Revolution In Iran The Politics Of Countermobilization:

Revolution in Iran Jerrold D. Green, 1982 Islam and Revolution in the Middle East Henry Munson, 1988-01-01

Analyzes the role of Islam in Middle Eastern society and politics addresses the differences between the Sunni and Shi'i sects and discusses why an Islamic revolution occurred only in Iran **Politics of the Dispossessed** Hafizullah

Emadi, 2001-08-30 This study provides a comprehensive analysis of state society development in the most volatile region of the world In the Middle East various anti systemic movement and radical Islam often clashed and resisted the political cultural economic and military domination of the region by the world's major imperial powers Emadi investigates state revolution and development in the Middle Eastern states of Afghanistan Iran Iraq and Syria in the immediate post World War II period Maintaining that the state is an instrument of class domination exhibiting a certain degree of autonomy in the creation and design of domestic development programs he details the role of class in an attempt to provide a better understanding of the diverse factors at work Politics of the Dispossessed provides an alternative analysis of development in regional politics and its context in world politics aspects that are generally neglected by most mainstream studies It examines state formation internal development strategies and how class conflict and ideology led to class alliance on an international basis as well as the external interference in the internal affairs of these societies It also explores the process of political and ethnic integration of the Middle East into the global economic system and the resulting counter strategies of the nationalist and Islamic resistance to the increasing superpower domination of the international system *The Iranian Revolution Then And Now* Dariush Zahedi, 2018-02-13 In *The Iranian Revolution Then and Now* Dariush Zahedi assesses the Islamic Republic's potential for revolution through an in depth theoretically informed comparative analysis of the present with 1979 pre Revolutionary Iran Zahedi discusses how the potential for a revolutionary coup is based on two things the inherent defects and vulnerabilities in the regime and the coordinated actions of the social groups and individuals opposed to the regime He also identifies two ideal typical forms of revolutionary change In *The Iranian Revolution Then and Now* Dariush Zahedi assesses the Islamic Republic's potential for revolution through an in depth theoretically informed comparative analysis of the present with 1979 pre Revolutionary Iran Zahedi discusses how the potential for a revolutionary coup is based on two things the inherent defects and vulnerabilities in the regime and the coordinated actions of the social groups and individuals opposed to the regime He also identifies two ideal typical forms of revolutionary change the regime collapses on its own or the regime is overthrown He concludes that the chances for overthrowing the present regime are moderate Politics of Confrontation Babak Ganji, 2006-04-28 Did the United States know more than it acknowledges about growing unrest under the Shah in mid 1970s Iran Have historians of American Iranian relations focused too narrowly on prevailing historical theory and personal recollection In a period of escalating tension between the United States and Iran what can the two nations history of conflict tell us about their diplomatic future Covering Carter's policy from the end of the Shah's reign to the

revolution under Ayatollah Khomeini Babak Ganji explores the nature of their perpetually antagonistic relations and the mistrust and misunderstanding that fuels it **Politics of Confrontation** is a penetrating critique of international relations theory within the historical framework of US Iranian relations as well as a thorough examination of American policy towards Iran It is the first in depth look at documents seized by revolutionary students from the American Embassy during the infamous hostage crisis and debunks the myth that US officials were unaware of the nature of opposition to the Shah or of Soviet influence on senior clerics These findings are an essential addition to the discourse of foreign policy theorists and invaluable for historians of the US Iran and the Cold War

The Making Of Iran's Islamic Revolution Mohsen M Milani, 2018-03-09 In this fully revised and expanded second edition Dr Milani offers new insights into the causes and profound consequences of Iran's Islamic Revolution Drawing on dozens of personal interviews with the officials of the Islamic Republic and on recently released documents he presents a provocative analysis of the dynamics and characteristics of factional politics in Islamic Iran Among the new issues covered are the events leading up to the Teheran hostage crisis Ayatollah Khomeini's life and writings President Rafsanjani's activities against the Shah Rafsanjani's recent reforms Iran's involvement in the Kuwaiti crisis and the domestic and foreign policy challenges facing Iran in the post Cold War era The second edition is specifically revised for use as a text for courses dealing with Iran the Middle East and revolutionary movements

A Century of Revolution John Foran, 1994 This volume offers a much needed look into the historical social and political developments leading up to the Iranian revolution Bringing together a group of scholars historians and social scientists most of them Iranian in origin the book documents an extraordinary revolutionary heritage that predates this century

O'Kane, 2000 All of the major work on the subject of revolutions is collected in this useful set Including work from seminal figures such as Hatto and Gottschalk in the 1940s as well as the most important literature all the way through 1998 the articles reprinted here consider the concept theory and causes of revolution revolutionary state building and the outcomes of revolutions case studies of great revolutions and much more

Intellectual Discourse and the Politics of Modernization Ali Mirsepassi, 2000-10-12 In this thought provoking study Ali Mirsepassi explores the concept of modernity exposing the Eurocentric prejudices and hostility to non Western culture that have characterized its development Focusing on the Iranian experience of modernity he charts its political and intellectual history and develops a new interpretation of Islamic Fundamentalism through the detailed analysis of the ideas of key Islamic intellectuals The author argues that the Iranian Revolution was not a simple clash between modernity and tradition but an attempt to accommodate modernity within a sense of authentic Islamic identity culture and historical experience He concludes by assessing the future of secularism and democracy in the Middle East in general and in Iran in particular A significant contribution to the literature on modernity social change and Islamic Studies this book will be essential reading for scholars and students of social theory and change Middle Eastern Studies Cultural Studies and many related areas

Bazaar and State in Iran Arang

Keshavarzian,2007-04-12 The Tehran Bazaar has always been central to the Iranian economy and indeed to the Iranian urban experience Arang Keshavarzian s fascinating book compares the economics and politics of the marketplace under the Pahlavis who sought to undermine it in the drive for modernisation and under the subsequent revolutionary regime which came to power with a mandate to preserve the bazaar as an Islamic institution The outcomes of their respective policies were completely at odds with their intentions Despite the Shah s hostile approach the bazaar flourished under his rule and maintained its organisational autonomy to such an extent that it played an integral role in the Islamic revolution Conversely the Islamic Republic implemented policies that unwittingly transformed the ways in which the bazaar operated thus undermining its capacity for political mobilisation Arang Keshavarizian s book affords unusual insights into the politics economics and society of Iran across four decades

From Revolution to War Patrick J. Conge,2010-05-25 In the history of international relations few events command as much attention as revolution and war Over the centuries revolutionary transformations have produced some of the most ruinous and bloody wars Nevertheless the breakdown of peace in time of revolution is poorly understood Patrick Conge offers a groundbreaking study of the relationship between war and revolution How can we best understand the effect of revolutionary transformations on the politics of war and peace Conge argues that it is only by bringing in first the organizational capacity of revolutionary regimes to extract resources and convert them into military strength and second the power of transformative ideas to transcend national boundaries and undermine the ability of opposing regimes to compromise that we are best able to understand the effect of revolution on the origins and persistence of war By incorporating such key elements this book provides a new more comprehensive explanation of the relationship between revolution war and peace Conditions that lead to and sustain wars in general are identified and placed in the light of revolutionary transformations Once the argument is presented historical case studies are used to test its plausibility Conge demonstrates the importance of the effect of revolutionary organization and ideas on the outcome of conflicts Political scientists historians sociologists and the general reader interested in the politics of war and peace in revolutionary times are given new perspectives on the relationship between revolution and war as well as on the implications of political organization for military power and the process of consolidation of new regimes Patrick J Conge is Assistant Professor of Political Science University of Arkansas

Judicial Reform and Reorganization in 20th Century Iran Majid Mohammadi,2013-05-13 Iran is now at the center of political and social developments in the Middle East This book examines the reform of the judicial system in 20th century Iran and is the first to relate state building process with rule of law promotion and judicial reform in the region This subject occupies the critical juncture of three developments in the contemporary study of Iranian society as an important and early case of social revolution and reform in the Middle East the state building process in a non Western country throughout the 20th century the incorporation of a non Western Muslim country into the Western legal framework through codification and transplantation 1911 1979 and the Islamicization process after this critical social development and the Islamic Revolution of 1979 This exceptional study furthers our understanding of Iranian modern history as well as the democratization process human rights and rule of law issues in the Middle East

Navigating Iran O. Seliktar,2012-04-23 This book provides the first full account of America s relations with the Islamic Republic of Iran from Jimmy Carter s presidency to Barack Obama s It discusses all major facets of Iranian policy of interest to the United States nuclear proliferation revolutionary export and support for international terrorism efforts to undermine the Israeli Palestinian peace process and violations of human rights It compares developments in Iran to their perception in Washington providing the clearest picture available yet of the discrepancies between the complex and elusive Iranian reality and its understanding in the United States

The Democratization Disconnect Brian K. Grodsky,2016-08-25 The most recent wave of democratic revolutions has convinced many in the West of the triumph of political rights But in this provocative book Brian Grodsky argues forcefully that nothing could be further from the truth Today s revolutionaries both democratic and non democratic are much like those who preceded them throughout history They ve all come into power promising enhanced political but especially economic rights higher wages better living standards more security The difference between today s pro democracy leaders and yesterday s non democratic ones the author demonstrates rests on the perceived international legitimacy of the democratic template Now when even the most abusive regimes feel the need to label themselves democracies opponents delegitimize rulers by calling them undemocratic This sets the stage for what Grodsky calls the democratization disconnect Leaders and followers fight for political change not as an end but as the most acceptable means to attain economic rights But by selling democracy as a panacea for the ills of the preceding regime new elites simultaneously cheapen the notion of democracy and by creating unrealistic popular expectations set it up for failure Putting a fresh new spin on hotly debated current events this clear eyed and informed book will be essential reading for all politically engaged readers
