

Revolution, Religion, and National Identity

Imperial Anglicanism
in British North America,
1745–1795

————— Peter M. Doll —————

Revolution Religion And National Identity

Spencer W. McBride

Revolution Religion And National Identity:

Revolution, Religion, and National Identity Peter M. Doll, 2000 Starting from a discussion of the constitutional and theological basis of the establishment of the Church of England Peter Doll relates how in response to the events of this period a colonial Anglican church establishment changed from a merely theoretical ideal to a cornerstone of post Revolutionary colonial policy in British North America BOOK JACKET

The Episcopalians David Hein, Gardiner H. Shattuck, 2005-08 This book offers a fresh account of the Episcopal Church's rise to prominence in America

Political Economy and Imperial Governance in Eighteenth-Century Britain Heather Welland, 2021-06-15 This book examines the relationship between imperial governance and political economy in eighteenth century Britain particularly in Canada and Ireland It is concerned with the way economic ideology and party politics were mutually constitutive and with the way extra parliamentary interests both facilitated and were co-opted into strategies of governance and commercial regulation Rather than treat political economy as a pre-existing intellectual orthodoxy that shaped imperial policymaking it focuses on the ways in which economic thought was generated in moments of imperial crisis especially those where politicians commercial interest groups and pamphleteer economists were forced to wrestle with the tensions between economic growth political authority and social stability By rooting economic discourse and debate in specific problems of imperial commerce and administration and by highlighting the many different actors and negotiations that produced economic policy it argues that the transition from mercantilism to liberalism the shift from protectionism to free trade is a flawed description of eighteenth century developments in economic thought

Revolution as Reformation Peter C. Messer, William Harrison Taylor, 2021-01-19 Essays that explore how Protestants responded to the opportunities and perils of revolution in the transatlantic age

Revolution as Reformation Protestant Faith in the Age of Revolutions 1688-1832 highlights the role that Protestantism played in shaping both individual and collective responses to revolution These essays explore the various ways that the Protestant tradition rooted in a perpetual process of recalibration and reformulation provided the lens through which Protestants experienced and understood social and political change in the Age of Revolutions In particular they call attention to how Protestants used those changes to continue or accelerate the Protestant imperative of refining their faith toward an improved vision of reformed religion The editors and contributors define faith broadly they incorporate individuals as well as specific sects and denominations and as much of life experience as possible not just life within a given church In this way the volume reveals how believers combined the practical demands of secular society with their personal faith and how in turn their attempts to reform religion shaped secular society The wide-ranging essays highlight the exchange of Protestant thinkers traditions and ideas across the Atlantic during this period These perspectives reveal similarities between revolutionary movements across and around the Atlantic The essays also emphasize the foundational role that religion played in people's attempts to make sense of their world and the importance they placed on harmonizing their ideas about religion and politics

These efforts produced novel theories of government encouraged both revolution and counterrevolution and refined both personal and collective understandings of faith and its relationship to society

Four Steeples Over the City Streets Kyle T. Bulthuis, 2017-04 In the fifty years after the Constitution was signed in 1787 New York City grew from a port town of 30 000 to a metropolis of over half a million residents This rapid development transformed a once tightknit community and its religious experience These effects were felt by Trinity Episcopal Church which had presented itself as a uniting influence in New York that connected all believers in social unity in the late colonial era As the city grew larger more impersonal and socially divided churches reformed around race and class based neighborhoods Trinity s original vision of uniting the community was no longer possible In *Four Steeples over the City Streets* Kyle T Bulthuis examines the histories of four famous church congregations in early Republic New York City Trinity Episcopal John Street Methodist Mother Zion African Methodist and St Philip s African Episcopal to uncover the lived experience of these historical subjects and just how religious experience and social change connected in the dynamic setting of early Republic New York Drawing on a range of primary sources *Four Steeples over the City Streets* reveals how these city churches responded to these transformations from colonial times to the mid nineteenth century Bulthuis also adds new dynamics to the stories of well known New Yorkers such as John Jay James Harper and Sojourner Truth More importantly *Four Steeples over the City Streets* connects issues of race class and gender urban studies and religious experience revealing how the city shaped these churches and how their respective religious traditions shaped the way they reacted to the city Publisher

Envisioning Empire James M. Vaughn, Robert A. Olwell, 2019-11-28 Examining the pivotal period between the end of the Seven Years War and the dawn of the American Revolution *Envisioning Empire* reinterprets the development of the British Empire in the 18th century With exceptional geographical scope this book provides new ways of understanding the actors and events in many imperial arenas including West Africa North America the Caribbean and South Asia While 1763 has long been seen as marking a turning point in British and British colonial history *Envisioning Empire* treats this epochal year and the decade that followed as constituting a discrete moment in Imperial history that is significant in its own right Exploring the programs and plans that sought to incorporate the vast new territories and millions of new subjects into the British state and imperial system it demonstrates how the period between the end of the Seven Years War and the beginning of the American Revolution was one of contested ideas about the future of British overseas expansion By examining these competing imperial visions and designs from the perspective of Britain s new subjects as well as from that of British ministers *Envisioning Empire* both illuminates and complicates the boundaries that have been drawn between the first and second British empires and reveals how the Empire was being conceived discussed and debated during an era of rapid transformation

The Sudden Revolution: The Emergence of Mikhail Gorbachev, the Fall of the Berlin Wall and the End of the Cold War Robinson Roxanne, 2024-09-28 The Cold War defined the latter half of the 20th century and at its center stood two superpowers locked

in an ideological battle for global dominance Yet in an unexpected turn of events the seemingly indestructible Soviet Union crumbled from within leading to the fall of the Berlin Wall and the end of a decades long standoff This book delves deep into this dramatic shift in world history exploring how one man Mikhail Gorbachev ushered in a new era that shaped the global order In this meticulously researched book Robinson takes readers through the critical events that unraveled the Iron Curtain exploring Gorbachev's rise to power his bold reform policies of Glasnost and Perestroika and his diplomatic efforts with world leaders like Ronald Reagan This book provides a riveting narrative of how cracks began to form in the Soviet Bloc leading to the 1989 fall of the Berlin Wall a symbol of division that for nearly 30 years split not only a city but the world Key events such as the nuclear arms race proxy wars and the growing dissent within the Soviet Union are brought into sharp focus offering readers a comprehensive understanding of the Cold War's most crucial moments Additionally the book captures the global reaction to these earth shattering changes from scenes of jubilation in Berlin to the collapse of communist regimes across Eastern Europe and the eventual dissolution of the USSR itself Perfect for history enthusiasts students and anyone fascinated by the intersection of politics diplomacy and human perseverance the book provides fresh insights into the end of the Cold War and the legacy of Gorbachev a man whose vision changed the course of history Discover the events that tore down walls ended an era of conflict and shaped the world we live in today

Violence, Order, and Unrest Elizabeth Mancke, Jerry Bannister, Denis B. McKim, Scott W. See, 2019-05-06 This edited collection offers a broad reinterpretation of the origins of Canada Drawing on cutting edge research in a number of fields Violence Order and Unrest explores the development of British North America from the mid eighteenth century through the aftermath of Confederation The chapters cover an ambitious range of topics from Indigenous culture to municipal politics public executions to runaway slave advertisements Cumulatively this book examines the diversity of Indigenous and colonial experiences across northern North America and provides fresh perspectives on the crucial roles of violence and unrest in attempts to establish British authority in Indigenous territories In the aftermath of Canada 150 Violence Order and Unrest offers a timely contribution to current debates over the nature of Canadian culture and history demonstrating that we cannot understand Canada today without considering its origins as a colonial project

The English National Character Peter Mandler, 2006-01-01 De geschiedenis van opvattingen over het nationale karakter van de Engelsen in de afgelopen twee eeuwen

British North America in the Seventeenth and Eighteenth Centuries Stephen Foster, 2016-11-10 Until relatively recently the connection between British imperial history and the history of early America was taken for granted In recent times however early American historiography has begun to suffer from a loss of coherent definition as competing manifestos demand various reorderings of the subject in order to combine time periods and geographical areas in ways that would have previously seemed anomalous It has also become common place to announce that the history of America is best accounted for in America itself in a three way melee between settlers the indigenous populations and the forcibly transported African slaves

and their creole descendants The contributions to British North America in the Seventeenth and Eighteenth Centuries acknowledge the value of the historiographic work done under this new dispensation in the last two decades and incorporate its insights However the volume advocates a pluralistic approach to the subject generally and attempts to demonstrate that the metropolitan power was of more than secondary importance to America in the seventeenth and eighteenth centuries The central theme of this volume is the question to what extent did it make a difference to those living in the colonies that made up British North America in the seventeenth and eighteenth centuries that they were part of an empire and that the empire in question was British The contributors some of the leading scholars in their respective fields strive to answer this question in various social political religious and historical contexts

The American Church Experience Thomas A. Askew, Richard V. Pierard, 2008-08-06 How did the American church begin and how did it evolve to meet changing needs This readable survey traces the story of Christianity in America beginning with the first settlers who came to the New World seeking religious freedom The book then proceeds to the founding of the United States the Revolution the Civil War and finally the tumultuous decades of the twentieth and early twenty first centuries Along the way the authors show that Christians have played a pivotal role in every significant social movement in America from the abolition of slavery to the push for civil rights They also discuss current topics such as pluralism church state separation and the role of minorities in American churches

The Folly of Revolution S. Scott Rohrer, 2022-03-08 In this penetrating biography of Thomas Bradbury Chandler S Scott Rohrer takes readers deep into the intellectual world of a leading loyalist who defended monarchy rejected rebellion and democracy and opposed the American Revolution Talented hardworking and erudite this Anglican minister from New Jersey possessed one of the Church of England's most outstanding minds Chandler was an Anglican leader in the 1760s and a key strategist in the effort to strengthen the American church in the years preceding the Revolution He headed the campaign to create an Anglican bishopric in America a cause that helped inflame tensions with American radicals unhappy with British policies And in the 1770s his writings provided some of the most trenchant criticisms of the American revolutionary movement raising fundamental questions about obedience subordination and rebellion that undercut Whig assertions about republicanism and popular control Working from Chandler's library catalog and other primary sources Rohrer digs into Chandler's political and religious beliefs exploring their origins and the events in British history that shaped them An intriguing and thoughtful reappraisal of a consequential figure in early American history this biography will captivate students scholars and lay readers interested in politics and religion in Revolutionary era America

The Oxford History of Anglicanism, Volume II Jeremy Gregory, 2017-09-29 The Oxford History of Anglicanism is a major new and unprecedented international study of the identity and historical influence of one of the world's largest versions of Christianity This global study of Anglicanism from the sixteenth century looks at how was Anglican identity constructed and contested at various periods since the sixteenth century and what was its historical influence during the past six centuries It explores not just the ecclesiastical and

theological aspects of global Anglicanism but also the political social economic and cultural influences of this form of Christianity that has been historically significant in western culture and a burgeoning force in non western societies today The chapters are written by international experts in their various historical fields which includes the most recent research in their areas as well as original research The series forms an invaluable reference for both scholars and interested non specialists Volume two of The Oxford History of Anglicanism explores the period between 1662 and 1829 when its defining features were arguably its establishment status which gave the Church of England a political and social position greater than before or since The contributors explore the consequences for the Anglican Church of its establishment position and the effects of being the established Church of an emerging global power The volume examines the ways in which the Anglican Church engaged with Evangelicalism and the Enlightenment outlines the constitutional position and main challenges and opportunities facing the Church considers the Anglican Church in the regions and parts of the growing British Empire and includes a number of thematic chapters assessing continuity and change

Religious Identities in Britain, 1660-1832

Robert G. Ingram, 2017-03-02 Through a series of studies focusing on individuals this volume highlights the continued importance of religion and religious identity on British life throughout the long eighteenth century From the Puritan divine and scholar Roger Morrice active at the beginning of the period to Dean Shipley who died in the reign of George IV the individuals chosen chart a shifting world of enlightenment and revolution whilst simultaneously reaffirming the tremendous influence that religion continued to bring to bear For whilst religion has long enjoyed a central role in the study of sixteenth and seventeenth century British history scholars of religion in the eighteenth century have often felt compelled to prove their subject's worth Sitting uneasily at the juncture between the early modern and modern worlds the eighteenth century has perhaps provided historians with an all too convenient peg on which to hang the origins of a secular society in which religion takes a back seat to politics science and economics Yet as this study makes clear in spite of the undoubted innovations and developments of this period religion continued to be a prime factor in shaping society and culture By exploring important connections between religion politics and identity and asking broad questions about the character of religion in Britain the contributions put into context many of the big issues of the day From the beliefs of the Jacobite rebels to the notions of liberty and toleration to the attitudes to the French Wars the book makes an unambiguous and forceful statement about the centrality of religion to any proper understanding of British public life between the Restoration and the Reform Bill

The Church of England in Loyalist New Brunswick, 1783-1825 Ross N. Hebb, 2004 This study is an investigation of the arrival planting and expansion of the Church of England in Loyalist New Brunswick The obstacles encountered in setting up missions in the frontier both before and after the arrival of Bishop Charles Inglis are documented It is revealed that the origins qualifications zeal and adaptability of the colony's missionaries were key factors in the Church's foundation and success Legislated establishment although British policy proved half hearted and of little benefit in colonial New Brunswick

While imperial attention to colonial religious policy was short lived the continued interest and aid of the Society for the Propagation of the Gospel SPG was crucial inability to fully understand and appreciate the New Brunswick reality the SPG remained the only secure source of clerical income Given the frontier economy SPG funds were critical to the Church but it was in the end the exertions of Bishop Inglis and his small band of former New England missionaries who effected the establishment and long term viability of the Church of England in Loyalist New Brunswick

The British Atlantic World, 1500-1800 David Armitage, Michael J. Braddick, 2009-01-15 This core textbook gathers an international team of historians to present a comprehensive account of the central themes in the histories of Britain British America and the British Caribbean seen in Atlantic perspective This collection of individual essays provides an accessible overview of essential themes such as the state empire migration the economy religion race class gender politics and slavery This new and revised edition brings this text up to date with recent work in the field of Atlantic history and extends its scope to cover themes not treated in the first edition notably the history of science and global history Placing the British Atlantic world in imperial and global contexts this book offers an indispensable survey of one of the liveliest fields of current historical enquiry This text is a primary resource for both undergraduate and postgraduate students of History particularly those taking modules on Early Modern British History Colonial American History Early American History Caribbean History Atlantic History and World History Together the essays also provide a useful starting point for researchers in British American imperial and Atlantic history New to this Edition Updated and expanded to take account of new research Two new essays treating Science and The British Atlantic World in Global Perspective Timeline of British Atlantic history A revised Introduction and updated guides to further reading

The Blackwell Companion to Eastern Christianity Ken Parry, 2010-05-10 THE BLACKWELL COMPANION TO EASTERN CHRISTIANITY Consistently highly readable and engrossing This is an excellent overview of Eastern Christianity Expository Times A masterful description of the major living traditions of Eastern Christianity Its 24 chapters each written by an accomplished scholar in the field address the dominant ethnic and cultural categories of Eastern Christianity Arab Byzantine etc along with their most characteristic features liturgy iconography and hagiography Each offers a concise well organized and highly readable overview of the tradition in question along with a representative bibliography Highly recommended CHOICE Christian emigration not least from the Middle East means that there are growing communities of Eastern Christians in the West Eastern Christians are now companions to Western and the latter will learn much about the former from this Blackwell companion Church Times A distinctive addition to the companion series and to its chosen sphere of knowledge Reference Reviews A worthwhile collection and one that should prove useful Ecclesiastical History Recent political events in the Middle East and Eastern Europe have brought Eastern Christianity to global attention The Blackwell Companion to Eastern Christianity provides an unparalleled account of the history and development of these vital Christian traditions at the same time placing contemporary events in their full context The companion provides

authoritative and lively essays on the main Eastern Orthodox traditions such as the Greek Russian and Georgian churches as well as the Oriental Orthodox traditions including the Armenian Coptic and Syrian churches The in depth articles which are written by an international team of experts offer a comprehensive survey of the history theology doctrine worship art culture and politics that make up the churches of Eastern Christianity The companion can also be used alongside the respected Blackwell Dictionary of Eastern Christianity 1999 providing detailed discussions and assessments to complement the dictionary s shorter entries

Pulpit and Nation Spencer W. McBride, 2017-01-12 In *Pulpit and Nation* Spencer McBride highlights the importance of Protestant clergymen in early American political culture elucidating the actual role of religion in the founding era Beginning with colonial precedents for clerical involvement in politics and concluding with false rumors of Thomas Jefferson s conversion to Christianity in 1817 this book reveals the ways in which the clergy s political activism and early Americans general use of religious language and symbols in their political discourse expanded and evolved to become an integral piece in the invention of an American national identity Offering a fresh examination of some of the key junctures in the development of the American political system the Revolution the ratification debates of 1787 88 and the formation of political parties in the 1790s McBride shows how religious arguments sentiments and motivations were subtly interwoven with political ones in the creation of the early American republic Ultimately *Pulpit and Nation* reveals that while religious expression was common in the political culture of the Revolutionary era it was as much the calculated design of ambitious men seeking power as it was the natural outgrowth of a devoutly religious people

A Companion to the American Revolution Jack P. Greene, J. R. Pole, 2008-04-15 *A Companion to the American Revolution* is a single guide to the themes events and concepts of this major turning point in early American history Containing coverage before during and after the war as well as the effect of the revolution on a global scale this major reference to the period is ideal for any student scholar or general reader seeking a complete reference to the field Contains 90 articles in all including guides to further reading and a detailed chronological table Explains all aspects of the revolution before during and after the war Discusses the status and experiences of women Native Americans and African Americans and aspects of social and daily life during this period Describes the effects of the revolution abroad Provides complete coverage of military history including the home front Concludes with a section on concepts to put the morality of early America in today s context

The National Habitus Marie-Pierre Le Hir, 2014-08-27 Stories about border crossers illegal aliens refugees that regularly appear in the press everywhere point to the crucial role national identity plays in human beings lives today *The National Habitus* seeks to understand how and why national belonging became so central to a person s identity and sense of identity Centered on the acquisition of the national habitus the process that transforms subjects into citizens when a state becomes a nation state the book examines this transformation at the individual level in the case of nineteenth century France Literary texts serve as primary material in this study of national belonging because as Germaine de Sta l pointed out long ago literature has the

unique ability to provide access to inner feelings The term habitus in the title of this book signals a departure from traditional approaches to nationalism a break with the criteria of language race and ethnicity typically used to examine it It is grounded instead in a sociology that deals with the subjective dimension of life and is best exemplified by the works of Norbert Elias 1897 1990 and Pierre Bourdieu 1931 2002 two sociologists who approach belief systems like nationalism from a historical instead of an ethical vantage point By distinguishing between two groups of major French writers three who experienced the 1789 Revolution firsthand as adults Olympe de Gouges Fran ois Ren de Chateaubriand and Germaine de Sta l and three who did not Stendhal Prosper M rim e and George Sand the book captures evolving understandings of the nation as well as thoughts and emotions associated with national belonging over time Le Hir shows that although none of these writers is typically associated with nationalism all of them were actually affected by the process of nationalization of feelings thoughts and habits irrespective of aesthetic preferences social class or political views By the end of the nineteenth century they had learned to feel and view themselves as French nationals they all exhibited the characteristic features of the national habitus love of their own nation distrust and or hatred of other nations By underscoring the dual contradictory nature of the national habitus the book highlights the limitations nation based identities impose on the prospect for peace

The Enigmatic Realm of **Revolution Religion And National Identity**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing in short supply of extraordinary. Within the captivating pages of **Revolution Religion And National Identity** a literary masterpiece penned by way of a renowned author, readers embark on a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting affect the hearts and minds of people who partake in its reading experience.

Revolution Religion And National Identity Introduction

Revolution Religion And National Identity Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Revolution Religion And National Identity Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Revolution Religion And National Identity : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Revolution Religion And National Identity : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Revolution Religion And National Identity Offers a diverse range of free eBooks across various genres. Revolution Religion And National Identity Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Revolution Religion And National Identity Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Revolution Religion And National Identity, especially related to Revolution Religion And National Identity, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Revolution Religion And National Identity, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Revolution Religion And National Identity books or magazines might include. Look for these in online stores or libraries. Remember that while Revolution Religion And National Identity, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Revolution Religion And National Identity eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Revolution Religion And National Identity full book , it can give you a taste of the authors writing

style.Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Revolution Religion And National Identity eBooks, including some popular titles.

FAQs About Revolution Religion And National Identity Books

What is a Revolution Religion And National Identity PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Revolution Religion And National Identity PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Revolution Religion And National Identity PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Revolution Religion And National Identity PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Revolution Religion And National Identity PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
