both government and the private sector is becoming increasingly more competitive in an environment of shrinking resources. This useful book is designed to help both beginning and experienced researchers approach the grant application process and develop a successful application. The authors discuss making initial choices, making key contacts, assessing research environments, what to include on and when to write an application, writing a persuasive application, targeting the application, and what to expect when an application is or is not accepted.

The Art of De-Stressing Ray Hull, PhD, 2022-10-18. The ability to manage stress and anxiety so you can live with more joy and success is not just a science; it's an art. You can't craft a life of purpose and fulfillment if you're constantly stressed out. Yet in a world where we are always plugged in and burned out, it can be difficult to remember that you don't have to be ruled by anxiety and burnout, nor do you have to live in a state of overwhelm to achieve success in your personal and professional life. In *The Art of De-Stressing*, Ray Hull, PhD, walks you through practical life lessons that will teach you how to manage anxiety, build confidence, and cope with stress. You will learn expert tools and strategies that will help you handle everyday stress with poise, tame anxiety, and take back control of your life. Maximize productivity and achieve more results. Increase self-confidence and self-esteem. Avoid burnout so you can actually enjoy your work. Your toxic relationship with stress is bringing down your productivity at work, your happiness in life, and your overall self-worth. Don't lose another day to the internal pressure that limits your potential and strains your relationships. A stress-free life is possible. Choose to practice mindfulness, eliminate overwhelm, and increase your confidence by finally learning *The Art of De-Stressing*.
