The Roots of Reformed Moral Theology Bruce P. Baugus, 2022-09-24 Reformed moral teaching embraces the authority of Scripture a stable moral order from creation and the moral law expressed in the Ten Commandments as a guide for developing a virtuous life But did such ideas radically appear during the Reformation In *The Roots of Reformed Moral Theology* Bruce P. Baugus traces the story of moral theology from its biblical origins to the eve of the Reformation demonstrating that Reformed moral sensibilities were received and developed from the greater church tradition The result is

a commendable survey that pays particular attention to the questions and themes most significant to the formation of what became a distinctly Reformed moral theology

New Testament Social Ethics for Today Richard N. Longenecker, 1984 This is a print on demand book and is therefore non returnable To answer the question of what role the New Testament should play in the formation and expression of Christian social morality today Richard Longenecker here proposes a developmental hermeneutic which distinguishes between declared principles and described practices in the New Testament writings With this distinction in mind he focuses on the three couplets of Galatians 3 28 neither Jew nor Greek slave nor free male nor female showing how these matters were treated in early Christian thought and explaining their meaning for us today In so doing Longenecker lays a hermeneutical foundation for the much larger discussion of Christian social ethics

The Moral Quest Stanley J. Grenz, 2016-09-27 Stanley J Grenz masterfully leads readers into a theological engagement with moral inquiry that is a first rate introduction to Christian ethics

The Oxford Handbook of Religious Perspectives on Reproductive Ethics Davis, 2023 As I write this introduction the third season of the Israeli series Schtisel has arrived on Netflix eagerly awaited by viewers around the world who would never have imagined how caught up they would get by this family drama of four generations of ultra Orthodox Jews living in Jerusalem One episode focuses on Ruchami and Hanina a young couple who have been married for five years but without children It turns out that pregnancy and childbirth would threaten Ruchami s life She is using an IUD but she keeps threatening to have it removed risking her life to become a mother Finally with great reluctance Hanina visits the rebbe the spiritual authority in their community to discuss the possibility of using a surrogate They are says the rebbe caught between two non ideal situations surrogacy normally forbidden is non ideal but so is Ruchami s unhappiness and the possibility that she might go ahead and take the risk which is also forbidden

The Meaning of Sex Dennis P. Hollinger, 2009-06 An ethicist provides an engaging exploration of the meaning of sex and articulates a Christian ethic for addressing a host of sexual issues facing readers today

1-2 Thessalonians (Redesign) James H. Grant Jr., 2015-11-17 The apostle Paul wrote to the church in Thessalonica to encourage Christians to live in light of the gospel In 1 and 2 Thessalonians he addressed a number of topics including the persecution they were enduring the second coming of Christ and how they were to live in difficult times While the letters were written nearly two thousand years ago pastor James H Grant Jr insists that Paul s audience includes us as well as the Thessalonians Grant applies Paul s message to contemporary churches over the course of twenty five chapters by leading readers systematically through the epistles unpacking the gospel and its implications in light of Christ s second coming Part of the Preaching the Word commentary series

Joshua David M. Howard, 1998-12-01 One in an ongoing series of esteemed and popular Bible

commentary volumes based on the New International Version text Singing the Ethos of God Brian Brock, 2007-04-02 Noting that academic biblical scholars and Christian ethicists have been methodologically estranged for some decades now Brian Brock seeks to reframe the whole Bible and ethics discussion in terms of this question What role does the Bible play in God's generation of a holy people and how do we participate in that regeneration Brock first examines various major contemporary thinkers on the Bible and Christian ethics including John Howard Yoder Brevard Childs John Webster and Dietrich Bonhoeffer He then undertakes major discussions of Augustine and Martin Luther unpacking their interpretation of the Psalms Finally Brock articulates the processes of renewal in God's people His close study of a few individual psalms shows how we enter the world of praise in which all human life is comprehended within God's work and is thus renewed Immersion in the exegetical tradition of the Christian faith Brock argues must be the heart and soul of theology and ethics

The Decalogue in the Sermon on the Mount Dan Liroy, 2004 In this work Dan Liroy first investigates the biblical concept of the law He then conducts a thoroughgoing analysis of the Decalogue and the Sermon on the Mount He gives particular attention to the connection between these two great bodies of biblical literature The result is a comprehensive study that argues for the enduring relevance of the moral law This volume is appropriate for personal study and is also suitable as a college and seminary text **Birthright** David C. Needham, 2011-02-23 David Needham asks Christian do you know who you are in this remarkable and easy to understand rerelease of his book about the Christian's birthright He offers fresh insight into the theological problem of Christian identity biblically based teaching and a challenge for personal enrichment and further Bible study Birthright achieves an excellent balance between the theological and the practical The author's sincerity and candid writing style are guaranteed to buoy the spirits of readers **Who Will Care for Grandma?** Brent R. Kelly, 2009-01-01 It is amazing to realize that much of the Western medical community is in a love hate relationship with the economics of medicine Quality Adjusted Life Years QALYs is one of the primary methods of guiding many medical decision makers in the allocation of limited medical resources Herein lies the problem of medicine and economics It seems that deciding who will receive limited medical resources is a task filled with moral and ethical difficulties even for those depending on the information obtained from QALY calculations These moral and ethical difficulties are beyond the scope of sound bites that tout the benefits of universal health care affordable insurance or the safety of the free market economy The breadth of the difficulty is found in the widespread disagreement concerning how the health care system should be distributed or fixed since most will agree that there is a problem with distributing medical resources It seemed obvious that some difficult decisions will need to be made that few are both willing and able to make This difficulty is particularly true in decisions about health care allocation and that is where QALYs have been found useful and problematic Limiting medical care for the elderly based upon their age did not occur until the mid twentieth century possibly because the elderly held a unique position of respect in the Western community It is no longer the case that the elderly are given a unique position of

respect and dignity Rather it seems that with the increased use of QALY calculations the elderly are in danger of receiving less medical care than they are warranted It is imperative that Christians respond to the ethical implications of significant models of resource allocation that currently assist decision makers in the allocation process such as QALYs

Covenant Theology Guy Prentiss Waters,J. Nicholas Reid,John R. Muether,2020-10-16 A Comprehensive Exploration of the Biblical Covenants This book forms an overview of the biblical teaching on covenant as well as the practical significance of covenant for the Christian life A host of 26 scholars shows how covenant is not only clearly taught from Scripture but also that it lays the foundation for other key doctrines of salvation The contributors who engage variously in biblical systematic and historical theology present covenant theology not as a theological abstract imposed on the Bible but as a doctrine that is organically presented throughout the biblical narrative As students pastors and church leaders come to see the centrality of covenant to the Christian faith the more the church will be strengthened with faith in the covenant keeping God and encouraged in their understanding of the joy of covenant life
