Russian Politics in Transition Nikolai Ivanovich Biryukov, Victor Sergeyev, Viktor Mikhailovich Sergeev, 1997 An account of Russian politics from the days of Perestroika to the disintegration of the USSR The author s look at the rise and fall of the first Russian parliament and the conflicts between the new Russian parliament particularly between the executive and the legislative

Russian Politics in Transition Joan DeBardeleben, 1997 The text focuses on the construction of political institutions changes in culture and society and the politics of economic reform since the country achieved independence in 1991 The author s dual focus on both historical background and contemporary developments offers students a useful context for understanding the events in Russia today as they relate to the pre revolutionary Soviet and Perestroika periods of Russian history

Russian Politics in Transition Jan Åke Dellenbrant, Oleg A. Andreev, 1995

Russia--lost in Transition Lilia Shevtsova, 2007 Russian history is first and foremost a history of personalized power As Russia startles the international community with its assertiveness and faces both parliamentary and presidential elections Lilia Shevtsova searches the histories of the Yeltsin and Putin regimes She explores within them conventional truths and myths about Russia paradoxes of Russian political development and Russia s role in the world Russia Lost in Transition discovers a logic of government in Russia a political

regime and the type of capitalism that were formulated during the Yeltsin and Putin presidencies and will continue to dominate Russia's trajectory in the near term Looking forward as well as back Shevtsova speculates about the upcoming elections as well as the self-perpetuating system in place the legacies of Yeltsin and Putin and how it will dictate the immediate political future She also explores several scenarios for Russia's future over the next decade *Russian Politics* Zoltan D. Barany, Robert G. Moser, 2001-08-27 What went wrong in Russia's decade-old post-communist transition A group of leading young scholars answer this question by offering assessments of five crucial political arenas during the Yeltsin era elections executive legislative relations interactions between the central state and the regions economic reforms and civil military relations All of the contributors recognize that adverse historical legacies have complicated Russian democratization They challenge structural explanations that emphasize constraints of the pre-existing system however and concentrate instead on the importance of elite decisions and institution building The authors agree that elites' failure to develop robust political institutions has been a central problem of Russia's post-communist transition The weakness of the state and its institutions has contributed to a number of serious problems threatening democratic consolidation These include the tensions between the executive and the legislature the frail infrastructure for successful market reform and the absence of proper civilian control over the armed forces **Russia in Transition** David Lane, 2014-09-25 An accessible book covering the momentous changes that have occurred and are still occurring since the fall of the USSR in 1989 Contributions from an impressive collection of authors are drawn from the most recent and original research available and address political and social issues which impact on all levels of Russian society The book consists of a selection of specially commissioned pieces which have evolved from the conference of the same name held at Cambridge University in December 1994 Regional Russia in Transition Jeffrey W. Hahn, 2001-10-25 From the John Holmes Library collection Inside Russian Politics Edwin Bacon, 2017-09-26 Inside Russian Politics is an intelligent critical and engaging account of the realities of contemporary Russian politics It is distinctive in widening our view of Russia beyond the standard account of global power plays and resurgent authoritarian menace Putin matters but he is not Russia Russian military adventurism has had a major effect on contemporary international affairs but assessing its aims and projecting future intentions and impacts requires analysis within a context deeper than the stock Cold War renewed story The holistic approach of this book facilitates our understanding of power politics in and beyond the Kremlin and of Russian policy on the international stage Revealing the Russia beyond Moscow and the central figures around Putin Edwin Bacon focuses on Russia's political present not to ignore the past but to move beyond cliché and misleading historical analogy to reveal the contemporary and future concerns of Russia's current generation of politicians **Developments in Russian Politics 5** Stephen White, Alex Pravda, Zvi Y. Gitelman, 2001 Russia has a new parliament and a new president and the shape of its future political life remains uncertain Taking the elections of 1999 and 2000 as their starting point the contributors to Developments in Russian Politics 5 describe

the institutional framework of the post Yeltsin system and examine the policy choices that confront the Putin administration This completely revised edition includes new discussions of such topics as media and political communication crime and corruption and Russia's continuing search for a national idea Other sections cover elections and electoral procedures parties and organized interests as well as economic social and foreign policy Written by leading scholars from both sides of the Atlantic *Developments in Russian Politics 5* will replace earlier editions as the leading text for students of Russia and for a wider group of readers seeking a reliable and up to date introduction to the politics of the world's largest country

The International Politics of Eurasia: v. 8: Economic Transition in Russia and the New States of Eurasia S. Frederick Starr, Karen Dawisha, 2016-09-17 First Published in 1996 This ambitious ten volume series develops a comprehensive analysis of the evolving world role of the post Soviet successor states Each volume considers a different factor influencing the relationship between internal politics and international relations in Russia and in the western and southern tiers of newly independent states The contributors were chosen not only for their recognized expertise but also to ensure a stimulating diversity of perspectives and a dynamic mix of approaches This is Volume 8 *Economic Transition in Russia and the New States of Eurasia*

Russia in Transition N. G. Bugeuli, 1997 *Russia In Transition Left Right Or Center* *Russian Government and Politics* Eric Shiraev, 2020-10-06 Few countries have been transformed as rapidly and dramatically as Russia since the end of the Communist regime Yet the more that certain things change in Russia the more others remain the same The result is a political and social system of which almost every aspect is a work in progress marked by sudden accelerations slowdowns turnarounds and conundrums This lively and innovative third edition provides a clear and comprehensive picture of Russian politics which does full justice to its changes challenges and paradoxes A distinctive feature throughout is its emphasis on outlining basic facts and developments and setting these in historical contexts before moving on to critical analysis This is the ideal text for upper level undergraduate and postgraduate students studying Russian politics or comparative government and politics more broadly New to this Edition Fully updated to cover the latest developments including 2018's presidential election Two chapters offering expanded coverage of foreign policy which better balances coverage of domestic and international affairs New content on elections presidential power constitutional amendments events in Ukraine political opposition economic and business policies domestic and global challenges facing Russia and Russia's vision of the world Accompanied by a revamped set of online resources such as multiple choice questions and PowerPoint slides

Russian Politics In Transition Introduction

In the digital age, access to information has become easier than ever before. The ability to download Russian Politics In Transition has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Russian Politics In Transition has opened up a world of possibilities. Downloading Russian Politics In Transition provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Russian Politics In Transition has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Russian Politics In Transition. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Russian Politics In Transition. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Russian Politics In Transition, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Russian Politics In Transition has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide.
