**The Second Manassas Campaign** Caroline E. Janney, Kathryn J. Shively, 2025-04 Waged from June 26 to September 1 1862 the Second Manassas campaign pitted the US Armies of Virginia and the Potomac against the Confederate Army of Northern Virginia and its new commander Robert E Lee The campaign unfolded against a backdrop of momentous US political decisions regarding confiscation emancipation and Confederate civilians These decisions dismayed and energized Confederates sparking the debut of Lee's offensive strategy Weeks of strategic movements were punctuated by savage fighting that culminated in a climactic battle on August 28-30 Second Manassas destroyed the careers of US army commander John Pope and corps commander Fitz John Porter Despite the dramatic impact of the campaign it is often forgotten in the larger history of the Civil War and sorely understudied The essays in this volume provide valuable attention to strategy tactics and logistics the performances of key commanders on each side the campaign's political dimensions the connections between home front and battlefield and the memory of the campaign's aftermath Contributors include Keith S Bohannon Gary W Gallagher John J Hennessy Peter C Luebke James Marten William Marvel and Cecily Zander

**The Maps of Second Bull Run** Bradley M. Gottfried, 2024-11-21 A map based analysis of the Second Bull Run Campaign detailing troop movements battles and strategies with full color cartography and insightful commentary The Maps of Second Bull Run An Atlas of the Second Bull Run Manassas Campaign from the Formation of the Army of Virginia Through Chantilly June 26 September 1 1862 continues Bradley M Gottfried's efforts to study and illustrate the major campaigns of the Civil War This is the tenth book in the ongoing Savas Beatie Military Atlas Series President Abraham Lincoln's frustration with George B McClellan's inability to defeat Robert E Lee and capture Richmond dramatically increased after the unsuccessful Seven Days Battles In response Lincoln combined three small armies into the new Army of Virginia and placed it under Maj Gen John Pope who had overseen several successes in the Western Theater Pope's aggressiveness and McClellan's passivity on the Peninsula convinced Lee to send Thomas Stonewall Jackson's

wing of the Army of Northern Virginia to confront Pope A bloody battle at Cedar Mountain on August 9 halted Pope's move south and Jackson's raid on the vast stores at Manassas Junction triggered another confrontation this time at Kettle Run When McClellan's troops abandoned the Peninsula Lee moved his other wing under James Longstreet rapidly north Pope missed an opportunity to prevent the junction of Lee's wings by not stopping Longstreet at Thoroughfare Gap The battle of Second Bull Run began on the evening of August 28 when Jackson tangled with Union troops at the Brawner Farm Pope spent much of the next day hammering Jackson's front with no idea that Longstreet was arriving on the field The Union assaults continued on August 30 until Longstreet launched a massive assault that rolled up the Union left flank and collapsed Pope's army The retreat was briefly interrupted by some of Jackson's units at Chantilly which ended the campaign The Maps of Second Bull Run plows new ground by breaking down the entire campaign into 24 map sets or action sections enriched with 122 detailed full page color maps These cartographic originals bore down to the regimental and battery level They include the march to and from the battlefields and virtually every significant event in between including cavalry actions At least two and as many as ten maps accompany each map set Keyed to each piece of cartography is a full facing page of detailed text describing the units personalities movements and combat including quotes from eyewitnesses depicted on the accompanying map all of which make the cavalry actions come alive This presentation allows readers to easily find a map and text on any portion of the sprawling campaign Serious students will appreciate the extensive endnotes and complete orders of battle and take the book with them to the battlefields A final bonus is that the maps unlock every other book or article written on any aspect of the campaign Perfect for the easy chair or for stomping the hallowed grounds The Maps of Second Bull Run is a seminal work that belongs on the bookshelf of every serious and casual student of the battle

*John Pope - Failure At Second Battle Of Bull Run* LCDR Daniel B. Morio USN, 2015-11-06 Was the failure of the Army of Virginia at the Second Battle of Bull Run a result of General John Pope being a failure as a leader or were there other circumstances that helped him in his loss General Pope had a long career in the Army that to the Second Battle of Bull Run had gone well Pope had distinguished himself in the Mexican American War and had done well early on in the western theater of operations during the Civil War With his assumption of command in northern Virginia Pope entered a realm in which he was unfamiliar not welcomed by the troops he led and out of his league with regards to the Confederate leaders arrayed against him Pope's paranoia regarding commanders who had come from General George McClellan's Army of the Potomac resulted in a lack of trust in first hand accounts from senior officers as well as intelligence presented This lack of trust resulted in his disregarding the fact that General Lee and Longstreet had moved 25 000 Confederate soldiers through Thoroughfare Gap and combined forces with General Jackson and deployed them along the right flank of Jackson's forces and perpendicular to Pope's force This force then proceeded to assail the Union flank to nearly disastrous proportions The fog of war has clouded the judgment of many generals throughout history and Pope was no exception The fog of war negatively affected his

imagination and ability to think critically throughout the battle      **Return to Bull Run** John J. Hennessy,2012-09-06 This comprehensively researched well written book represents the definitive account of Robert E Lee s triumph over Union leader John Pope in the summer of 1862 Lee s strategic skills and the capabilities of his principal subordinates James Longstreet and Stonewall Jackson brought the Confederates onto the field of Second Manassas at the right places and times against a Union army that knew how to fight but not yet how to win Publishers Weekly      *West Virginia and the Civil War* Mark A Snell,2010-06-07 A comprehensive account of the state s creation its citizens and their contributions to the war effort whether supporters of the Union or Confederacy The only state born as a result of the Civil War West Virginia was the most divided state in the nation About forty thousand of its residents served in the combatant forces about twenty thousand on each side The Mountain State also saw its fair share of battles skirmishes raids and guerrilla warfare with places like Harpers Ferry Philippi and Rich Mountain becoming household names in 1861 When the Commonwealth of Virginia seceded from the Union on April 17 1861 leaders primarily from the northwestern region of the state began the political process that eventually led to the creation of West Virginia on June 20 1863 Renowned Civil War historian Mark A Snell has written the first thorough history of these West Virginians and their civil war in more than fifty years      *Crossroads of Freedom* James M. Severance,2012-11-01 Portraits of Conflict A Photographic History of Alabama in the Civil War is the tenth volume in this acclaimed series showing the human side of the country s great national conflict Over 230 photographs of soldiers and civilians from Alabama many never seen before are accompanied by their personal stories and woven into the larger narrative of the war both on the battlefield and the home front      *United States History* James Warren Oberly,1995

**The Maryland Campaign of September 1862** Ezra A. Carman,Thomas Clemens,2017-02-15 The Battle of Shepherdstown and the End of the Campaign is the third and final volume of Ezra Carman s magisterial The Maryland Campaign of September 1862 As bloody and horrific as the battle of Antietam was historian Ezra Carman who penned a 1 800 page manuscript on the Maryland campaign did not believe it was the decisive battle of the campaign Generals Robert E Lee and George B McClellan intended to continue fighting after Sharpsburg but the battle of Shepherdstown Ford September 19 and 20 forced them to abandon their goals and end the campaign Carman was one of the few who gave this smaller engagement its due importance detailing the disaster that befell the 118th Pennsylvania Infantry and Maj Gen A P Hill s success in repulsing the Union advance and the often overlooked foray of Jeb Stuart s cavalry to seize the Potomac River ford

at Williamsport Carman also added a statistical study of the casualties in the various battles of the entire Maryland Campaign and covered Lincoln's decision to relieve McClellan of command on November 7. He also explored the relations between President Lincoln and General McClellan before and after the Maryland Campaign which he appended to his original manuscript. The before section a thorough examination of the controversy about McClellan's role in the aftermath of Second Manassas campaign will surprise some and discomfort others and includes an interesting narrative about McClellan's reluctance to commit General Franklin's corps to aid Maj Gen John Pope's army at Manassas. Carman concludes with an executive summary of the entire campaign. Dr Clemens concludes Carman's invaluable narrative with a bibliographical dictionary and genealogical goldmine of the soldiers, politicians and diplomats who had an impact on shaping Carman's manuscript. While many names will be familiar to readers others upon whom Carman relied for creating his campaign narrative are as obscure to us today as they were during the war. The Maryland Campaign of September 1862 Vol III The Battle of Shepherdstown and the End of the Campaign concludes the most comprehensive and detailed account of the campaign ever produced. Jammed with firsthand accounts, personal anecdotes, detailed footnotes, maps and photos, this long awaited study will be appreciated as Civil War history at its finest. **Tullahoma** David A. Powell, Eric J.

Wittenberg, 2020-08-25 The definitive account of Union Maj Gen William S. Rosecrans' operational masterpiece, the almost bloodless conquest of Middle Tennessee. Sam Davis Elliott, author of *Soldier of Tennessee*, July 1863 was a momentous month in the Civil War. News of Gettysburg and Vicksburg electrified the North and devastated the South. Sandwiched geographically between those victories and lost in the heady tumult of events was news that William S. Rosecrans's Army of the Cumberland had driven Braxton Bragg's Army of Tennessee entirely out of Middle Tennessee. The brilliant campaign nearly cleared the state of Rebels and changed the calculus of the Civil War in the Western Theater. Despite its decisive significance, few readers even today know of these events. The publication of *Tullahoma* by award winning authors David A. Powell and Eric J. Wittenberg forever rectifies that oversight. Powell and Wittenberg mined hundreds of archival and firsthand accounts to craft a splendid study of this overlooked campaign that set the stage for the Battles of Chickamauga and Chattanooga, the removal of Rosecrans and Bragg from the chessboard of war, the elevation of U.S. Grant to command all Union armies and the early stages of William T. Sherman's Atlanta Campaign. *Tullahoma*, one of the most brilliantly executed major campaigns of the war, was pivotal to Union success in 1863 and beyond. And now readers everywhere will know precisely why. An outstanding study of the decidedly underappreciated 1863 Tullahoma Campaign in Middle Tennessee. Carol Reardon George Winfree, Professor Emerita of American History, Penn State University. *Tullahoma* ranks among the best of modern Civil War campaign histories. Civil War Books and Authors. James G. Hollandsworth, Jr.,1998-11 In this first modern biography of Nathaniel P Banks James G Hollandsworth Jr reveals the complicated and contradictory nature of the man who called himself the fighting politician Despite a lack of formal education family connections and personal fortune Banks 1816 1884 advanced from the Massachusetts legislature to the governorship to the U S Congress and Speaker of the House He learned early in his political career that the pretext of conviction can be more important than the conviction itself and he practiced a politics of expedience espousing popular beliefs but never defining beliefs of his own A leader in the new Republican party he developed a reputation as a compelling orator and a politician with a bright future At the onset of the Civil War Lincoln appointed Banks a major general and as Hollandsworth shows the same pretext of conviction that served Banks so well in politics proved disastrous on the battlefield He suffered resounding defeats in the 1862 Shenandoah Valley Campaign the Battle of Cedar Mountain and the Red River Campaign Illuminating the personal characteristics that stalled the promise of Banks s early political career and contributed to his dismal record as a commanding officer Hollandsworth demonstrates how Banks s obsessive pretense of glory prevented him from achieving its reality     American Civil War

**This Great Struggle** Steven E. Woodworth, 2011-04-16 Referring to the war that was raging across parts of the American landscape Abraham Lincoln told Congress in 1862 We shall nobly save or meanly lose the last best hope on earth Lincoln recognized what was at stake in the American Civil War not only freedom for 3.5 million slaves but also survival of self government in the last place on earth where it could have the opportunity of developing freely Noted historian Steven E Woodworth tells the story of what many regard as the defining event in United States history While covering all theaters of war he emphasizes the importance of action in the region between the Appalachians and the Mississippi River in determining its outcome Woodworth argues that the Civil War had a distinct purpose that was understood by most of its participants it was primarily a conflict over the issue of slavery The soldiers who filled the ranks of the armies on both sides knew what they were fighting for The outcome of the war after its beginnings at Fort Sumter to the Confederate surrender four years later was the result of the actions and decisions made by those soldiers and millions of other Americans Written in clear and compelling fashion This Great Struggle is their story and ours
