

Russian Imperialism and Communism

Outcome: Soviet Imperialism and the Fall of Communism

Russian And Soviet Imperialism

**George M. Enteen, Tatiana Gorn, Cheryl
Kern, C. A. Kern-Simirenko**

Russian And Soviet Imperialism:

Soviet Imperialism Waldemar Gurian, 1953 *Russian Imperialism* Ariel Cohen, 1996-08-23 The fall of the Soviet Union was one of the most dramatic events of this century It was also one of the most surprising Evidence of the USSR's impending fall was abundantly available both in theory in the writings on empires and on the ground Yet prior to its downfall the very profession that specialized in the study of the Soviet Union held no consensus that the USSR was an empire to begin with Perhaps because many Sovietologists neglected its status as an empire most Americans were taken completely by surprise when the USSR began its precipitous collapse under Mikhail Gorbachev This book subjects the Soviet Union as an empire to systematic scrutiny using tools and methods at the disposal of modern political science Foreign policy specialists defense experts and Russian area analysts will find this book essential The book is also recommended for undergraduate and graduate courses in Russian and Soviet history and the study of empires **Russian and Soviet Imperialism** James Foote, 1972 *Soviet Russian Imperialism* Victor S. Mamatey, 1964 Brief survey of the evolution of Soviet rule over many people of Europe and Asia and prospects for the future by a University of Florida historian **Soviet Historians and the Study of Russian Imperialism** George M. Enteen, Tatiana Gorn, Cheryl Kern, C. A. Kern-Simirenko, 1979 **Empire De/Centered** Maxim Waldstein, Sanna Turoma, 2016-05-06 In 1991 the Soviet empire collapsed at a stroke throwing the certainties of the Cold War world into flux Yet despite the dramatic end of this last empire the idea of empire is still alive and well its language and concepts feeding into public debate and academic research Bringing together a multidisciplinary and international group of authors to study Soviet society and culture through the categories empire and space this collection demonstrates the enduring legacy of empire with regard to Russia whose history has been marked by a particularly close and ambiguous relationship between nation and empire building and between national and imperial identities Parallel with this discussion of empire the volume also highlights the centrality of geographical space and spatial imaginings in Russian and Soviet intellectual traditions and social practices underlining how Russia's vast geographical dimensions have profoundly informed Russia's state and nation building both in practice and concept Combining concepts of space and empire the collection offers a reconsideration of Soviet imperial legacy by studying its cultural and societal underpinnings from previously unexplored perspectives In so doing it provides a reconceptualization of the theoretical and methodological foundations of contemporary imperial and spatial studies through the example of the experience provided by Soviet society and culture **Russian Imperialism** Dietrich Geyer, 1987-01-01 This book offers a fresh and stimulating analysis of the often elusive relationship between domestic and foreign policy in Russia before the First World War Dietrich Geyer one of Germany's leading historians of Russia discusses a wide variety of economic fiscal institutional and ideological developments within imperial Russia In so doing he brings into sharp relief the difficulties faced by the ruling elites in maintaining Russia's great power position in Europe the Near East and the Far East Now available in English for the first time this widely

acclaimed book will be welcomed as an indispensable resource by all those who were unable to read the original German edition. By far the most perceptive knowledgeable and intelligent work on the last half century of imperial Russia in print.

Theodore H Von Laue *Russian History* This important tightly packed book analyzes the basic problems of Russian imperialism thoroughly and with enormous erudition. Scholars concerned with imperialism and Russian domestic and foreign problems will welcome this thought provoking work.

David MacKenzie *American Historical Review* A convincing and important analysis of the mutual dependence of autocratic domestic and foreign politics. This book ought to be the occasion for a renewed and wide discussion of Russian imperialism and should give rise to further studies of the question.

Alan Kimball *Slavic Review* This is a remarkably good book. Good in many respects: quality of research and writing, breadth of view, command of the facts, balance and penetration in judgment, familiarity with relevant theory. The book represents a revived and deepened historicism.

Paul W Schroeder *Journal of Modern History* *The Strategy of Russian Imperialism* Martin Sicker, 1988-05-06 The USSR's different spheres of influence each present their own special problems. This is particularly true of areas outside Eastern Europe and areas non contiguous with the borders of the USSR. Sicker defines and clarifies the two major Soviet perceptions of policy that radically differ from most western perspectives: patience with long term policy and the belief that class struggle law is of primary importance superseding even international law. The first part of the book considers the pattern and process of expansion that has created the USSR's current configuration in Eurasia. The chapters demonstrate that in many respects Soviet policies are similar in objective to their Czarist forerunners. Part II addresses current problems in Soviet geostrategic politics and includes discussions on their evolution and the necessity of their solution in order to preserve the viability of the USSR's spheres of influence.

[Comparative Perspectives on Imperialism and Empire in Late Imperial Russia](#) Moritz Deutschmann, 2011 Essay from the year 2009 in the subject History Europe Other Countries Modern Times Absolutism Industrialization European University Institute Department of History Florenz language English abstract There are few topics that have been as present in post Soviet histories as empire and its aftermath. Tales of century long Russia oppression have become core elements of many historical narratives in the former Soviet republics. In Western European scholarship concepts from imperial history and post colonial studies have had a big influence on the historiography of Russia and the Soviet Union. However these are recent phenomena in most histories of Russia written in Russia or the Soviet Union itself as well as in the West before 1991 empire has been left out to an astonishing degree. Only for the Soviet Union the so called nationality question was a larger topic appearing in Soviet praise for the friendship of the peoples or condemnation of anti Soviet nationalism and Great Russian chauvinism. This essay picks up on some of these issues and looks at how various scholars interested in the imperial aspects of Russian history have put them into a comparative perspective. Although the number of works is still limited especially compared to the huge number of studies on different Western European empires it is possible to draw some general conclusions. This will also be helpful in considering to what extent Russian experiences could reflect

back on more general theories of empire or post colonial studies **Putin's Wars** Marcel H. Van Herpen, 2014-02-27 This book offers the first systematic analysis of Putin's two wars placing the Second Chechen War and the War with Georgia of 2008 in their broader historical contexts Drawing on extensive original Russian sources Marcel H Van Herpen analyzes in detail how Putin's wars were prepared and conducted and why they led to allegations of war crimes and genocide He shows how the conflicts functioned to consolidate and legitimate Putin's regime and explores how they were connected to a third hidden internal war waged by the Kremlin against the opposition The author convincingly argues that the Kremlin relying on the secret services the Orthodox Church the Kremlin youth Nashi and the rehabilitated Cossacks is preparing for an imperial revival most recently in the form of a Eurasian Union An essential book for understanding the dynamics of Putin's regime this study digs deep into the Kremlin's secret long term strategies Readable and clearly argued it makes a compelling case that Putin's regime emulates an established Russian paradigm in which empire building and despotic rule are mutually reinforcing As the first comprehensive exploration of the historical antecedents and political continuity of the Kremlin's contemporary policies Van Herpen's work will make a valuable contribution to the literature on post Soviet Russia and his arguments will stimulate vigorous debate [Russian Imperialism Revisited](#) Domitilla Sagrmoso, 2020-03-05 This book examines the nature of Russia's relations with the former Soviet states FSS in particular with countries which formed the Commonwealth of Independent States in order to assess whether there has been a resurgence of Russian imperialism since the collapse of the USSR The book sets out to determine whether Russian leaders have attempted to restore a sphere of influence over the former Soviet republics or whether Russia's policies reflect a genuine desire to establish normal state to state relations with the new states It adopts a comprehensive approach analysing Russia's policies towards the FSS across a broad range of areas energy trade and investment military assistance security provision and peacekeeping conflict management political support and alliance formation While not denying the Kremlin's assertive role in the FSS this book challenges the assumption that Russia has always intended to restore a sphere of influence over its Near Abroad Rather it argues that Russia's policies are much more complex multi faceted and often more incoherent than is often assumed In essence Russia's actions generally reflect a combination of legitimate state interests enduring Soviet legacies and genuine concerns over events unfolding along Russia's borders This book also shows that at times Great Power nostalgia and a real difficulty with discarding Russia's imperial legacy shapes Russia's behaviour towards the FSS This book will be of great interest to students of Russian politics and foreign policy east European politics and International Relations in general

Russia in Asia Jane F. Hacking, Jeffrey S. Hardy, Matthew P. Romaniello, 2020-07-22 This edited volume presents new research on Russian Asian connections by historians art historians literary scholars and linguists Of particular interest are imagined communities social networks and the legacy of colonialism in this important arena of global exchanges within the imperial Soviet and post Soviet eras Individual chapters investigate how Russians imagined Asia and its inhabitants how

these different populations interacted across political and cultural divides and how people in Siberia China and other parts of Asia reacted to Russian imperialism both in its formal and informal manifestations A key strength of this volume is its interdisciplinary approach to the topic challenging readers to synthesize multiple analytical lenses to better understand the multivalent connections binding Russia and Asia together **The Soviet War in Afghanistan** Milan Hauner,1991-08-05 In this volume historian Milan Hauner brilliantly links the lessons of the Soviet invasion of Afghanistan with the East West political struggles of today Masterfully he demonstrates the geographical and historical predicates of Russian imperialism in Asia His analysis focuses on the failed military campaign in Afghanistan and Soviet diplomacy in Southwest Asia as a whole The results are impressive The reader is given the advantage of a fuller historical spectrum and can better grasp the true shape of the present More importantly the reader can look into the future From this vantage point the constraints possibilities and obligations of U S diplomacy become more clear Co published with the Foreign Policy Research Institute

Investigation of the Ukrainian Famine, 1932-1933 United States. Commission on the Ukraine Famine,1988

Between National Socialism and Soviet Communism Anna Holian,2011-08-30 An interdisciplinary study of refugee communities in post WWII Germany *After Empire* Karen Barkey,Mark Von Hagen,2018-05-15 This volume brings together a group of some of the most outstanding scholars in political science history and historical sociology to examine the causes of imperial decline and collapse of the Russian Ottoman and Habsburg empires **Soviet Russian Imperialism** Ernst Jaakson,1970 *Empire* D. C. B. Lieven,2002-01-01 Focusing on the Tsarist and Soviet empires of Russia Lieven reveals the nature and meaning of all empires throughout history He examines factors that mold the shape of the empires including geography and culture and compares the Russian empires with other imperial states from ancient China and Rome to the present day United States Illustrations The Nationality Problem of the Soviet Union and Russian Communist Imperialism Roman Smal-Stocki,1953 *History and Politics* Adam Jarosz,Ralph Schattkowsky,2018-04-18 History and politics are interlinked with unbreakable bonds as is manifested primarily in the use of historical arguments in political disputes Regardless of the ideological views represented time period and geographical location politicians consistently and frequently use such arguments with a high degree of effectiveness Driven by a variety of motives they use the category of the past re interpret it and decide what should be remembered and what should be removed from the so called collective memory In practice this means that a properly prepared and delivered narrative of the past can become a powerful instrument in the hands of the ruling class influencing the social and political reality of the country concerned Control of the past and its correct reconstruction can thus effectively contribute to gaining boosting and consolidating power by a political entity An appropriately shaped awareness of the past thus serves an only ancillary role to politics satisfying social expectations and ideological visions Thus the past or rather the memory of it when becoming a topic of interest in the domain of politics forces the creators of the politics of history to improve the tools and mechanisms they wield to ensure its more

efficient use

While this might not be the Russian And Soviet Imperialism full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Russian And Soviet Imperialism eBooks, including some popular titles.

FAQs About Russian And Soviet Imperialism Books

What is a Russian And Soviet Imperialism PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Russian And Soviet Imperialism PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Russian And Soviet Imperialism PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Russian And Soviet Imperialism PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Russian And Soviet Imperialism PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
