Cupid's Dart David Nobbs,2014-11-20 Alan and Ange are on a train heading for London Alan is a philosophy lecturer still a virgin at fifty five Ange a twenty something horoscope reading darts groupie They certainly don t expect their first casual meeting to lead to anything but it does Seizing the day as they pull into Euston station Alan asks Ange out to dinner and so begins the unlikelyst of liaisons As they get to know each other they are initiated into each other s worlds From the claustrophobic confines of an Oxford College to the heady excitement of a big dart s match from Liebfraumilch to Wittgenstein and everything in between They even travel to Rome seeing many wonderful things as Alan learns to live for the moment and Ange to appreciate the finer things in life But can they survive their differences in age and background Are Alan s feelings the stuff of obsession and infatuation or is this true love And what sort of philosopher is he if

he cannot define and understand love Told through the voice of Alan this touching and hilarious story is much more than a tale about an unlikely couple Ultimately it is a story about the nature of love **Second From Last In The Sack Race** David Nobbs,2014-11-20 Born into poverty saddled with a born loser and parrot strangler for a dad short sighted and ungainly young Henry Pratt doesn't exactly have a head start in life But in David Nobbs's brilliantly funny evocation of a Yorkshire boyhood unathletic and over imaginative little Pratt proves he can stick up for himself with the stoic good nature of the great British underdog Pratt a Manger David Nobbs,2014-11-20 When pretty young TV researcher Nicky Proctor visits Cafe Henry in London's Soho Henry Pratt's life changes forever He becomes an instant star of the TV food quiz A Question of Salt and before long he is given his own series Hooray it's Henry The book of the series reaches Number Two He's a celebrity Henry Ezra Pratt has come a long way from his humble beginnings But as usual in Henry's life things begin to go wrong He incurs the deep hatred of rival celebrity chef Bradley Tompkins with his bad manners bad wig and no Michelin stars A war is waged against him escalating into plots and deceptions which threaten to destroy the reputation and career of the man dubbed The People's Chef It must be Bradley behind all this or must it On the domestic front too there are storms ahead Henry is blissfully happy in his second marriage to Hilary but he is sorely tempted by young Nicky and his lovely co star Sally Can he resist Can he become a real man at last Or will success spoil Henry Pratt for good We last met Henry Pratt in The Cucumber Man Pratt Manger continues the hilarious story of a great British underdog Cucumber Man David Nobbs,2014-11-20 It is 1957 The Suez Crisis has been and gone Henry Pratt has completed his National Service and is putting his unsuccessful career as Thurmarsh's cub journalist behind him Leaving Yorkshire he's taking on a new role and a new challenge working for the Cucumber Marketing Board in Leeds Stumbling through the fifties sixties seventies and eighties Henry Pratt accumulates jobs marriages and children on the way as he embarks on a touching painful and hilarious switchback ride through a divided Britain **Narrating the Management Guru** David Collins,2007-04-25 David Collins a well respected scholar of management gurus proves a critical reappraisal of the very influential work of Tom Peters This volume examines his key works and reviews his detractors offering an analysis of his contributions to the field of management that goes beyond the simple chronological model that has previously been used Collins focuses on the changing narratives of Tom Peters and proposes a four fold narrative typology to explore this guru's evolving account of the business of management The book argues that Peters success as a guru derives from his abilities as a storyteller The author notes a decline in Peters storytelling and an increasing reliance on certain story types Furthermore he observes that this guru now tends to place himself at the centre of his narratives of business and change On the strength of this analysis Collins concludes that Peters has lost the plot and argues that new and more appropriate narratives must be sought and developed Critical and compelling this excellent book is a must read for all students and instructors working across the management spectrum especially in the areas of management organizational behaviour change management and corporate strategy

Pratt Of The Argus David Nobbs, 2014-11-20 Henry Pratt back home from National Service is a man at last As eager to prove it as he is to please he is in at the deep end in his chosen profession cub reporter on the Thurmarsh Evening Argus As trams and typewriters chatter to the echoes of Suez and Hungary Henry finds himself in an exciting if bewildering world His first scoop about a stolen colander is not quite as straightforward as he hopes Misprints and chuckles abound as ever hopeful Henry manages to fall foul both of typesetters and attractive women And in a profession not noted for kindness to the diffident he is as prone to accident as practical jokes Nothing ever goes quite right for Henry So when the scoop of a lifetime finally comes his way it threatens to upset the family and complicate further his ever hopeful love life
