Reference The Scripture A Scripture Reference:

Reference the Scripture James Rhodes,2003-01-01 All scripture is given by inspiration of God and is profitable for doctrine for reproof for correction for instruction in righteousness 2 Tim 3 16 The word of God is so important in what we do from day to day Enclosed are some subjects that are things that we deal with on a daily basis There are times when we need to know what the word of God says to speak life into a negative situation or to encourage us to stand firm in our Christian walk This is a quick scripture reference for those who may need a living word from God to bring about a change in your life These scriptures will help you to live a victorious life in Christ who is the Author and Finisher of our faith Scripture References ,1833 Scripture Difficulties Explained by Scripture References. Or, the Bible its Own Interpreter Thomas Spalding,2025-08-04 Reprint of the original first published in 1877 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **Scripture References, designed for the use of parents, teachers and private Christians. [With the passages in full.]** Thomas Chalmers,1821 *Scripture References, designed for the use of parents, teachers and private Christians. With the passages in full* Thomas CHALMERS (D.D.),1825 **Scripture References illustrated with Sacred Poetry, compiled by Two Sabbath School Teachers; with introductory remarks by the Rev. John N. Woodroffe** John N Woodroffe,1839 **The Child's Book of Common Prayer ... With Explanations and Scripture References, Examination Questions and Answers. By Alpha** pseud ALPHA,1864 Old Testament Catechism of History and Biography; with Notes and Scripture References. For Families and for Junior and Senior Classes James Inglis (Minister of the United Presbyterian Chapel, Church Street, Johnstone.),1877 **Scripture References, selected and arranged under various important heads** ,1819 *Biblical References in Shakespeare's Plays* Naseeb Shaheen,2011-09-16 The hundreds of biblical references in Shakespeare s plays give ample evidence that he was well acquainted with Scripture Not only is the range of his biblical references impressive but also the aptness with which he makes them Hamlet and Othello each have more than fifty biblical references No study of Shakespeare s plays is complete that ignores Shakespeare s use of scripture The Bibles that Shakespeare knew however were not those that are in use today By the time the King James Bible appeared in 1611 Shakespeare s career was all but over and the Anglican liturgy that is evident in his plays is likewise one that few persons are acquainted with This volume provides a comprehensive survey of the English Bibles of Shakespeare s day notes their similarities and differences and indicates which version the playwright knew best The thorny question of what constitutes a valid biblical reference is also discussed This study of Shakespeare s biblical references is not based on secondary sources The author owned one of the world s largest collections of early English bibles including over one hundred copies of the Geneva bible and numerous editions of other Bibles prayer books and books of homilies of Shakespeare s day To be of real worth a study of Shakespeare s biblical references should also enable the reader

to determine which references Shakespeare borrowed from his plot sources and which he added from his own memory as part of his design for the play The author studies every source that Shakespeare is known to have read or consulted before writing each play and has examined the biblical references in those sources Shaheen then points out which biblical references in his literary sources Shakespeare accepted and how he adapted them in his plays This information is especially valuable when assessing the theological meanings that are sometimes imposed on his plays meanings that often go beyond what Shakespeare intended or what his audience must have understood Biblical References in Shakespeare s Plays is considerably broader in scope than any other study of its kind and provides the scholarly checks and balances in dealing with the subject that previous studies lacked
