**The Christian Librarian** ,1995      Roman Catholicism & the Coming One World Religion Billy Crone,2019-03-21

**Emerging Churches** Eddie Gibbs,Ryan K. Bolger,2005-12-01 The emerging church movement is perhaps the most significant church trend of our day The emerging church offers and encourages a new way of doing and being the church While it largely resonates with an eighteen to thirty four year old audience the first fully postmodern generation it is also gaining popularity with older Christians and encompasses a broad array of traditional and contemporary churches Emerging Churches explores this movement and provides insight into its success Filled with the latest research and interesting anecdotal testimonies from those on the cutting edge of ministry this book provides pastors church leaders and interested readers with an insightful glimpse into the thriving churches of today and tomorrow      **8**

**Crazy Moments in Time** Douglas J. McGregor,2016-04-20 Three excerpts from the eight stories Antietam I had read the cornstalks ranged between six and ten feet high from my perspective the stalks looked higher The light wind eerily swayed the late summer corn and the first slants of daylight hit the field The glint of the sun bouncing off the bayonets chilled my blood and with utter fascination I watched the Confederates move about in the green and yellow of the corn like gray ants The Time Machine The dog grinned coyly I know what youre thinking maybe you can get to me and if I were you Id be thinking that too but shovel or not everything is drenched in gas even the shovel Rex allowed his words ample time to be absorbed before adding Youre gonna catch on fire That cant be avoided No matter how smart you are you cant think of a way out Cuz there is no way out You are trapped The Last Cubicle A long pause ensured as he stared into her eyes and then he quietly asked Why am I sitting in the last cubicle with an angel A sheet of paper appeared in her hand and she pointed at the letterhead Spell D E Mood backwards      *The Branch Exposition of the Bible, Volume 1* Michael A. Eaton,2020-08-31 If you picture the Bible to be a mighty tree and every word a little branch I have shaken every one of these branches because I wanted to know what it was and what it meant MARTIN LUTHER A great deal of biblical scholarship is written for academics and fails to edify readers or strengthen their Christian ministry Yet Christians need to be nourished by the word of God so

they can mature in faith and righteousness Filling this gap The Branch Exposition of the Bible is a resource for preachers scholars and everyday Christians alike to help open God's word and shed its light into life ministry and teaching Inspired by the words of the great reformer Martin Luther about shaking every branch of Scripture and with experience in ministering across Africa India and the West Michael A Eaton helps us understand the meaning of the Bible and taste its fruit With an Old Testament volume to follow this exposition of the New Testament accessibly engages with the biblical languages gives application for our lives and leads us through each book of the New Testament so that we can meet the resurrected Jesus Christ in the pages of Scripture

**Secular Music, Sacred Space** April Stace, 2017-06-13 Easter Sunday 2009 was the Sunday heard round the evangelical internet NewSpring Church the second largest church in the Southern Baptist Convention and among the top one hundred largest churches in the US had begun their service with the song Highway to Hell by hard rock band AC DC They had brazenly crossed the sacred secular musical divide on the most important Sunday of the year and commentary abounded on the value of such a step Many were offended at the desecration of such a holy day deriding Newspring as the theater of the absurd Others cheered NewSpring's engagement with the culture and suggested that music could be used to convert non Christians No mere debate over stylistic preferences many expressed that foundational aspects of evangelical identity were at stake While many books have been written about religious music that utilizes popular music styles a k a contemporary Christian music there has yet to be a scholarly treatment of how and why popular secular music is utilized by churches This book addresses that lacuna by examining this emerging trend in evangelical and emerging churches in America What is the motivation behind using music that seemingly has no connection to Christian theology values or themes such as music by Katy Perry AC DC or Van Halen and what can we learn about post denominational evangelical churches in America by uncovering these motives In this book April Stace uncovers several themes from an ethnographic study of these churches the increasingly porous boundary between the sacred and the secular the importance placed on authenticity in contemporary American culture how evangelicals are responding to what they perceive is an increasingly secular society the turn to the subject of contemporary culture the desire to leave a space for expression of doubt in the worship service without fully authorizing that doubt and the individualization of the construction of religious identity in the modern era

**The Sign of the End of the Age** Paul Kalbach, 2016-12-13 There is a small groundswell of thinking in the evangelical church that we may not have achieved a proper biblical understanding of end times events It is important for us to return to a careful study of these things because the time is near In The Sign of the End of the Age What Jesus Taught about the Future in Matthew 24 author Paul Kalbach helps you discover or rediscover the Olivet Discourse the Lord's clear road map that all other prophetic Scriptures must reckon with To understand the discourse we must answer one critical question what is Matthew 24 about the future program for Israel or the end of the age events for all believers including the church Kalbach presents extensive arguments that show a different timing and sequence of events

than is usually taught by proponents of the pretribulation rapture position His in depth study adheres to a most literal interpretation method The Sign of the End of the Age seeks to bring a deeper understanding of the end times period vital in a world that shows every sign that this time is near     The End Ken Hathcoat,2015-03-22 People are fascinated with Revelation and end times Unfortunately Revelation studies and Bible prophecy books still remain a puzzle for many Christians Most end time books are either unnecessarily confusing or overly simplistic in their conclusions The End is a study of Revelation that presents a clear concise and thorough biblical analysis of the major end time events without simplistic explanations or wordy seminarian language The End is more than a commentary on Revelation and end time prophecies It offers fresh insights and applications on these subjects for your daily life     **One Assembly** Jonathan Leeman,2020-03-26 Many churches are switching to the multisite or multiservice models to manage crowded sanctuaries due to growing attendance This solution seems sensible in the short term but too often churches adopt this model without taking into consideration what the Bible says about it Illuminating the importance of physical togetherness as a way to protect the gospel this book argues that maintaining a single assembly best embodies the unity the church possesses in Jesus Christ Jonathan Leeman considers a series of biblical theological and pastoral arguments that ask us to stop and examine intuitions or assumptions about what a church is He reorients our minds to a biblical definition of church offering examples of churches that have thrived with a single service at a single site and compelling alternatives for those looking to solve the complications that come with a growing church     **Holy Things** Gordon W. Lathrop, New in paperback Cyril of Jerusalem wrote about holy things He thereby reflected the communion invitation used in his fourth century liturgy to call people to taste and see that the Lord is good Mystagogical Catecheses The present times call for strong and healthy symbols that hold people into hope The Christian communities need a reintroduction into the ways in which liturgical symbols respond to human need Indeed Lathrop argues Christian communities continually need to reconsider the meaning of their liturgies and reform those liturgies toward authentic clarity In its three parts this book 1 proposes that an ecumenical pattern or ordo of worship can be discerned which is also a pattern of meaning 2 discusses the ways in which meaning occurs in the meeting for worship itself and 3 draws practical conclusions about the organization of that meeting and its importance to current human need Throughout Lathrop undertakes to do theology that is to say what the liturgy actually says about God
