Reducing Prejudice in the Classroom , 1984 *Racial Reconciliation and the Healing of a Nation* Charles J. Ogletree, Jr., Austin Sarat, 2017-10-24 The work at hand for bridging the racial divide in the United States From Baltimore and Ferguson to Flint and Charleston the dream of a post racial era in America has run up against the continuing reality of racial antagonism Current debates about affirmative action multiculturalism and racial hate speech reveal persistent uncertainty and ambivalence about the place and meaning of race and especially the black white divide in American culture They also suggest that the work of racial reconciliation remains incomplete *Racial Reconciliation and the Healing of a Nation* seeks to assess where we are in that work examining sources of continuing racial antagonism among blacks and whites It also highlights strategies that promise to promote racial reconciliation in the future Rather than revisit arguments about the importance of integration assimilation

and reparations the contributors explore previously unconsidered perspectives on reconciliation between blacks and whites Chapters connect identity politics the rhetoric of race and difference the work of institutions and actors in those institutions and structural inequities in the lives of blacks and whites to our thinking about tolerance and respect Going beyond an assessment of the capacity of law to facilitate racial reconciliation Racial Reconciliation and the Healing of a Nation challenges readers to examine social political cultural and psychological issues that fuel racial antagonism as well as the factors that might facilitate racial reconciliation Attitudes and Related Psychosocial Constructs Lewis Aiken,2002-02-12 In this work the author provides a compact but comprehensive research oriented treatment of attitudes and related psychosocial constructs values opinions beliefs and personal orientations *Social Psychology of Intergroup Reconciliation* Arie Nadler,Thomas Malloy,Jeffrey D.
