[The Imaginary Present](#) Amy Catanzano,2025-02-19 The Imaginary Present by award winning poet and professor Amy Catanzano explores cutting edge scientific fields such as particle physics and astrophysics and branches of physics such as quantum theory and relativity through a poetic vision equally loyal to the imagination and rationality Drawing upon her groundbreaking research and artist residencies at major scientific research centers like CERN and the U S National Science Foundation s NOIRLab as well as talks and poetry readings at esteemed institutions Catanzano invites enthusiasts of poetry and science to consider what can be achieved through greater collaboration between these fields In linked chapters that fluidly blend lyric essay literary and scientific analysis poetry theory and memoir The Imaginary Present offers refreshing new insights on a wide range of thinkers over the past 100 years including poets Rae Armantrout and M NourbeSe Philip novelists Alfred Jarry and Virginia Woolf comic book writer Grant Morrison and physicists Albert Einstein and Werner Heisenberg The introduction explores why poetry and physics are capable of jointly investigating our most fundamental questions about the universe and discusses the history of the art science connection in addition to the author s own journey In searching for the groundbreaking ways that artists and scientists can collaborate The Imaginary Present offers readers both reasoned grounding and poetic framing for an interdisciplinary poetics and praxis based on science **Andrew**

Marvell's Liminal Lyrics Joan Faust,2012-10-12 Andrew Marvell s Liminal Lyrics The Space Between is an interdisciplinary study of the major lyric poems of seventeenth century British metaphysical poet Andrew Marvell The poet and his work have generally proven enigmatic to scholars because both refuse to fit into normal categories and expectations This study invites

Marvell readers to view the poet and some of his representative lyrics in the context of the anthropological concept of liminality as developed by Victor Turner and enriched by Arnold Van Gennep Jacques Lacan and other observers of the in between aspects of experience The approach differs from previous attempts to explain Marvell in that it allows multidisciplinary and multi media contexts in a broad matrix of the areas of experience and representation that defy boundaries that blur the line at which entrance becomes exit This study acknowledges that the poems discussed and by implication the entire corpus of Marvell s work and the life that produced it derive from a refusal to draw a definite divide In analyzing a small selection of Marvell s life and lyrics as explorations of various realms of liminality in word and image readers can see a passageway to the poet s works that never really reaches a destination instead the unlimited possibilities of the journey remain Thus the in between aspects of the poet and his poetry actually define his technique as well as his brilliance
