Russian Genre Painting in the Nineteenth Century Rosalind Polly Blakesley, 2000 This book addresses the little studied area of Russian genre painting in the first three quarters of the nineteenth century Rosalind Gray begins by examining artistic patronage and published texts which engaged with the visual arts in order to illustrate the context in which Russian artists were working Five major painters Venetsianov Bryullov Ivanov Fedotov and Perov are then discussed in detail Dr Gray identifies the vital contribution which these artists made to Russian intellectual life as genre painting was appropriated as a medium in the dissemination of popular values and social change At the same time the relationship between Russian and European art is explored The book demonstrates that far from being a self contained movement Russian genre painting instead engaged in a fluid and complex dialogue with the art of the

West Russian and Soviet Views of Modern Western Art, 1890s to Mid-1930s Ilia Dorontchenkov, 2009-06-10 From the first Modernist exhibitions in the late 1890s to the Soviet rupture with the West in the mid 1930s Russian artists and writers came into wide contact with modern European art and ideas Introducing a wealth of little known material set in an illuminating interpretive context this sourcebook presents Russian and Soviet views of Western art during this critical period of cultural transformation The writings document complex responses to these works and ideas before the Russians lost contact with them almost entirely Many of these writings have been unavailable to foreign readers and until recently were not widely known even to Russian scholars Both an important reference and a valuable resource for classrooms the book includes an introductory essay and shorter introductions to the individual sections *The History of the Discovery and Study of Russian Medieval Painting* Gerol'd I. Vzdornov, 2017-11-20 This is the first study in any language to trace the emergence of the art historical interest in icon painting in the nineteenth century with its evident impact on the course of Russian modernism in the twentieth century Given the surge in popularity of the Russian avant garde a book devoted to the gradual awareness of the artistic value of icons and their effect on Russian aesthetics is timely The discoveries the false starts the incompetence the interaction of dilettantes and academics the meddling of tsars and church officials all make for a fascinating tale of growing cultural awareness It is a story that prepares the ground for the explosion of Russian cultural creativity and acceptability in the early twentieth century Paintings from Private Collections, 18th to 20th Century, Leningrad/St. Petersburg , 1993
