winston Churchill to David Cameron Timothy Heppell integrates a chronological narrative with theoretical evaluation examining the interplay between the ideology of Conservatism and the political practice of the Conservative Party both in government and in opposition He considers the ethos of the Party within the context of statecraft theory looking at the art of winning elections and of governing competently The book opens with an examination of the triumph and subsequent degeneration of one nation Conservatism in the 1945 to 1965 period and closes with an analysis of the party's re entry into government as a coalition with the Liberal Democrats in 2010 and of the developing ideology and approach of the Cameron led Tory party in government

Conservative thinkers Mark Garnett, Kevin Hickson, 2013-07-19 This book outlines and evaluates the political thought of the Conservative Party through a detailed examination of its principal thinkers from Harold Macmillan to the present Traditionally the Conservative Party has been regarded as a vote gathering machine rather than a vehicle for ideas This book redresses the balance through a series of biographical essays examining the thought of those who have contributed most to the development of ideas within the party The chapters benefit from archival research and interviews with leading Conservatives The recent revival of Conservative fortunes makes the book particularly timely The book begins with an introductory chapter explaining the role of ideology in the Conservative Party It then traces the political thought of the Conservative Party through its principal theorists since the 1930s These are Harold Macmillan R A Butler Quintin Hogg Enoch Powell Angus Maude Keith Joseph the traditionalists Maurice Cowling T E Peter Utley Peregrine Worsthorne Shirley Letwin and Roger Scruton Ian Gilmour John Redwood and David Willetts The book concludes with an overall assessment of the political thought of the Conservative Party and the relevance of past debates for contemporary Conservatism The book will be of considerable interest to academics and non academics alike for those who have a special interest in the

Conservative Party but also for any student of contemporary British Politics **The Conservative Party and the nation** Arthur Aughey, 2018-04-03 This book re examines the claim of the Conservative Party to be the national party and in its politics to express the enduring national interest It explores the historical character of the Conservative Party in particular the significance of the nation in its self understanding It addresses the political culture of the modern party one which proclaims a Unionist vocation but rests mainly on English support and considers how the Englishness of the party is

reconciled with the politics of British statecraft It considers the constitutional challenges which the Conservative Party faces in managing a changing Union in negotiating a changing Europe and in defining a changing national interest The book is essential reading not only for students and scholars of the Conservative Party but also for those who want to make sense of the transformations taking place in modern British politics **The British Conservative Party** Lenon Campos

Maschette,2024-02-20 Citizenship has been an ill explored subject within Conservative Party studies When this subject has been analysed it is usually made by scholars of citizenship more concerned with general overviews than understanding specific Conservative approaches to the concept This book intends to fill this gap Through a rigorous analysis of sources the author explores how the Conservative Party contested the welfare model of citizenship and sought to recreate a new relationship between the individual the state and civil society Starting from Thatcher s idea of active citizenship and going through the analysis of John Major s Citizen s Charter and David Cameron s Big Society project the book sheds new light on how these developments responded to long term problems while dialoguing with specific circumstances and the different Conservative leaders ideas From an ideological perspective the author analyses how these leaders echoed and re signified more traditional political ideas and ideologies while negotiating with and borrowing new flourishing concepts during those years Far from being a unidimensional citizenship concept in reinterpreting old ideas and utilizing new ones these Conservatives elaborated a complex and many times contradictory citizenship model that tried to address both long lasting and more timely issues that overlapped in British society Cameron and the Conservatives T. Heppell,D.

Seawright,2012-02-07 Specialists in Conservative Party politics examine the effectiveness of the Cameron led coalition The contributors examine Cameron as leader and Prime Minister the Conservatives modernisation strategy the level of ideological coherence in liberal conservatism and the impact of the coalition on a range of policy areas and on New Labour

The Tory World Jeremy Black,2016-03-03 Political decisions are never taken in a vacuum but are shaped both by current events and historical context In other words long term developments and patterns in which the accumulated memory of what came earlier can greatly and sometimes subconsciously influence subsequent policy choices Working forward from the later seventeenth century this book explores the deep history of the changing and competing understandings within the Tory party of the role Britain has aspired to play on a world stage Conservatism has long been one of the major British political tendencies committed to the defence of established institutions with a strong sense of the national interest and embracing both liberal and authoritarian views of empire The Tory party has moreover at several times been deeply divided if not convulsed by different perspectives on Britain s international orientation and different positions on foreign and imperial policy Underlying Tory beliefs upon which views of Britain s global role were built were often not stated but assumed As a result they tend to be obscured from historical view This book seeks to recover and reconsider those beliefs and to understand how the Tory party has sought to navigate its way through the difficult pathways of foreign and imperial politics

and why this determination outlasted Britain's rapid decolonisation and was apparently remarkably little affected by it. With a supporting cast from Pitt to Disraeli, Churchill to Thatcher, the book provides a fascinating insight into the influence of history over politics. Moreover, it argues that there has been an inherent politicisation of the concept of national interests such that strategic culture and foreign policy cannot be understood other than in terms of a historically distorted political debate.

Conservative Governments in the Age of Brexit Matt Beech, Simon Lee, 2023-03-14 This book provides the first evaluation of the three Conservative administrations which have been affected, shaped and largely determined by the age of Brexit. It breaks new ground by collectively analysing the Cameron, May and Johnson administrations in an era of political and social shock and disruption caused by the phenomenon of Brexit. As an edited collection, the project brings experts together who explain the complexities of ideas, leadership, votes, policy areas and territorial politics in an accessible and concise fashion. As a collection of essays, the project does not prosecute a single thesis, but the fact that the phenomenon of Brexit has affected, shaped and largely determined the politics of these Conservative administrations and wider UK society. There is broad coverage of leadership, elections, public policy and territorial questions, and contributors consider the continuities and discontinuities in Conservative Party ideas and political action in their respective policy areas.

The Foundations of the British Conservative Party Bradley W. Hart, Richard Carr, 2013-08-01 This book provides a range of essays on aspects of the British Conservative Party from the late 19th century to the present day. It offers fresh perspectives on Margaret Thatcher and Thatcherism, Britain and Europe, UK policy towards Ireland, Conservatism and reform, and the conservative ideology, to name only a few of the key issues explored. An accessible and concise overview, this book is an important primer for anyone studying British politics, history or social and political theory. Included are contributions by leading scholars in British political history, think tank commentators and a former Prime Minister. It offers insights into the Conservative Party's staying power in spite of great social and political changes in the UK and the world. It looks at how the party has functioned historically and what its future might be, discussing its ideology and identity with reference to both Labour and Liberal opponents.

Fundamentally, it considers the conservative appeal to the electorate, conservative policy in both theory and practice, and debates that have taken place within and outside the party itself. Whether interested in Winston Churchill and David Lloyd George or David Cameron and Nick Clegg, this work is intended to inform and challenge scholars and political practitioners alike.

British Conservatism Peter Dorey, 2010-10-30 Defence of inequality has always been a core principle of the Conservative Party in Great Britain. Yet the Conservatives have enjoyed great electoral success in a British society marked by widespread inequalities of wealth and income. Peter Dorey here examines the intellectual and political arguments which Conservatives use to justify inequality. He also considers debates between Conservatives over how much inequality is desirable or acceptable. Should inequality be unlimited in order to promote liberty, incentives and rewards? Or should inequality be kept within certain bounds to prevent social breakdown and political upheaval? Finally, he examines why some

less prosperous sections of British society have nonetheless supported the Conservatives instead of political parties promoting equality This book will be an important resource for students and commentators of contemporary British politics

Policies and Politics Under Prime Minister Edward Heath Andrew S. Roe-Crines, Timothy Heppell, 2020-12-10 This book explores the political and intellectual significance of Edward Heath's leadership of the Conservative Party It contains a series of original and distinctive chapters that feature extensive archival materials and original insights from leading political scientists and historians The volume contributes significantly to our understanding of Conservative Party politics leadership and conservatism more broadly

Conservative Economic Policymaking and the Birth of Thatcherism, 1964-1979 Adrian Williamson, 2016-01-12 In this book Adrian Williamson investigates the processes by which Thatcherism became established in Tory thinking and questions to what extent the politician herself is responsible for Thatcherism within the Conservative Party

Social Policy Hugh Bochel, Guy Daly, 2020-07-12 This thoroughly revised and expanded new edition provides a comprehensive introduction to contemporary social policy and addresses its historical theoretical and contextual foundations as well as contemporary policy issues relating to health education and welfare as well as the impact of Brexit Divided into four parts it opens with a survey of the socio economic political and governmental contexts within which social policy operates before moving on to look at the historical development of the subject The third section examines contemporary aspects of providing welfare whilst the final part covers European and wider international developments The text explores the major topics and areas in contemporary social policy for example work and welfare education adult health and social care children and families crime and criminal justice health housing race disability social care and includes new chapters on class as well as comparative social policy Issues are addressed throughout in a lively and accessible style and examples are richly illustrated to encourage the student to engage with theory and content and to help highlight the relevance of social policy in our understanding of modern society It is packed with features including Spotlight Discussion and review and Controversy and debate boxes as well as further readings and recommended websites A comprehensive glossary also provides explanations of key terms and abbreviations This is an essential textbook for undergraduate students taking courses in social policy and related subjects such as criminology health studies politics sociology nursing youth and social work

The Conservatives under David Cameron S. Lee, M. Beech, 2009-04-08 The Conservatives under David Cameron provides the first and definitive analysis of the development of New Conservative ideology and policy during the tenure of David Cameron identifying both continuity and change and evaluating the party's fitness to govern

The Student's Companion to Social Policy Pete Alcock, Tina Haux, Margaret May, Sharon Wright, 2016-07-11 This fully updated and expanded edition of the bestselling Student's Companion to Social Policy charts the latest developments research challenges and controversies in the field in a concise authoritative format Provides students with the analytical base from which to investigate and evaluate key concepts perspectives policies and outcomes at national and international levels

Englishness Revisited Floriane Reviron-Piégay, 2020-10-27 What is Englishness Is there such a thing as a national temperament is there a character or an identity which can be claimed to be specifically English This collection of articles seeks to answer these questions by offering a kaleidoscopic vision of Englishness since the eighteenth century a vision that acknowledges stereotypes while at the same time challenging them Englishness is defined in contrast to Britishness the Celtic fringe Scotland in particular Europe and the Continent at large The effects of the Empire and of its loss are examined together with other socio economic factors such as the two World Wars de industrialization and the different waves of immigration Through a careful analysis of the arts literature philosophy historiography cultural and political studies produced in England and on the Continent over the last three centuries a composite image of Englishness emerges somewhere between centre and periphery tradition and innovation transience and timelessness rurality and urbanity commitment and isolation Englishness is thus revealed as a protean concept one which whether it is a historical or political construct a genuine emanation of a national desire or a simulacrum retains its fascination and this volume offers keys to understanding its diverse expressions

British Polity, The, CourseSmart eTextbook Philip Norton, 2015-10-30 This book provides a clear conceptual framework for the understanding of British politics influenced in broad terms by a systems approach to public policy It considers the bodies responsible for scrutinizing and legitimizing the policies of the U K government Parliament and the monarchy

Reconstructing Conservatism? Richard Hayton, 2017-10-03 Why did it take the Conservative Party so long to recover power After the landslide defeat in 1997 why was it so slow to adapt reposition itself and rebuild its support How did the party leadership seek to reconstruct Conservatism and modernise its electoral appeal Of vital interest to anyone interested in British politics this highly readable book addresses these questions through a contextualised assessment of Conservative Party politics between 1997 and 2010 It traces debates over strategy amongst the party elite and scrutinises the actions of the leadership It also considers four particular dilemmas for contemporary Conservatism European integration national identity and the English Question social liberalism versus social authoritarianism and the problems posed by a neo liberal political economy The book argues that the ideological legacy of Thatcherism played a central role in framing and shaping these intraparty debates and that an appreciation of this is vital for explaining the nature and limits of the Conservatives renewal under Cameron

British Conservative Leaders Charles

Clarke, Toby S. James, Tim Bale, Patrick Diamond, 2025-09-30 As the party that has held power more times than any other the Conservatives have played a crucial role in the shaping of British society And yet the leaders who have stood at its helm from Sir Robert Peel to Rishi Sunak via Winston Churchill and Margaret Thatcher have steered the party vessel with enormously varying degrees of success particularly latterly when the short but destructive tenures of Boris Johnson and Liz Truss did much to damage the party's reputation for competence The requirements techniques and goals of Conservative leadership since the party's nineteenth century factional breakaway have been forced to evolve almost beyond recognition and not all its leaders have managed to keep up This comprehensive and enlightening book now fully updated with chapters on all Conservative leaders up to Rishi Sunak and an assessment of the party's leadership in relation to Brexit considers the attributes and achievements of each leader in the context of their respective time and diplomatic landscape Offering a compelling analytical framework by which they may be judged it also provides detailed personal biographies from some of the country's foremost political critics and exclusive interviews with former leaders themselves An indispensable contribution to the study of party leadership British Conservative Leaders is the essential guide to understanding British political history and governance

British Conservatism and the Legal Regulation of Intimate Relationships Andrew Gilbert, 2018-08-23 What does conservatism as a body of political thought say about the legal regulation of intimate relationships and to what extent has this thought influenced the Conservative Party's approach to family law With this question as its focus this book explores the relationship between family law conservatism and the Conservative Party since the 1980s Taking a politico and socio legal perspective the discussion draws on an expansive reading of Hansard as well as recently released archival material The study first sets out the political tradition of conservatism relying largely on the work of Edmund Burke before going on to analyse the discourse around the development of four crucial statutes in the field namely the Matrimonial and Family Proceedings Act 1984 the Family Law Act 1996 the Civil Partnership Act 2004 and the Marriage Same Sex Couples Act 2013 This work offers the first extended synthesis of family law conservative political thought and Conservative Party politics and as such provides significant new insight into how family law is made Runner up of the 2020 PSA Conservatism Studies Book Prize

Political Thought Of The Conservative Party Since 1945 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Political Thought Of The Conservative Party Since 1945 PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific

information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Political Thought Of The Conservative Party Since 1945 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Political Thought Of The Conservative Party Since 1945 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
