Stalinism Nick Lampert, 2016-09-16 Although scholars have devoted much attention to the impact of technology on society they have tended to slight the question of how technology is affected by social systems The authors of this volume take precisely this approach in their examination of the Soviet model of development

Stalinism: Its Nature and Aftermath Nick Lampert, Gabor T. Rittersporn, 1992-01-20 This is a collection of essays with contributors from Britain Continental Europe and the USA dealing with the character and aftermath of Stalinism in the USSR The focus is on the interwar years and on the methodological problems of studying this period but the volume highlights also the links between Stalinism and the Tsarist past and the ways in which Stalinism in its very formation

prepared the ground for its own demise In this way it contributes to a historical understanding of the current upheavals in the Soviet Union

Rethinking the Red Scare Todd J. Pfannestiel,2004-06-01 Using New York as a lens this book examines the Red Scare that gripped America between 1919 1923 and the pattern it established for future episodes of political repression It also presents the first in depth study of the Soviet Bureau the unofficial Bolshevik embassy that attempted to establish commercial ties with American businessmen as well as the development of the Rand School as one of the nation s first working class oriented schools

A History Of Russia Volume 2 Walter G. Moss,2004-10-01 Moss has significantly revised his text and bibliography in this second edition to reflect new research findings and controversies on numerous subjects He has also brought the history up to date by revising the post Soviet material which now covers events from the end of 1991 up to the present day This new edition retains the features of the successful first edition that have made it a popular choice in universities and colleges throughout the US Canada and around the world

Marxism and the Leninist Revolutionary Model W. Davidshofer,2014-09-11 This book explores Marxist and Leninist revolutionary theory Topics include the philosophical dialectic historical materialism the revolutionary movement and Communist cadre political rule in the socialist state Emphasis on Lenin s wartime political treatment of imperialism national self determination and socialism in one country
