Reframing Paul Conversations In Grace And Community:

Reframing Paul Mark Strom, 2000-10-12 Mark Strom unveils Paul in his original context and invites us to engage with him in new terms He courageously draws Paul into vital conversation with contemporary evangelicalism This book is for anyone who wants to learn how the church can be an attractive community of transforming grace and conversation

Reconsidering Gender Myk Habets, Beulah Wood, 2011-01-01 This volume deals with the varied forms of shame reflected in biblical theological psychological and anthropological sources Although traditional theology and church practice concentrate on providing forgiveness for shameful behavior recent scholarship has discovered the crucial relevance of social shame evoked by mental status adversity slavery abuse illness grief and defeat Anthropologists sociologists and psychologists have discovered that unresolved social shame is related to racial and social prejudice to bullying crime genocide narcissism post traumatic stress and other forms of toxic behavior Eleven leaders in this research participated in a conference on The Shame Factor sponsored by St Mark s United Methodist Church in Lincoln NE in October 2010 Their essays explore the impact and the transformation of shame in a variety of arenas comprising in this volume a unique and innovative resource for contemporary religion therapy ethics and social analysis

Contextualization in the New Testament Dean Flemming, 2005-10-12 To provide a model for today s missionary efforts Dean Flemming examines how the New Testament authors particularly in Acts Paul s letters and the Gospels contextualized the gospel for particular cultures and or communities

Evoking Story for Transformation Lyn Nixon, 2025-08-21 Lyn Nixon takes a fresh approach to the question of whether New Testament authors quote the Old Testament without regard to the original Old Testament meaning that is out of context Her action model uses Speech Act Theory to examine the way authors and readers together contribute to the communication of meaning In her model for meaning to be successfully communicated the reader must experience the transformation intended by the author Lyn Nixon applies her theoretical model to two examples of New Testament quotation where previous scholars have claimed the author quotes the Old Testament in a way that does not correspond to the original meaning Her case studies the use of Ps 115 1 LXX in 2 Cor 4 13 and of Ps 110 1 MT by various New Testament speakers and authors provide new insights into ways that the Old Testament meaning including its transformative intention resonates in the quoting of New Testament texts

Literature and the Encounter with God in Post-Reformation England Michael Martin, 2016-05-23 Each of the figures examined in this study John Dee John Donne Sir Kenelm Digby Henry and Thomas Vaughan and Jane Lead is concerned with the ways in which God can be approached or experienced Michael Martin analyzes the ways in which the encounter with God is figured among these early modern writers who inhabit the shared cultural space of poets and preachers mystics and scientists The three main themes that inform this study are Cura animarum the care of souls and the diminished role of spiritual direction in post Reformation religious life the rise of scientific rationality and the struggle against the disappearance of the Holy Arising from the methods and commitments of phenomenology the primary

mode of inquiry of this study resides in contemplation not in a religious sense but in the realm of perception attendance and acceptance Martin portrays figures such as Dee Digby and Thomas Vaughan not as the eccentrics they are often depicted to have been but rather as participating in a religious mainstream that had been radically altered by the disappearance of any kind of mandatory or regular spiritual direction a problem which was further complicated and exacerbated by the rise of science Thus this study contributes to a reconfiguration of our notion of what religious orthodoxy really meant during the period and calls into question our own assumptions about what is or was orthodox and heterodox

The Kenotic Organization Brian E. Ruffner, 2023-01-25 Although organizations frequently proclaim the desire for change renewal and transformation few ever fully embrace those ideas failing to rise above more than mere mediocrity and never realizing even a fraction of their true potential Certainly many pontificate on the nature of organizations as they live and breathe so to speak yet few question how the organization ought to be This ought belies the existential and ethical dimensions of organizing and as such points to a discipline not often associated with the organizational realm theology To this end the concept of the kenotic organization offers a much needed antidote to the syndrome described above Drawing on the divine Trinitarian kenosis observed in the creation event and witnessed in the Incarnation the simultaneous actions of self limiting and pouring out inform the organizational cause and expose a deeply entangled organizational mesh enveloping the entire cosmos which can serve as a catalyst to excite preferred organizational behaviors It is in fact the humility of Trinitarian kenosis the willingness to withdraw but also at once pour out the individual essence that generates the thrust necessary to escape the gravitational pull of convention which typically inhibits organizational flourishing

The New Testament in Its First Century Setting Bruce W. Winter, 2004

Discerning the Spirits André Munzinger, 2007-08-02 How did Paul determine ethical and theological truth Were all believers expected to be able to discern the spirits 1 Corinthians 12:10 This 2007 study shows that discernment must be understood against the backdrop of an extensive hermeneutic by which Paul inherently relates ethical and theological knowledge Understanding the will of God requires noetic and existential transformation in short the renewal of the mind Romans 12:2 Munzinger argues that Paul implies a process of inspiration in which the Spirit sharpens the discerning functions of the mind because the believer is liberated from a value system dominated by status and performance The love of God enables all believers to learn to interpret reality in a transformed manner and to develop creative solutions to questions facing their communities For Paul authentic discernment is linked to a comprehensive sense of meaning

Pauline Solidarity Daniel Oudshoorn, 2020-04-30 Building on the themes established in the first two volumes of Paul and the Uprising of the Dead Pauline Solidarity explores a how the Pauline faction transforms relationships within the household unit in the new transnational family of God b how dominant cultural conceptions of honor are rejected in the embrace of shame in the company of the crucified c how vertical practices of patronage are replaced with a horizontal sibling based political economy of grace and d how the gospel of the Caesars is overcome by the lawlessness of the good news that is

being assembled in an uprising of life among the left for dead Along the way many of the traditional themes associated with Paulinism grace justice love loyalty sin flesh death Jesus spirit life are reexamined and understood as core components of a movement that was spreading among vanquished colonized oppressed dispossessed and enslaved peoples who were finding new and treasonous ways of organizing themselves in order to be life giving and life affirming and in order to counter all the death dealing structures of Roman imperialism Pauline Politics Daniel Oudshoorn,2020-03-10 The Pauline Epistles have been claimed as a useful ally by parties across the political spectrum Neoconservatives claim that Paul and his coworkers were law abiding authority honoring devoutly religious people oriented around their respect for hard work private property and family values Liberals claim that the Pauline faction was devoted to the celebration of diversity internally transcending social markers of status and the embrace of peace Radicals claim that Paul was a leader within an anti imperial revolutionary movement sweeping across the eastern portion of the Roman Empire However it is rare for these and still other parties to engage in dialogue with each other because each party tends to operate with presuppositions that make open engagement difficult Pauline Politics examines the main positions taken in relation to Paul and politics and then engages in a thorough examination of the underlying arguments used to argue that this or that position is more or less plausible Underlying arguments tend to relate to two things first positions on the socioeconomic status of Paul his coworkers and other early Jesus loyalists and second positions on Pauline eschatology This volume will comprehensively explore these matters
