Individuals and Materials in the Greco-Roman Cults of Isis (SET) Valentino Gasparini, Richard Veymiers, 2018-10-16 In Individuals and Materials in the Greco Roman Cults of Isis Valentino Gasparini and Richard Veymiers present a collection of reflections on the individuals and groups which animated one of Antiquity's most dynamic significant and popular religious phenomena the reception of the cults of Isis and other Egyptian gods throughout the Hellenistic and Roman worlds These communities whose members seem to share the same religious identity for a long time have been studied in a monolithic way through the prism of the Cumontian category of the Oriental religions The 26 contributions of this book divided into three sections devoted to the agents their images and their practices shed new light on this religious movement that appears much more heterogeneous and colorful than previously recognized

A Dictionary of Scripture Proper Names J. B. Jackson, 2016-07-17 A Dictionary of Scripture Proper Names is an invaluable resource for anyone seeking to uncover the hidden meanings behind the names in the Bible Author J B Jackson has meticulously researched and analyzed every proper name in the Old and New Testaments tracing each one back to its etymological roots in Hebrew Chaldee Aramaic or Greek The result is a comprehensive guide that provides the literal English equivalent of each name illuminating the rich symbolism and significance behind these sacred appellations Through his exhaustive study Jackson has discovered that many of the existing onomasticographers cannot be relied upon for consistent and accurate renderings of biblical names By discarding their interpretations and returning to the original languages he has crafted a work that is both authoritative and accessible to the English speaking reader Whether you are a scholar a student or simply a curious seeker this dictionary will deepen your understanding of Scripture and enrich your spiritual journey through the Bible

Ecclesiastical Silver Plate in Sixth-century Byzantium Susan A. Boyd, Marlia Mundell Mango, Gary Vikan, 1992 The twenty papers included in this volume were presented at an international symposium held in Baltimore and Washington in May 1986 Planned to coincide with the exhibition of the two largest treasures of Early Byzantine church silver to survive from antiquity the Kaper Koraon Treasure found in Syria and the Sion Treasure found in Turkey the symposium sought to place these and other church treasures in their broader contexts examining them from the point of view of economy history society and manufacture While a number of the papers focus on specific aspects of these two treasures including six articles devoted to the Sion Treasure others examine more general questions regarding silver mining the manufacture of silver vessels the state control of silver in Byzantium and the Sasanian Empire the economic and cultural role of silver objects and the financial power of the institutional church through its vast holdings of silver plate The precedent offered by pagan cult treasures is also examined To ensure a broad interdisciplinary approach the eighteen authors are authorities in the fields of government administration economic history cultural history art history archaeology epigraphy science and conservation
