Prisons And Beyond:

Prisons and Beyond Sanford Bates, 1936 The author a professional in the field of prison supervision criticizes the practices encountered in the average American county jail and argues for alternative prison methods **Beyond Prisons** Laura Magnani, Harmon L. Wray, The Society of Friends Quakers founded America's first penitentiary in the 1790s For more than forty years the American Friends Service Committee has worked with prisoners parolees and victims of crime seeking just alternatives to incarceration In *Beyond Prisons* the AFSC offers a powerful moral critique of the American criminal justice system and describes a new paradigm for dealing with criminals based on restorative justice and reconciliation The authors include a specific twelve point plan for immediate changes Book jacket Prison Gangs Behind Bars and Beyond Dev Rup Maitra, 2023-06-19 This book draws on a four year ethnographic study conducted in the prisons and on the streets of Greater Manchester England to examine gangs and organised crime in the North of England It includes the personal testimonies of active prison gang members and major organised crime figures many of whom are behind bars and some active street gang members It presents an holistic account by exploring the linkages that exist between prisons and the streets including the lines of continuity between gangs on both sides of the prison walls and how gang affiliation straddles this divide It offers data on the region's drug market specifically Class A drugs as this market is the lynchpin of the underworld both within and without prison It also includes the perspectives and insights of prison officers police detectives youth workers active and former street gang members and the parents of deceased gang members This is a ground breaking contemporary study analysing English gang compositions and activities with its findings and results based on qualitative interviews and ethnographic research **Beyond the Prison Industrial Complex** Kevin Wehr, Elyshia Aseltine, 2013-06-26 This short text ideal for Social Problems and Criminal Justice courses examines the American prison system its conditions and its impact on society Wehr and Aseltine define the prison industrial complex and explain how the current prison system is a contemporary social problem They conclude by using California as a case study and propose alternatives and alterations to the prison system Prisons and Reformatories at Home and Abroad Edwin Pears, 2023-03-23 Reprint of the original first published in 1872 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost

Handbook of American Prisons and Reformatories, 1929 *Encyclopedia of American Prisons* Marilyn D. McShane, Frank P. Williams, 2004-08-02 Original essays by corrections experts The United States has the lightest incarceration rate in the world and crime is one of the major driving forces of political discourse throughout the country Information about penal institutions imprisonment and prisoners is important to everyone from judges on the bench to citizens on the street Now for the first time a comprehensive reference work presents a full overview of incarceration in America The Encyclopedia features original essays by leading U S corrections experts who offer historical perspectives

insights into how and why the present prison system developed where we are today and where we are likely to be in the future Every important aspect of American prisons is covered from the handling of convicts with AIDS to juvenile delinquents behind bars from boot camps to life without parole from racial conflict to sexual exploitation Features more than 160 signed articles More than 160 signed articles by recognized authorities are presented alphabetically by topic The articles ranging from 1 000 to 6 000 words provide an overview of each subject and include a selective bibliography The coverage introduces readers to individuals noted for their work with prisons James Bennett Dorothea Dix Howard Gill facilities renowned for setting precedents Walnut Street Jail Alcatraz Marion current policy procedure and program oriented descriptions contraband boot camps classification technology concise discussions of current prison issues prisoners rights gangs visits by the children of incarcerated women Frequently the articles chart the historical evolution of a subject area explore current issues and predict future trends Discusses vital issues The Encyclopedia also surveys and analyzes policies and procedures used in the past such as chain gangs building tenders and Sacred Straight programs as well as legislation that has shaped prison policy such as the Ashurst Summers Act and the Civil Rights of Institutionalized Persons Act Offering a wealth of useful facts this important new reference work contains a comprehensive name and subject index internal cross references and a chronology of important events in prison history The coverage encompasses historical and contemporary aspects of correctional institutions in the United States discusses vital issues and reports on the latest reaching findings Photos of notable people and facilities accompany the text This unique work fills a substantial reference need Government officials librarians teachers students and professionals working within the corrections field will find the coverage invaluable **London, 1872. Prisons and Reformatories at Home and Abroad: Being the Transactions of the International Penitentiary Congress, Held in London ... 1872, Including Official Documents, Discussions, and Papers Presented to the Congress. Edited, at the Request of the International Committee, by Edwin Pears ,1872** *The American Prison* Francis T. Cullen,Mary K. Stohr,2014 For the first time in four decades prison populations are declining and politicians have reached the consensus that mass imprisonment is no longer sustainable At this unique moment in the history of corrections the opportunity has emerged to discuss in meaningful ways how best to shape efforts to control crime and to intervene effectively with offenders *The American Prison Imagining a Different Future* by Francis T Cullen Cheryl Lero Johnson and Mary K Stohr pulls together established correctional scholars to imagine what this prison future might entail Each scholar uses his or her expertise to craft in an accessible way for students to read a blueprint for how to create a new penology along a particular theme For example one contributor writes about how to use existing research expertise to create a prison that is therapeutic and another provides insight on how to create a feminist prison In the final chapter the editors pull together the lessons learned in a cohesive comprehensive essay **The Oxford Handbook of Prisons and Imprisonment** John D. Wooldredge,Paula Smith,2018-03-09 Research on prisons prior to the prison boom of the 1980s and 1990s focused mainly on

inmate subcultures inmate rights and sociological interpretations of inmate and guard adaptations to their environment with qualitative studies and ethnographic methods the norm In recent years research has expanded considerably to issues related to inmates mental health suicide managing special types of offenders risk assessment and evidence based treatment programs The Oxford Handbook of Prisons and Imprisonment provides the only single source that bridges social scientific and behavioral perspectives providing graduate students with a more comprehensive understanding of the topic academics with a body of knowledge that will more effectively inform their own research and practitioners with an overview of evidence based best practices Across thirty chapters leading contributors offer new ideas critical treatments of substantive topics with theoretical and policy implications and comprehensive literature reviews that reflect cumulative knowledge on what works and what doesn't The Handbook covers critical topics in the field some of which include recent trends in imprisonment prison gangs inmate victimization the use and impact of restrictive housing unique problems faced by women in prison special offender populations risk assessment and treatment effectiveness prisoner re entry and privatization The Oxford Handbook of Prisons and Imprisonment offers a rich source of information on the current state of institutional corrections around the world on issues facing both inmates and prison staff and on how those issues may impede or facilitate the various goals of incarceration

The English Prison Health System After a Decade of Austerity, 2010-2020 Nasrul Ismail, 2022-11-21 Austerity has reconfigured and scaled back the governance and delivery of public services and negatively affected society's most vulnerable groups This book opens up the closed world of English prisons to examine its impact on prison health governance and healthcare delivery It argues that austerity has been a decade long large scale political experiment that has caused debt to balloon eroded the prison health system and perpetuated a cycle of punishment resulting in sicker prisoners In short austerity has violated prisoners human rights Drawing on interviews and data from existing longitudinal and economic analyses the book demonstrates how austerity has resulted in high rates of recidivism diminished what remains of the welfare state and increased inequality and punitiveness Despite a decade of failure there is a marked political reluctance to dispense with austerity and the governmental juggernaut continues to produce the same result As the spectre of recession increases caused in part by Brexit and COVID 19 these failures are ever more perilous This book blends the interdisciplinary perspectives of criminology public health sociology law social policy politics and economics to enable greater understanding of the impact of austerity on health governance prison healthcare the prison workforce and prisoners health and safety It challenges current policy practice and thinking and is a must read for anyone who wants to reflect on how the political economic structure can affect the governance and delivery of healthcare services in marginalised settings beyond prisons and indeed beyond England

The Journal of Prison Discipline and Philanthropy, 1862 **Camp Chase and the Evolution of Union Prison Policy** Roger Pickenpaugh, 2007-10-14 Discusses an important yet often misunderstood topic in American History Camp Chase was a major Union POW camp and also served at various times as a Union military training

facility and as quarters for Union soldiers who had been taken prisoner by the Confederacy and released on parole or exchanged As such this careful thorough and objective examination of the history and administration of the camp will be of true significance in the literature on the Civil War **Memorials of Millbank, and Chapters in Prison History** Arthur Griffiths,1884

Venice and the Renaissance Manfredo Tafuri,1995-03-27 Pursuing the intersections of Venetian culture from the beginning of the sixteenth century through the first decades of the seventeenth Manfredo Tafuri develops a story crowded with characters and full of surprises He engages the doges Andrea Gritti and Leonardo Dona architects and artists Sansovino Serlio Palladio and Scamozzi and scientists Francesco Barozzi and Galileo He records the battle that was fought for architecture as metaphor for absolute truth and good government and contrasts these with the myths that inspired them

Prison Methods in New York State Philip Klein,1920 **Prison Masculinities** Tess Bartlett,Rosemary Ricciardelli,2022-09-08 This edited book explores prison masculinities drawing from a wide range of international researchers to highlight how masculinities may divert from the hypermasculine or macho typology typically found in the prison masculinities literature The book includes a diverse selection of writing on masculinities in and of prison masculinities experienced by those living within working and experiencing prison as well as historical and critical accounts of masculinities from around the world The contributors highlight how masculinities are experienced in a multitude of ways as is evidenced in both qualitative and quantitative research with men before during and after imprisonment with correctional officers and staff in the analysis of public records in the critical examination of Sykes seminal work and in historical and contemporary Australian society Evidenced in writing drawn from Australia the Dominican Republic Ukraine Hong Kong the United States Scotland and the Netherlands the contributors acknowledge that rather than being fixed discourses around prison masculinities now include sexuality gender identity and diverse understandings around masculinities as strategic hegemonic and ever changing Prison Masculinities is important reading for students and scholars across disciplines including criminology sociology gender studies law international relations history health psychology and education Chapter 4 of this book is available for free in PDF format as Open Access from the individual product page at www.routledge.com It has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license *The SAGE Handbook of Punishment and Society* Jonathan Simon,Richard Sparks,2012-09-18 The project of interpreting contemporary forms of punishment means exploring the social political economic and historical conditions in the society in which those forms arise The SAGE Handbook of Punishment and Society draws together this disparate and expansive field of punishment and society into one compelling new volume Headed by two of the leading scholars in the field Jonathan Simon and Richard Sparks have crafted a comprehensive and definitive resource that illuminates some of the key themes in this complex area from historical and prospective issues to penal trends and related contributions through theory literature and philosophy Incorporating a stellar and international line up of contributors the book addresses issues such as capital punishment the civilising process
