EDITED BY JOHN LEEKLEY

Reflections On The Civil War

Steven E. Woodworth

Reflections On The Civil War:

Reflections on the Civil War Bruce Catton, 2013-06-26 Edited from tapes that the Pulitzer prize winning historian made before his death this moving informative book paints an intimate portrait of war It s a chronicle of motives and emotions from larger than life figures Lincoln and Lee to young John B **Reflections on the Civil War** William Bruce Catton, 1981

The Enduring Civil War Gary W. Gallagher, 2020-09-02 In the seventy three succinct essays gathered in *The Enduring Civil War* celebrated historian Gary W Gallagher highlights the complexity and richness of the war from its origins to its memory as topics for study contemplation and dispute He places contemporary understanding of the Civil War both academic and general in conversation with testimony from those in the Union and the Confederacy who experienced and described it investigating how mid nineteenth century perceptions align with or deviate from current ideas regarding the origins conduct and aftermath of the war The tension between history and memory forms a theme throughout the essays underscoring how later perceptions about the war often took precedence over historical reality in the minds of many Americans The array of topics Gallagher addresses is striking He examines notable books and authors both Union and Confederate military and civilian famous and lesser known He discusses historians who though their names have receded with time produced works that remain pertinent in terms of analysis or information He comments on conventional interpretations of events and personalities challenging among other things commonly held notions about Gettysburg and Vicksburg as decisive turning points Ulysses S Grant as a general who profligately wasted Union manpower the Gettysburg Address as a watershed that turned the war from a fight for Union into one for Union and emancipation and Robert E Lee as an old fashioned general ill suited to waging a modern mid nineteenth century war Gallagher interrogates recent scholarly trends on the evolving nature of Civil War studies addressing crucial questions about chronology history memory and the new revisionist literature The format of this provocative and timely collection lends itself to sampling and readers might start in any of the subject groupings and go where their interests take them *History Teaches Us to Hope* Charles P. Roland, 2007-12-07 Before his death in 1870 Robert E Lee penned a letter to Col Charles Marshall in which he argued that we must cast our eyes backward in times of turmoil and change concluding that it is history that teaches us to hope Charles Pierce Roland one of the nation s most distinguished and respected historians has done exactly that devoting his career to examining the South s tumultuous path in the years preceding and following the Civil War *History Teaches Us to Hope* *Reflections on the Civil War* and *Southern History* is an unprecedented compilation of works by the man the volume editor John David Smith calls a dogged researcher gifted stylist and keen interpreter of historical questions Throughout his career Roland has published groundbreaking books including *The Confederacy* 1960 *The Improbable Era* *The South since World War II* 1976 and *An American Iliad* *The Story of the Civil War* 1991 In addition he has garnered acclaim for two biographical studies of Civil War leaders Albert Sidney Johnston 1964 a life of the top field general in the Confederate army and *Reflections on Lee* 1995 a

revisionist assessment of a great but frequently misunderstood general The first section of History Teaches Us to Hope The Man The Soldier The Historian offers personal reflections by Roland and features his famous GI Charlie speech A Citizen Soldier Recalls World War II Civil War related writings appear in the following two sections which include Roland s theories on the true causes of the war and four previously unpublished articles on Civil War leadership The final section brings together Roland s writings on the evolution of southern history and identity outlining his views on the persistence of a distinct southern culture and his belief in its durability History Teaches Us to Hope is essential reading for those who desire a complete understanding of the Civil War and southern history It offers a fascinating portrait of an extraordinary historian

Reflections of a Civil War Historian Herman Hattaway,2004 What Caused the Civil War? Edward L.

Ayers,2016-11-08 An extremely good writer Ayers is well worth reading on the South and Southern history Stephen Sears Boston Globe The Southern past has proven to be fertile ground for great works of history Peculiarities of tragic proportions a system of slavery flourishing in a land of freedom secession and Civil War tearing at a federal Union deep poverty persisting in a nation of fast paced development have fed the imaginations of some of our most accomplished historians Foremost in their ranks today is Edward L Ayers author of the award winning and ongoing study of the Civil War in the heart of America the Valley of the Shadow Project In wide ranging essays on the Civil War the New South and the twentieth century South Ayers turns over the rich soil of Southern life to explore the sources of the nation s and his own history The title essay original here distills his vast research and offers a fresh perspective on the nation s central historical event

Bloody Promenade Stephen Cushman,1999-10-29 On 5 and 6 May 1864 the Union and Confederate armies met near an unfinished railroad in central Virginia with Lee outmanned and outgunned hoping to force Grant to fight in the woods The name of the battle Wilderness suggests the horror of combat at close quarters and an inability to see the whole field of engagement even from a distance Indeed the battle is remembered for its brutality and ultimate futility for Lee even with 26 000 casualties on both sides the Wilderness only briefly stemmed Grant s advance Stephen Cushman lives fifty miles south of this battlefield A poet and professor of American literature he wrote Bloody Promenade to confront the fractured legacy of a battle that haunts him through its very proximity to his everyday life Cushman s personal narrative is not another history of the battle If this book is a history of anything he writes it s the history of verbal and visual images of a single particularly awful moment in the American Civil War Reflecting on that moment can begin in the present with the latest film or reenactment but it leads Cushman back to materials from the past Writing in an informal first person style he traces his own fascination with the conflict to a single book a pictorial history he read as a boy His abiding interest and poetic sensibility yield a fresh perspective on the war s continuing grip on Americans how it pervades our lives through films and songs novels such as The Red Badge of Courage The Killer Angels and Cold Mountain Whitman s poetry and Winslow Homer s painting or the pull of the abstract idea of the triumph of freedom With maps and a brief discussion of the Battle of the Wilderness for

those not familiar with the landscape and actors Bloody Promenade provides a personal tour of one of the most savage engagements of the Civil War then offers a lively discussion of its aftermath *Drawn with the Sword* James M.

McPherson,1997-12-18 James M McPherson is acclaimed as one of the finest historians writing today and a preeminent commentator on the Civil War Battle Cry of Freedom his Pulitzer Prize winning account of that conflict was a national bestseller that Hugh Brogan in The New York Times called history writing of the highest order Now in *Drawn With the Sword* McPherson offers a series of thoughtful and engaging essays on some of the most enduring questions of the Civil War written in the masterful prose that has become his trademark Decision in the Heartland Steven E. Woodworth,2008-01-30 The verdict is in the Civil War was won in the West that is in the nation s heartland between the Appalachian Mountains and the Mississippi River Yet a person who follows the literature on the war might still think that it was the conflict in Virginia that ultimately decided the outcome Each year sees the appearance of new books aimed at the popular market that simply assume that it was in the East often at Gettysburg that the decisive clashes of the war took place For decades serious historians of the Civil War have completed one careful study after another nearly all tending to indicate the pivotal importance of what people during the war referred to as the West In this fast paced overview Woodworth presents his case for the decisiveness of the theater Overwhelming evidence now indicates that it was battles like Fort Donelson Shiloh Chattanooga and Atlanta that sealed the fate of the Confederacy not the nearly legendary clashes at Bull Run or Chancellorsville or the mythical high water mark at Gettysburg The western campaigns cost the Confederacy vast territories the manufacturing center of Nashville the financial center of New Orleans communications hubs such as Corinth Chattanooga and Atlanta along with the agricultural produce of the breadbasket of the Confederacy They sapped the morale of Confederates and buoyed the spirits of Unionists ultimately sealing the northern electorate s decision to return Lincoln to the presidency for a second term and thus to see the war through to final victory Detailing the Western clashes that proved so significant Woodworth contends that it was there alone that the Civil War could be and was decided **Reflections of the Civil War in Southern Humor** Wade

Hall,2015-02-17 As one of the organic forms of literature humor has always responded to and reflected the needs of the people at a given time and the Civil War and its aftermath were days of the South s greatest need Historians have suggested many reasons for the South s fearless stand against overwhelming numbers and resources to use General Lee s words In this short study author and historian Wade Hall adds one reason to the list the humor of the Southerner as soldier and civilian during the war and the bleak days that followed it The South arose from the ashes of humiliation and defeat smiling though sometimes through tears The Southerner s sense of humor helped him to fight a war he believed honorable and to accept the bitter defeat which ended it Without the escape valve of humor many a rebel would have succumbed to despair The Southerner could smile wistfully as he looked back on a proud past and hopefully as he looked forward to an uncertain future He smiled because he read humorists like Bill Arp who once wrote somewhat serio comically that the South was conquered

but not convinced In this study Hall has attempted to represent all the types of humor written in the South between the beginning of the Civil War and the beginning of World War I specifically 1861 and 1914 including war memoirs novels plays short stories poetry and songs After a survey of humor written during the war Hall discusses the soldier the Negro the poor white and the folks at home in wartime as they are reflected in the postwar humor

Recognizing the habit ways to get this book **Reflections On The Civil War** is additionally useful. You have remained in right site to begin getting this info. acquire the Reflections On The Civil War associate that we present here and check out the link.

You could purchase guide Reflections On The Civil War or acquire it as soon as feasible. You could quickly download this Reflections On The Civil War after getting deal. While this might not be the Reflections On The Civil War full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Reflections On The Civil War eBooks, including some popular titles.

FAQs About Reflections On The Civil War Books

What is a Reflections On The Civil War PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Reflections On The Civil War PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Reflections On The Civil War PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Reflections On The Civil War PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Reflections On The Civil War PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
