Revolution and Tradition in People's Poland Joseph R. Fiszman,1972      **Revolution and Tradition in People's Poland** Joseph R. Fiszman,2015-03-08 The postwar political and technological industrial revolutions have brought profound changes to Poland Yet although a generation has now grown up in the Communist ideology the transformation it demands is far from complete Traditional institutions values and patterns of behavior continue to exist and are in daily confrontation with the new regime Education must obviously play a critical role in the process of socialization and teachers are expected to instill in future citizens a thorough commitment to socialist values But how well are they equipped for this task To answer this question Joseph R Fiszman has done extensive field work in Poland sponsored by the U S Office of Education He is the first American citizen permitted to do research of this type in an Eastern European country He has examined all aspects of the teachers lives from social background and training to attitudes values and status in the community His findings are an important contribution to the attempt to understand the process of change in societies where revolutionary values face the entrenched power of tradition Originally published in 1973 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905      **Current Research in Comparative Communism** Lawrence L.
