Russian Democracys Fatal Blunder:

Russian Democracy's Fatal Blunder Louise E. Heenan, 1987-11-13 For one brief period Russia had a democratic government lasting only eight months from February to October 1917 The fatal blunder of this democracy was to force its war weary troops into the summer offensive of 1917 In this comprehensive study Heenan demonstrates how the summer offensive created the right climate for the Bolshevik victory This well written well documented book sheds light on a key episode in the Russian Revolution Students of Russian history East European politics revolution or military affairs will welcome this important book

1917 David Stevenson, 2017-09-29 1917 was a year of calamitous events and one of pivotal importance in the development of the First World War In 1917 War Peace and Revolution leading historian of World War One David Stevenson examines this crucial year in context and illuminates the century that followed He shows how in this one year the war was transformed but also what drove the conflict onwards and how it continued to escalate Two developments in particular the Russian Revolution and American intervention had worldwide repercussions Offering a close examination of the key decisions Stevenson considers Germany's campaign of unrestricted submarine warfare America's declaration of war in response and Britain's frustration of German strategy by adopting the convoy system as well as why paradoxically the military and political stalemate in Europe persisted Focusing on the abdication of Tsar Nicholas II on the disastrous spring offensive that plunged the French army into mutiny on the summer attacks that undermined the moderate Provisional Government in Russia and exposed Italy to national humiliation at Caporetto and on the British decision for the ill fated Third Battle of Ypres Passchendaele 1917 offers a truly international understanding of events The failed attempts to end the war by negotiation further clarify the underlying forces that kept it going David Stevenson also analyses the global consequences of the year's developments showing how countries such as Brazil and China joined the belligerents Britain offered responsible government to India and the Allies promised a Jewish national home in Palestine Blending political and military history and moving from capital to capital and between the cabinet chamber and the battle front the book highlights the often tumultuous debates through which leaders entered and escalated the war and the paradox that continued fighting could be justified as the shortest road towards regaining peace

The Russian Army in the Great War David R. Stone, 2021-09-07 A full century later our picture of World War I remains one of wholesale pointless slaughter in the trenches of the Western front Expanding our focus to the Eastern front as David R Stone does in this masterly work fundamentally alters and clarifies that picture A thorough and thoroughly readable history of the Russian front during the First World War this book corrects widespread misperceptions of the Russian Army and the war in the east even as it deepens and extends our understanding of the broader conflict Of the four empires at war by the end of 1914 the Austro Hungarian Ottoman German and Russian none survived But specific political social and economic weaknesses shaped the way Russia collapsed and returned as a radically new Soviet regime It is this context that Stone's work provides that gives readers a more judicious view of Russia's war on

the home front as well as on the front lines One key and fateful difference in the Russian experience emerges here its failure to systematically and comprehensively reorganize its society for war while the three westernmost powers embarked on programs of total mobilization Context is also vital to understanding the particular rhythm of the war in the east Drawing on recent and newly available scholarship in Russian and in English Stone offers a nuanced account of Russia s military operations concentrating on the uninterrupted sequence of campaigns in the first 18 months of war The eastern empires race to collapse underlines the critical importance of contingency in the complete story of World War I Precisely when and how Russia lost the war was influenced by the structural strengths and weaknesses of its social and economic system but also by the outcome of events on the battlefield By bringing these events into focus and putting them into context this book corrects and enriches our picture of World War I and of the true strengths and weaknesses triumphs and successes of the Russian Army in the Great War *The Cossack Struggle Against Communism, 1917-1945* Brent Muegggenberg, 2020-01-17 The downfall of tsarism in 1917 left the peoples of Russia facing an uncertain future Nowhere were those anxieties felt more than among the Cossacks The steppe horsemen had famously guarded the empire s frontiers stampeded demonstrators in its cities suppressed peasant revolts in the countryside and served as bodyguards to its rulers Their way of life intricately bound to the old order seemed imperiled by the revolution and especially by the Bolshevik seizure of power Many Cossacks took up arms against the Soviet regime providing the anticommunist cause with some of its best warriors as well as its most notorious bandits This book chronicles their decades long campaign against the Bolsheviks from the tumultuous days of the Russian Civil War through the doldrums of foreign exile and finally to their fateful collaboration with the Third Reich [A Companion to the Russian Revolution](#) Daniel Orlovsky, 2020-08-17 A compendium of original essays and contemporary viewpoints on the 1917 Revolution The Russian revolution of 1917 reverberated throughout an empire that covered one sixth of the world It altered the geo political landscape of not only Eurasia but of the entire globe The impact of this immense event is still felt in the present day The historiography of the last two decades has challenged conceptions of the 1917 revolution as a monolithic entity the causes and meanings of revolution are many as is reflected in contemporary scholarship on the subject A Companion to the Russian Revolution offers more than thirty original essays written by a team of respected scholars and historians of 20th century Russian history Presenting a wide range of contemporary perspectives the Companion discusses topics including the dynamics of violence in war and revolution Russian political parties the transformation of the Orthodox church Bolshevism Liberalism and more Although primarily focused on 1917 itself and the singular Revolutionary experience in that year this book also explores time periods such as the First Russian Revolution early Soviet government the Civil War period and even into the 1920 s Presents a wide range of original essays that discuss Brings together in depth coverage of political history party history cultural history and new social approaches Explores the long range causes influence on early Soviet culture and global after life of the Russian Revolution Offers broadly conceived

contemporary views of the revolution largely based on the author's original research Links Russian revolutions to Russian Civil Wars as concepts A Companion to the Russian Revolution is an important addition to modern scholarship on the subject and a valuable resource for those interested in Russian Late Imperial or Soviet history as well as anyone interested in Revolution as a global phenomenon *Historical Dictionary of Russian and Soviet Foreign Policy* Norman E.

Saul, 2014-12-16 The conduct of the foreign relations of the Russian state in its several contexts Kiev Rus Muscovy Russian Empire Provisional Government Union of Soviet Socialist Republics and Russian Federation were unique in its common currents from the beginning to the present Geography was certainly a key factor located in the center of the world's largest land mass and surrounded by often hostile forces All of the Russias had to confront the problems of open frontiers and the conduct of relations with a number of adjacent states of different ethnicity and with many that were more distant No other nation states had to face such complex and divergent circumstances over their histories Most other Great Powers were neighbors of similar states in culture and historical background whereas Russia had to deal with Asian as well as European countries The Historical Dictionary of Russian and Soviet Foreign Policy covers the history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 700 cross referenced entries on important individuals events and other aspects of the foreign policy of this important country This book is an excellent access point for students researchers and anyone wanting to know more about Russian foreign policy The Deluge Adam

Tooze, 2015-12 A searing and highly original analysis of the First World War and its anguished aftermath from the prizewinning economist and author of *Shutdown Crashed* and *The Wages of Destruction* Winner of the Los Angeles Times Book Prize History Finalist for the Kirkus Prize Nonfiction In the depths of the Great War with millions dead and no imaginable end to the conflict societies around the world began to buckle The heart of the financial system shifted from London to New York The infinite demands for men and material reached into countries far from the front The strain of the war ravaged all economic and political assumptions bringing unheard of changes in the social and industrial order A century after the outbreak of fighting Adam Tooze revisits this seismic moment in history challenging the existing narrative of the war its peace and its aftereffects From the day the United States enters the war in 1917 to the precipice of global financial ruin Tooze delineates the world remade by American economic and military power Tracing the ways in which countries came to terms with America's centrality including the slide into fascism *The Deluge* is a chilling work of great originality that will fundamentally change how we view the legacy of World War I *Stalin* Stephen Kotkin, 2015-10-13 In his biography of Stalin

Kotkin rejects the inherited wisdom about Stalin's psychological makeup showing us instead how Stalin's near paranoia was fundamentally political and closely tracks the Bolshevik revolution's structural paranoia the predicament of a Communist regime in an overwhelmingly capitalist world surrounded and penetrated by enemies At the same time Kotkin posits the impossibility of understanding Stalin's momentous decisions outside of the context of the history of imperial Russia *The*

Splintered Empires Prit Buttar, 2017-09-21 At the beginning of 1917 the three empires fighting on the Eastern Front were reaching their breaking points but none was closer than Russia After the February Revolution Russia's ability to wage war faltered and her last desperate gamble the Kerensky Offensive saw the final collapse of her army This helped trigger the Bolshevik Revolution and a crippling peace but the Central Powers had no opportunity to exploit their gains and a year later both the German and Austro-Hungarian empires surrendered and disintegrated Concluding his acclaimed series on the Eastern Front in World War I Prit Buttar comprehensively details not only these climactic events but also the successor wars that raged long after the armistice of 1918 New states rose from the ashes of empire and war raged as German forces sought to keep them under the aegis of the Fatherland These unresolved tensions between the former Great Powers and the new states would ultimately lead to the rise of Hitler and a new terrible world war only two decades later [They Fought for the Motherland](#) Laurie S. Stoff, 2006-11-15 Women have participated in war throughout history but their experience in Russia during the First World War was truly exceptional Between the war's beginning and the October Revolution of 1917 approximately 6 000 women answered their country's call as the army was faced with insubordination and desertion in the ranks while the provisional government prepared for a new offensive These courageous women became media stars throughout Europe and America but were brushed aside by Soviet chroniclers and until now have been largely neglected by history Laurie Stoff draws on deep archival research into previously unplumbed material including many first person accounts to examine the roots motivations and legacy of these women She reveals that Russia was the only nation in World War I that systematically employed women in the military marking the first time that a government run by men had organized women for combat And although they were originally envisioned as propaganda promoting patriotism and citizenship to inspire the thousands of males who had been deserting or refusing to fight Russian women also proved themselves more than capable in combat Describing the formation provisioning and training of the units Stoff sheds light on their social and educational backgrounds while recounting a number of amazing individual stories She tells how Maria Bochkareva commander of the First Russian Women's Battalion of Death and her unit met its baptism of fire in combat and how Bochkareva later traveled to the U S and met President Wilson Within these pages we also meet Maria Bocharnikova who served with the First Petrograd Women's Battalion that defended the Winter Palace during the Bolshevik Revolution and whose detailed account of her experience dispels much of the misinformation concerning that storied event Stoff also chronicles the exploits of the Second Moscow Women's Battalion of Death Third Kuban Women's Shock Battalion and the First Women's Naval Detachment all within the context of Russian society the Revolution and the war itself Enhancing and informing this presentation are more than two dozen historic photos Stoff's remarkable account rescues from oblivion an important but still little known aspect of Russia's experience in World War I It also provides new insights into gender roles during a pivotal period of Russia's development and more broadly speaking resonates with the current debates over the role

of women in warfare

The Dream that Failed Walter Laqueur, 1996-02-15 Walter Laqueur has been hailed as one of our most distinguished scholars of modern European history in the New York Times Book Review Robert Byrnes writing in the Journal of Modern History called him one of the most remarkable men in the Western world working in the field Over a span of three decades in books ranging from Russia and Germany to the recent Black Hundred he has won a reputation as a major writer and a provocative thinker Now he turns his attention to the greatest enigma of our time the rise and fall of the Soviet Union In *The Dream that Failed* Laqueur offers an authoritative assessment of the Soviet era from the triumph of Lenin to the fall of Gorbachev In the last three years decades of conventional wisdom about the U S S R have been swept away while a flood of evidence from Russian archives demands new thinking about old assumptions Laqueur rises to the challenge with a critical inquiry conducted on a grand scale He shows why the Bolsheviks won the struggle for power in 1917 how they captured the commitment of a young generation of Russians why the idealism faded as Soviet power grew how the system ultimately collapsed and why Western experts have been so wrong about the Communist state Always thoughtful and incisive Laqueur reflects on the early enthusiasm of foreign observers and Bolshevik revolutionaries then takes a piercing look at the totalitarian nature of the Soviet Union We see how Communist society stagnated during the 1960s and 70s as the economy wobbled to the brink we also see how Western observers from academic experts to CIA analysts made wildly optimistic estimates of Moscow's economic and political strength Just weeks before the U S S R disappeared from the earth scholars were confidently predicting the survival of the Soviet Union But in underscoring the rot and repression he also notes that the Communist state did not necessarily have to fall when it did and he examines the many factors behind the collapse the pressure from Reagan's Star Wars arms program for instance and ethnic nationalism Some of these same problems he finds continue to shape the future of Russia and the other successor states Only now in the rubble of this lost empire are we coming to grips with just how wrong our assumptions about the U S S R had been In *The Dream That Failed* an internationally renowned historian provides a new understanding of the Soviet experience from the rise of Communism to its sudden fall The result of years of research and reflection it sheds fresh light on a central episode in our turbulent century

The Czecho-Slovak Struggle for Independence, 1914-1920 Brent Mueggenberg, 2014-09-06 The calamity of World War I spawned dozens of liberation movements among ethnic and religious groups throughout the world None was more successful in realizing the goal of self determination than the Czechs and Slovaks From its humble beginning the Czecho Slovak liberation movement grew into an impressive struggle that was waged from the capitals of Western Europe to the frozen steppes of Siberia Its ranks included exiled propagandists war prisoners turned legionaries and conspirators inside Austria Hungary This book shows how these groups overcame their estrangements and coordinated their efforts to win independence for their homeland It also examines the consequences of the Czecho Slovaks achievements including their entanglement in the Russian Civil War and their impact on the postwar settlements that redrew the political boundaries of

Central Europe Scripting Revolution Keith Michael Baker, Dan Edelstein, 2015-10-07 The Arab Spring was heralded and publicly embraced by foreign leaders of many countries that define themselves by their own historic revolutions The contributors to this volume examine the legitimacy of these comparisons by exploring whether or not all modern revolutions follow a pattern or script Traditionally historians have studied revolutions as distinct and separate events Drawing on close familiarity with many different cultures languages and historical transitions this anthology presents the first cohesive historical approach to the comparative study of revolutions This volume argues that the American and French Revolutions provided the genesis of the revolutionary script that was rewritten by Marx which was revised by Lenin and the Bolshevik Revolution which was revised again by Mao and the Chinese Communist Revolution Later revolutions in Cuba and Iran improvised further This script is once again on display in the capitals of the Middle East and North Africa and it will serve as the model for future revolutionary movements **The French Revolutionary Tradition in Russian and Soviet Politics, Political Thought, and Culture** Jay Bergman, 2019 The Bolsheviks sought legitimacy and inspiration in historic revolutionary traditions and Jay Bergman argues that they saw the revolutions in France in 1789 1830 1848 and 1871 as supplying practically everything Marxism lacked including guidance in constructing socialism and communism and useful fodder for political and personal polemics **Researching World War I** Robin Higham, Dennis Showalter, 2003-12-30 World War I was the greatest cataclysm Europe had ever known directly involving 61 million troops from 16 nations Yet the history of the war and the reasons it started and spread so rapidly were vastly more complex than the players realized Written by highly respected authorities this book discusses the literature on all aspects of the war making it an excellent starting point for anyone seeking guidance to the immense and often daunting body of World War I literature The struggle mobilized manpower from home troops from the colonies abroad and in most countries women as well as men Governments increasingly intervened in everyday life New weapons and organizational structures were developed Yet the history of the war and the reasons it started and spread so rapidly were vastly more complex than the players realized Written by highly respected authorities this book discusses the literature on all aspects of the war Dennis Showalter's opening chapter covers the controversial issue of the war's origins a complex subject that has been much debated by historians Ensuing chapters consider the literature on each of the participating countries The broader subjects of the war at sea and the war in the air are also covered Daniel Beaver's final chapter discusses the mobilization of industry and the new military technology This book is an excellent starting point for anyone seeking guidance to the immense and often daunting body of World War I literature

Historical Dictionary of United States-Russian/Soviet Relations Norman E. Saul, 2008-11-18 For more than 200 years the United States and Russia have shared a multi faceted relationship Because of the rise of power the two countries enjoyed in the late 19th and through the 20th century Russian American relations have dominated much of recent world history Prior to World War II the two countries had relatively friendly contacts in culture commerce and diplomacy however as they

contested for supremacy during the Cold War relations turned hostile and competitive With the apparent end of the Cold War with the collapse of the Soviet Union and of communism in 1991 the relationship continues to evolve and the future looks uncertain but promising The Historical Dictionary of United States Russian Soviet Relations identifies the key issues individuals and events in the history of U S Russian Soviet relations and places them in the context of the complex and dynamic regional strategic political and economic processes that have fashioned the American relationship with Russia This is done through a chronology a bibliography an introductory essay and several hundred cross referenced dictionary entries on key persons places events institutions and organizations

The Great War Ian F. W. Beckett, 2014-01-14 The course of events of the Great War has been told many times spurred by an endless desire to understand the war to end all wars However this book moves beyond military narrative to offer a much fuller analysis of the conflict s strategic political economic social and cultural impact Starting with the context and origins of the war including assassination misunderstanding and differing national war aims it then covers the treacherous course of the conflict and its social consequences for both soldiers and civilians for science and technology for national politics and for pan European revolution The war left a long term legacy for victors and vanquished alike It created new frontiers changed the balance of power and influenced the arts national memory and political thought The reach of this account is global showing how a conflict among European powers came to involve their colonial empires and embraced Japan China the Ottoman Empire Latin America and the United States

Instrument of War Dennis Showalter, 2016-11-17 Drawing on more than a half century of research and teaching Dennis Showalter presents a fresh perspective on the German Army during World War I Showalter surveys an army at the heart of a national identity driven by yet also defeated by warfare in the modern age which struggled to capitalize on its victories and ultimately forgot the lessons of its defeat Exploring the internal dynamics of the German Army and detailing how the soldiers coped with the many new forms of warfare Showalter shows how the army s institutions responded to and how Germany itself was changed by war Detailing the major campaigns on the Western and Eastern fronts and the forgotten war fought in the Middle East and Africa this comprehensive volume examines the army s operational strategy the complexities of campaigns of movement versus static trench warfare and the effects of changes in warfare

Defenders of the Motherland Matthew Rendle, 2010 Matthew Rendle studies how the most powerful social groups in tsarist Russia reacted to the challenges of 1917 He argues that the alienation of elites from the tsar and their support for the Provisional Government secured the initial success of the revolution but the threat they posed laid the foundations of the repressive Soviet regime

The Military History of Tsarist Russia F. Kagan, R. Higham, 2016-04-30 The Military History of Tsarist Russia examines Russian military history from the rise of the Muscovite state to the present even peeking briefly into the future The volume covers Russia s land forces extensively but also covers the development of the Russian Navy and the creation and development of the Russian Air Force parts of the Russian military machine that are frequently neglected in general writings

The historical analysis addresses the development and function of the Russian military whether in peace or in war as well as the impact of war and changes in the military upon Russian society and politics Questions of military organization doctrine and technique are paramount as well as the critical question of the interface between the armed forces and society

Russian Democracys Fatal Blunder Introduction

In the digital age, access to information has become easier than ever before. The ability to download Russian Democracys Fatal Blunder has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Russian Democracys Fatal Blunder has opened up a world of possibilities. Downloading Russian Democracys Fatal Blunder provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Russian Democracys Fatal Blunder has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Russian Democracys Fatal Blunder. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Russian Democracys Fatal Blunder. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Russian Democracys Fatal Blunder, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Russian Democracys Fatal Blunder has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Russian Democracys Fatal Blunder Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Russian Democracys Fatal Blunder is one of the best book in our library for free trial. We provide copy of Russian Democracys Fatal Blunder in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Russian Democracys Fatal Blunder. Where to download Russian Democracys Fatal Blunder online for free? Are you looking for Russian Democracys Fatal Blunder PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Russian Democracys Fatal Blunder. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Russian Democracys Fatal Blunder are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Russian Democracys Fatal Blunder. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Russian Democracys Fatal Blunder To get started finding Russian Democracys Fatal Blunder, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Russian Democracys Fatal

Blunder So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Russian Democracys Fatal Blunder. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Russian Democracys Fatal Blunder, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Russian Democracys Fatal Blunder is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Russian Democracys Fatal Blunder is universally compatible with any devices to read.
