Reflections at Journey's End York County Bar Association, 2018-12-01 A compelling series of insightful biographical sketches of the men and women of the York County Bar commencing eleven years before the start of the Civil War as recounted by contemporaries and colleagues Candid sincere honest and on occasion with a touch of comic relief these memorial minutes are tributes to those who have made their rendezvous with mortality Found within these volumes is the venerable Jeremiah S Black who walked the corridors of national recognition during the Civil War era the urbane and brilliant Herbert B Cohen who wielded substantial political power throughout the commonwealth and rose to become an associate justice of the Pennsylvania Supreme Court and the charismatic Harvey Gross whose superb advocacy in the third Hex trial and subsequent twenty year tenure on the York County Orphans Court placed him in the forefront of the princes of Anglo Saxon jurisprudence This callout of the giants in no way diminishes the significance commitment and integrity of the many other remarkable individuals who came after and counseled and inspired others to live honestly to exercise compassion and to act with prudence and diligence and above all else made their contribution to the vast and diverse panorama of our humanity Not a typical memoir or story these memorial minutes constitute the defining epic of the York County Bar More than history more than recitals of character and personality and more than delightful encounters and more somber content they are about individuals remembered for the richness and power of their hopes achievements and commitments to the timeless values of the life of the law

Reflections of a Transborder Anthropologist

Carlos G. Vélez-Ibáñez, 2020-10-20. Taking us on a journey of remembering and rediscovery, anthropologist Carlos G. Vélez-Ibáñez explores his development as a scholar and in so doing the development of the interdisciplinary fields of transborder and applied anthropology. He shows us his path through anthropology as both a theoretical and an applied anthropologist whose work has strongly influenced borderlands and applied research. Importantly, he explains the underlying, often hidden process that led to his long insistence on making a difference in the lives of people of Mexican origin on both sides of the border and to contribute to a People with Histories. In each chapter, Vélez-Ibáñez revisits a critical piece of his written work, providing a new introduction and discussion of ideas, sources and influences for the piece. These are followed by the work chosen because it accentuates key aspects of his development and formation as an anthropologist. By returning to these previously published works, Vélez-Ibáñez offers insight not only into the evolution of his own thinking and conceptualization but also into changes in the fields in which he has been so influential. Throughout his career, Vélez-Ibáñez has addressed why he does the work that he does and in this volume he continues to address the personal and intellectual drives that have brought him from Netzahualcōyōtl to Aztlán. *Reflections of a Transborder Anthropologist* shows how both Vélez-Ibáñez and anthropology have changed and formed over a fifty-year period. Throughout, he has worked to understand how people survive and thrive against all odds. Vélez-Ibáñez has been guided by the burning desire to understand inequality, exploitation and legitimacy and most importantly to provide platforms for the voiceless to narrate their own histories.

Reflections of Twelve Decades

Frank Morgan, 2012-12-18. This informative and loving memoir about the life and times of author Frank Morgan tells the story of his years in East Africa with his beloved wife. But the story is even much richer than that in that it also covers twelve decades of time in an area of the world most can only dream about. Now age 88 and retired, the author has always wanted to share his East African adventures as well as his work for the British government in the development of the region. Morgan also tells of his ancestors' involvement in East Africa and the Seychelles that began in 1830. His epic story takes readers up to the year 1958. *Reflections of Twelve Decades* is a fascinating mixture of what ifs and what could have beens.

The Life of Love: An Invitation: Fifty-two Reflections on Emotional and Spiritual Healing Sharon Southwell, 2014-10-26. Is love the place where psychological observation and spiritual wisdom about healing meet? If love is associated with healing of all sorts, how do I more consciously set about to grow in love, seeking healing for myself and for my neighbours, community and world? How do I encourage others in their journeys into love? Drawing on a broad Christian heritage, a deep respect for the insights of other religious and spiritual traditions and two decades of work in welfare and clinical settings, psychologist Sharon Southwell encourages spiritual seekers of all backgrounds to consider these questions for themselves. Structured in 52 Reflections, each

followed by Invitations The Life of Love invites you to grow in love by embracing life giving connection to yourself to others your community to art nature and to your ultimate context whether you experience this as God or as some other immanent or transcendent spiritual connection **Reflections** Omar H. Malik,2014-01-27 In a world where most of us are busy making a living finding few moments to reflect and revere awe inspiring power of nature both contributing and disrupting its beauty serenity and complexity and how we fit in and play our part this book explores and evaluates all that in simple language The beauty and power of nature pictured in the poems titled The Sun The Cloud A Rivers Tale Autumn Leaves and Rainbow In a A Louts Legacy a portrayal of social malaise Interesting interpretations are reflected in Time A Holy Sanctuary and Of Good and Evil There is humour with substance in Follow the Man in the Middle And Oh Dream Examples of how commercial folly influenced our life over a period of time is apparent in Celebrations and Merry Christmas These are just a few examples It is literally a reflection mirror of authors mind on aspects of life that move us **Reflections on Old Age** Cornelius F.

Murphy,2015-04-07 The English writer E M Forster described old age as a seductive combination of increased wisdom and decaying powers to which too little intelligence is devoted This book is a response to that criticism It explains how old age has been considered throughout the ages by philosophers poets and other literary figures and explores how the extraordinary increase of life expectancy that began in the last century has be sustained by science and medicine Unfortunately the general public still prefers to keep the elderly out of sight and especially out of mind To overcome this marginalization I call for the emergence of a more inclusive humanism one that is welcoming to persons of all ages To overcome the pervasive isolation of the elderly requires a new dialogue across all the living generations Echoing the sentiments of Cicero in his classic study of old age I also call for a reflective maturity to develop among the elderly one that reaches deeply into themselves and increases their understanding of the world around them Spiritual maturity demands growth in virtue and charity in the advance of years A reaching out to all in the pursuit of justice and the common good is strongly recommended The book concludes with some reflections upon hopes for personal immortality as well as the qualities of divine justice and mercy
