Symbols of the Kabbalah Sanford L. Drob,1999-11-01 Symbols of the Kabbalah Philosophical and Psychological Perspectives provides a philosophical and psychological interpretation of the major symbols of the theosophical Kabbalah It shows that the Kabbalah particularly as it is expressed in the school of Isaac Luria provides a coherent and comprehensive account of the cosmos and humanity s role within it that is intellectually morally and spiritually significant for contemporary life

Kabbalah and Alchemy Arturo Schwarz,2000 This remarkable and groundbreaking study explores the author s view that there is a close correspondence between the basic tenets of alchemy and those of Jewish esoteric tradition generally known as Kabbalah The author Arturo Schwarz points out that both alchemy and Kabbalah are frequently distorted in popular as well as scholarly literature The real concern of alchemy is not to transmute lead into gold but rather through the investigation of the self to evolve from the state of ignorance symbolized by lead to that of awareness symbolized by gold As Schwarz points out this drive toward self awareness is also basic in the teachings of the major kabbalists Schwarz goes on to explain that in both systems one of the major instruments of understanding our inner self is love both physical and spiritual Through a careful analysis of the use of sexual imagery in both systems Schwarz builds his fascinating and eye opening thesis that alchemy and kabbalistic tradition share profound similarities

Kabbalistic Metaphors Sanford L. Drob,2000 Kabbalistic Metaphors Jewish Mystical Themes in Ancient and Modern Thought places the major symbols of the theosophical Kabbalah into a dialogue with several systems of ancient and modern thought including Indian Philosophy Platonism Gnosticism and the works of Hegel Freud and Jung The author shows how the Kabbalah organizes a series of ancient ideas regarding God cosmos and humanity into a basic metaphor that itself reappears in various guises in much of modern philosophy and psychology Recognition of the parallels between the Kabbalah and modern philosophy and psychology provides us with valuable insight into both the Kabbalah and modern thought and helps pave the way for a new Kabbalah one that is spiritually and intellectually relevant to contemporary man

AJL Newsletter Association of Jewish Libraries,1998

American Book Publishing Record ,2000 *Reflections on Jewish Mysticism* Josef Bláha,2013 This book deals with the Kabbalah and also with Hebrew literature and poetry The book also deals with modern issues of philosophy Levinas and Heidegger and the relationship between philosophy and Kabbalah back cover

Books In Print 2004-2005 Ed Bowker Staff,Staff Bowker, Ed,2004 **Suffering Time: Philosophical, Kabbalistic, and Hasidic Reflections on Temporality** Elliot R. Wolfson,2021-05-25 No one theory of time is pursued in these essays but a major theme that threads them together is Wolfson s signature idea of the timeswerve as a linear circularity or a circular linearity expressions that are meant to avoid the conventional split between the two temporal modalities of the line and the circle The conception of time elicited by Wolfson from a host of philosophical and mystical sources both Jewish and non

Jewish buttresses the contention that it is precisely structural invariability that engenders interpretive variation This hermeneutical axiom is justified in turn by the presumption regarding the cadence of time as the constant return of what has always been what is yet to be The telling of time wells forth from the time of telling One cannot speak of the being of time consequently except from the standpoint of the time of being nor of the time of being except from the standpoint of the being of time **Choice** ,1999
