Rediscoveries II:

Rediscoveries II David Madden, Peggy Bach, 1988 **Rediscoveries and Reformulations** Hayward R.

Alker, 1996-05-30 This book provides a distinctive and rich conception of methodology within international studies From a rereading of the works of leading Western thinkers about international studies Hayward Alker rediscovers a neo Classical conception of international relations which is both humanistic and scientific He draws on the work of classical authors such as Aristotle and Thucydides modern writers like Machiavelli Vico Marx Weber Deutsch and Bull and post modern writers like Havel Connolly and Toulmin The central challenge addressed is how to integrate positivist or falsificationist research styles within humanistic or interpretive ones The author argues that appropriate philosophically informed reformulations of conventional statistical and game theoretic analyses are possible and describes a number of humanistic methodologies for international relations including argumentation analysis narrative modeling computational models of political understanding and reconstructive analysis

A Primer of the Novel David Madden, Charles Bane, Sean M. Flory, 2006-06-22 When the first edition of David Madden's A Primer of the Novel For Readers and Writers was published more than twenty five years ago there were no other books of its kind available Since then many authors and editors have produced works that attempt the same comprehensive coverage of the genre However these works tend to be either written solely for writers or solely for readers More often than not those written for readers tend to be aimed at advanced students or critics of the novel In this revised edition David Madden Charles Bane and Sean Flory have produced an updated work that is intended for a general readership including writers teachers and students who are just being introduced to the genre This unique handbook provides a definition and history of the novel a description of early narratives and a discussion of critical approaches to this literary form A Primer of the Novel also identifies terms definitions commentary and examples in the form of quotations for almost 50 types of novels and 15 artistic techniques A chronology of narrative in general and of the novel in particular from 850 B C to

the present is also included along with indexes to authors titles novel types and techniques as well as a selective bibliography of criticism Although all novel types present in the first edition are still represented many have become more clearly defined This revised edition also cites several types of novels that did not appear in the first edition such as the graphic novel and the novel of Magical Realism As well as keeping all of the original examples from representative texts the authors have added new examples of more recent works While this book was conceived for a general audience it will be a valuable resource for students teachers and libraries It may be used in any English literature courses at any level including graduate and is suited for creative writing courses as well With its clear and immediately accessible features this handbo

The Work of William Eastlake W. C. Bamberger, 1993-01-01 A complete bibliographical coverage of all the author s works plus a comprehensive list of secondary sources and reviews

Southern Writers Joseph M. Flora, Amber Vogel, 2006-06-21 This new edition of Southern Writers assumes its distinguished predecessor s place as the essential reference on literary artists of the American South Broadly expanded and thoroughly revised it boasts 604 entries nearly double the earlier edition s written by 264 scholars For every figure major and minor from the venerable and canonical to the fresh and innovative a biographical sketch and chronological list of published works provide comprehensive concise up to date information Here in one convenient source are the South s novelists and short story writers poets and dramatists memoirists and essayists journalists scholars and biographers from the colonial period to the twenty first century What constitutes a southern writer is always a matter for debate Editors Joseph M Flora and Amber Vogel have used a generous definition that turns on having a significant connection to the region in either a personal or literary sense New to this volume are younger writers who have emerged in the quarter century since the dictionary s original publication as well as older talents previously unknown or unacknowledged For almost every writer found in the previous edition a new biography has been commissioned Drawn from the very best minds on southern literature and covering the full spectrum of its practitioners Southern Writers is an

indispensable reference book for anyone intrigued by the subject **The House of Fragile Things** James McAuley, 2021-03-01 A powerful history of Jewish art collectors in France and how an embrace of art and beauty was met with hatred and destruction In the dramatic years between 1870 and the end of World War II a number of prominent French Jews pillars of an embattled community invested their fortunes in France s cultural artifacts sacrificed their sons to the country s army and were ultimately rewarded by seeing their collections plundered and their families deported to Nazi concentration camps In this rich evocative account James McAuley explores the central role that art and material culture played in the assimilation and identity of French Jews in the fin de si cle Weaving together narratives of various figures some familiar from the works of Marcel Proust and the diaries of Jules and Edmond Goncourt the Camondos the Rothschilds the Ephrussis the Cahens d Anvers McAuley shows how Jewish art collectors contended with a powerful strain of anti-Semitism they were often accused of invading France s cultural patrimony The collections these families left behind many ultimately donated to the French state were their response tragic attempts to celebrate a nation that later betrayed them *White Dwarfs* W.J. Luyten, 2012-12-06 When the Executive Committee of the International Astronomical Union asked me in 1968 to organize a Symposium on White Dwarfs it became evident that members of at least four Commissions of the IAU should participate and that the most opportune place and time to hold such a Symposium would be somewhere in the British Isles and just preceding the Fourteenth General Assembly at Brighton in August 1970 After a preliminary correspondence with Dr D W N Stibbs it was decided to accept his invitation to hold the Symposium at St Andrews University Scotland while the dates 11-13 August 1970 were selected I am sure I speak for all the participants of the Symposium when I express our deep gratitude to Dr Stibbs for the admirable way in which he planned and organized this meeting down to the smallest details the success of the conference is due in no small measure to his continuous and painstaking efforts An organizing committee was formed consisting of O J Eggen Photometry J L Greenstein Spectroscopy A G Masevitch Stellar Interiors V Weidemann Stellar Atmospheres D W N Stibbs local chairman with myself Proper Motions and Parallaxes as overall chairman
