Redskin Country From Baugh To The Super Bowl:

Redskin Country Ken Denlinger, Paul Attner, 1983-01-01 **Fight for Old DC** Andrew O'Toole, 2016-11 In 1932 laundry store tycoon George Preston Marshall became part owner of the Boston Braves franchise in the National Football League To separate his franchise from the baseball team he renamed it the Redskins in 1933 and then in 1937 moved his team to Washington DC where the team won two NFL championships over the next decade But it was off the field that Marshall made his lasting impact An innovator he achieved many firsts in professional football His team was the first to telecast all its games have its own fight song and a halftime show and assemble its own marching band and cheerleading squad He viewed football as an entertainment business and accordingly made changes to increase scoring and improve the fan experience But along with innovation there was controversy Marshall was a proud son of the South and as the fifties came to a close his team remained the only franchise in the three major league sports to not have a single black player Marshall came under pressure from Congress and the NFL and its president Pete Rozelle as league expansion and new television contract possibilities forced the issue on the reluctant owner Outside forces finally pushed Marshall to trade for Bobby Mitchell the team's first black player in 1962 With the story of Marshall's holdout as the backdrop **Fight for Old DC** chronicles these pivotal years when the NFL began its ascent to the top of the nation's sporting interest Showdown Thomas Smith, 2012-09-04 A classic NFL civil rights story the showdown between the Washington Redskins and the Kennedy White House In **Showdown** sports historian Thomas G Smith captures a striking moment one that held sweeping implications not only for one team's racist policy but also for a sharply segregated city and for the nation as a whole Part sports history part civil rights story this compelling and untold narrative serves as a powerful lens onto racism in sport illustrating how in microcosm the fight to desegregate the Redskins was part of a wider struggle against racial injustice in America **Big Leagues** Stephen R. Fox, 1998-01-01 Discusses the evolution of baseball football and basketball and offers new perspectives on established legends Vince Michael O'Brien, 1987 Vince Lombardi is to sports in America what General Douglas MacArthur is to military history This is the first complete and fully documented biography of the man who said Winning isn't the most important thing it's the only thing **Empire on the Field: The Story of the NFL's Founding Rivals and Their Legacy** Bill Adams, 2025-03-25 **Empire on the Field** is the gripping tale of the National Football League's founding rivals the Cleveland Browns and Pittsburgh Steelers This meticulously researched book chronicles their fierce competition and the lasting legacy they forged on and off the gridiron The narrative transports readers to the early days of the NFL a time of rugged play and intense rivalries At the heart of the story are the larger than life personalities such as Paul Brown Art Rooney Jim Brown and Joe Greene who shaped the teams and the game itself Beyond the action on the field the book delves into the social and cultural impact of the Browns and Steelers From their role in desegregating the NFL to their influence on sports media and fan culture these teams left an indelible mark on American society This captivating read is not just a sports
