Russian For Americans

**William Benton Whisenhunt, Norman E.
Saul**

Russian For Americans:

Russian for Americans Ben T. Clark, 1967 Russian Americans Nichol Bryan, 2010-09-01 Provides information on the history of Russia and on the customs language religion and experiences of Russian Americans **'Russian Americans' in Soviet Film** Marina L. Levitina, 2015-09-29 Certain aspects of American popular culture had a formative influence on early Soviet identity and aspirations Traditionally Soviet Russia and the United States between the 1920s and the 1940s are regarded as polar opposites on nearly every front Yet American films and translated adventure fiction were warmly received in 1920s Russia and partly shaped ideals of the New Soviet Person into the 1940s Cinema was crucial in propagating this new social hero While open admiration of American film stars and heroes of literary fiction in the Soviet press was restricted from the late 1920s onwards many positive heroes of Soviet Socialist Realist films in the 1930s and 1940s were partially a product of Soviet Americanism of the previous decade Some of the new Soviet heroes in films of the 1930s and 1940s possessed traits noticeably evocative of the previously popular American film stars such as Douglas Fairbanks Pearl White and Mary Pickford Others cinematically represented the contemporary trope of the Russian American an ideal worker exemplifying the Stalinist marriage of Russian revolutionary sweep with American efficiency Russian Americans in Soviet Film analyses the content reception and underlying influences of over 60 Soviet and American films the book explores new territory in Soviet cinema and Soviet American cultural relations It presents groundbreaking archival research encompassing Soviet audience surveys Soviet film journals and reviews memoirs and articles by Soviet filmmakers and scripts among other sources The book reveals that values of optimism technological skill efficiency and self reliance perceived as quintessentially American were incorporated into new Soviet ideals through channels of cross cultural dissemination resulting in cultural synthesis **Russian-American Dialogue on Cultural Relations, 1776-1914** Norman E. Saul, Richard D. McKinzie, 1997 Russian American Dialogue on Cultural Relations 1776 1914 the third volume in the Russian American Dialogues series provides English translations of the best Russian scholarship on cultural relations Each essay originally appeared as an article in the former Soviet Union Five issues are discussed the contributions that each country made to the cultural life of the other the correspondence and interactions between scientists writers and others from the two nations the development of public perceptions and how these changed over time the American focus in Russian periodicals during the nineteenth century and the significant roles of Russians and the Russian presence in American history The Russian articles on each of these subjects are followed by comments from American historians The articles by the Russian scholars make extensive use of and liberally cite material from Russian archives and publications As a result they provide American readers with new scientific exchanges personalities and points of view The result is a plethora of new material for Western historians of Russia as well as of the United States The book provides an opportunity for scholars to examine more thoroughly the relevant issues of Russian American cultural relations An important scholarly contribution Russian American Dialogue on Cultural Relations 1776 1914

brings a new dimension to the relationship between the United States and Russia before 1914 It will be of interest not only to historians of this period but to all historians and students of international cultural relations *New Perspectives on Russian-American Relations* William Benton Whisenhunt, Norman E. Saul, 2015-08-14 *New Perspectives on Russian American Relations* includes eighteen articles on Russian American relations from an international roster of leading historians Covering topics such as trade diplomacy art war public opinion race culture and more the essays show how the two nations related to one another across time from their first interactions as nations in the eighteenth century to now Instead of being dominated by the narrative of the Cold War *New Perspectives on Russian American Relations* models the exciting new scholarship that covers more than the political and diplomatic worlds of the later twentieth century and provides scholars with a wide array of the newest research in the field *Transnational Russian-American Travel Writing* Margarita Marinova, 2012-05-22 In this study Marinova examines the diverse practices of crossing boundaries tactics of translation and experiences of double and multiple political and national attachments evident in texts about Russo American encounters from the end of the American Civil War to the Russian Revolution of 1905 Marinova brings together published writings archival materials and personal correspondence of well or less known travelers of diverse ethnic backgrounds and artistic predilections from the quintessential American Mark Twain to the Russian Jewish ethnographer and revolutionary Vladimir Bogoraz from masters of realist prose such as the Ukrainian born Vladimir Korolenko and the Jewish Russian American Abraham Cahan to romantic wanderers like Edna Proctor Isabel Hapgood or Grigorii Machtet By highlighting the reification of problematic stereotypes of ethnic and racial difference in these texts Marinova illuminates the astonishing success of the Cold War period's rhetoric of mutual hatred and exclusion and its continuing legacy today **Studies in Russian-American Commerce 1820-1860** Walther Kirchner, 2023-11-27 *The Catacazy Affair and the Uneasy Path of Russian-American Relations* Lee A. Farrow, 2021-09-09 Constantin Catacazy whipped up scandal in Washington after his appointment there as Russian Ambassador in 1869 ignoring diplomatic protocol and defying social mores By 1871 President Grant and his Cabinet requested that he be recalled But the timing of this request overlapped with the visit of the tsar's son to the USA a celebrated diplomatic event symbolising the friendship and good will between the two nations Consequently Catacazy was allowed to travel with the tsar's son but only as a persona non grata This tense resolution led many to worry about the future of the Russian American friendship With a keen sense of the human interest Lee A Farrow demonstrates that this affair was one of the earliest significant complications in the relationship between Russia and the USA Using a lively micro historical approach and fresh materials such as the letters of Catacazy and of Secretary of State Hamilton Fish from archives in the USA UK and Russia Farrow explores 19th century politics and diplomacy and the pre suffrage power of women in the political arena through an investigation of the Washington wives reactions to the controversial figure of Olga Catacazy The result is a cutting edge analysis of this pivotal episode in modern history *A Russian American Photographer in Tlingit Country*

Sergei Kan,2014-06-17 This book is a rich record of life in small town southeastern Alaska in the late 1800s and early 1900s It is the first book to showcase the photographs of Vincent Soboleff an amateur Russian American photographer whose community included Tlingit Indians from a nearby village as well as Russian Americans so called Creoles who worked in a local fertilizer factory Using a Kodak camera Soboleff the son of a Russian Orthodox priest documented the life of this multiethnic parish at work and at play until 1920 Despite their significance few of Soboleff s photographs have been published since their discovery in 1950 Anthropologist Sergei Kan rectifies that oversight in *A Russian American Photographer in Tlingit Country* which brings together more than 100 of Soboleff s striking black and white images Combining Soboleff s photographs with ethnographic fieldwork and archival research Kan brings to life the communities of Killisnoo where Soboleff grew up and Angoon the Tlingit village The photographs gathered here depict Russian Creoles Euro Americans the operation of the Killisnoo factory and the daily life of its workers But Soboleff s work is especially valuable as a record of Tlingit life As a member of this multiethnic community he was able to take unusually personal photographs of people and daily life Soboleff s photographs offer candid and intimate glimpses into Tlingit people s then new economic pursuits such as commercial fishing selling berries and making Indian curios to sell to tourists Other images show white Creole and Native factory workers rubbing shoulders while keeping a certain distance during leisure time Kan offers readers historians and photography lovers a beautiful visual resource on Tlingit and Russian American life that shows how the two cultures intertwined in southeastern Alaska at the turn of the past century

Bulletin of the Russian Information Bureau in the U.S. Russian Information Bureau,1920 **Records of the Russian-American Company** Raymond Henry Fisher,1971 Russian Soviets and the American Socialist Labor Party Socialist Labor Party,1921 *The Russian Review* Leo Pasvolksy,1917 **Library of Congress Subject Headings** Library of Congress,2013 Transcultural Nursing - E-Book Joyce Newman Giger,Yolanda M. Powell-Young,2024-05-20 Selected for 2025 Doody s Core Titles in Community Health Provide quality care for clients from culturally diverse backgrounds Transcultural Nursing 9th Edition shows you how to apply assessment and intervention strategies to individuals from a variety of different cultures Based on Giger and Davidhizer s unique transcultural model this text helps you deliver culturally sensitive care with use of the six key aspects of cultural assessment communication time space social organization environmental control and biologic variations Practical real world coverage shows how an understanding of cultural variations and individual patient needs will help you promote safe and effective care UPDATED Content throughout reflects the latest research and thinking related to transcultural nursing as well as updated Census data UPDATED Cultural chapters reflect the shifting experiences of cultural groups in our society NEW Jamaican Americans chapter addresses the unique cultural and healthcare needs of this population UNIQUE Individual chapters on the six key aspects of cultural assessment allow you to also apply the Transcultural Assessment Model to cultures not covered in the text Twenty four chapters on specific cultural groups apply this assessment model to the clients

most commonly encountered in United States healthcare settings Case studies and critical decision making questions in each chapter help you apply the assessment framework in practice Client care plans in culture specific chapters demonstrate how to apply principles to specific client needs Coverage includes information on biological differences among individuals of different racial groups differences in drug interaction and metabolism specific to various ethnic groups and clustering of certain pathologies in specific racial groups Discussions of spirituality throughout the text present a holistic approach to culture and beliefs that provides a more integrated approach to assessment Review questions in each chapter with answers found in the back of the text help reinforce knowledge Russian-American Dialogue on the History of U.S. Political Parties

Joel H. Silbey,2000 *Russian American Dialogue on the History of U S Political Parties* is the fourth volume in the *Russian American Dialogues* series a series that brings together scholars in the former Soviet Union and the United States who share an interest in the study of America s heritage and its importance to contemporary Russia In this valuable work Russian scholars such as N V Sivachev Alexander S Manykin and Vladimir V Sogrin examine the history of American political parties and the role they played across two centuries The Russians draw their own conclusions about the durability of the two party system giving careful consideration to historical crises the secessionist movement and the Civil War the reform era of the Populists and Progressives at the turn of the twentieth century the Great Depression and the New Deal in which the two party structure was tested Russian perspectives are also applied in analyzing the evolution of particular parties from the rise and fall of the nineteenth century Whigs to the shifting balance between twentieth century Democrats and Republicans The dialogue is then developed through commentaries by American historians such as Allan G Bogue and Theodore J Lowi and through counter responses often strongly expressed by the Russian authors This lively exchange of ideas helps advance an understanding of key aspects of American party history and offers thought provoking discussions of comparative international studies and historiography Because the book provides unique perspectives on the American partisan experience by non American specialists it will be welcomed by all historians as well as by anyone with an interest in the American Russian connection *Russian-American Dialogue on the American Revolution* Gordon S. Wood,Louise G. Wood,1995

Nine prominent modern Russian historians present essays on the American Revolution US historians comment on the essays and the Russians respond to the critiques sometimes quite strongly The Russians discuss topics similar to those considered by Americans such as the politics of the Continental Congress the Articles of Confederation Shay s rebellion and the ideas and actions of the Founding Fathers but often apply Marxist principles that smell bad to the Americans Annotation copyright by Book News Inc Portland OR **American Globe** ,1917 Dun's Review ,1915 Reports of the Department of Commerce 1913-20 United States. Dept. of Commerce,1920
