

# RUSSIAN FOREIGN POLICY SINCE 1990

EDITED BY **PETER SHEARMAN**

# Russian Foreign Policy Since 1990

**Eric Shiraev, Konstantin Khudoley**

## **Russian Foreign Policy Since 1990:**

*Russian Foreign Policy Since 1990* Peter Shearman, 2018-02-12 A book which brings together leading experts on Russia's foreign relations providing the most comprehensive coverage of contemporary Russian foreign policy currently available in a single volume Detailed case studies of relations with specific countries and regions are complemented by chapters that examine the process of decision making conflict between domestic institutional actors the role of groups such as the military and Russia's search for a new identity

**Russian Foreign Policy in the 21st Century** R. Kanet, 2010-10-29 After the collapse of the Soviet Union expectations were high that a new world order was emerging in which Russia and the other former Soviet republics would join the Western community of nations That has not occurred This volume explains the reasons for this failure and assesses likely future developments in that relationship

**Russian Foreign Policy in the Post-Soviet Era** B. Lo, 2002-08-12 In the first comprehensive treatment of its kind Bobo Lo examines the course of Russian foreign policy in the decade following the Soviet collapse Adopting a conceptual approach he identifies the principal ideological and institutional factors that have influenced the thinking of decisionmaking behind the policies Bobo Lo challenges many of the conventional assumptions that have dominated much of the preceding literature on Russian foreign policy

**Russian Foreign Policy and International Relations Theory** Christer Pursiainen, 2017-07-05 An original and challenging examination of how to transform post Sovietological study of Soviet and Russian foreign policy into a more integrated part of the Social Sciences and International Relations Theory This book represents the first detailed and sustained synthesis international relations theory and Soviet Russian foreign and security policy in academic literature

**The Sources of Russian Foreign Policy Assertiveness** Angela Borozna, 2022-01-31 This book explores the sources of Russia's foreign policy conduct since the end of the Cold War It is aimed at those interested in Russian foreign policy international security and diplomacy The book embraces an eclectic approach by applying insights from several strands of IR theory exploring both international and domestic sources The author argues that Russian foreign policy is influenced by the country's strategic culture which exhibits some persistent elements inherited from Russia's imperial past and from Soviet times The challenges to Russia's security interests from Western policies led to an increase in Russian foreign policy assertiveness As a result Russia is becoming more committed to Eurasian integration and nurturing relations with China This book further argues that Russia's relations with the post Soviet states have been and will remain a priority of its foreign relations and therefore Russia is likely to continue challenging any Western interference in these states The author maintains that geoeconomics and the protection of overseas economic interests are becoming more prominent in Russia's foreign policy calculus The role of domestic factors in the country's foreign policy such as authoritarianism regime vulnerability and the role of political factions is also examined

**Russian Foreign Policy in the Twenty-First Century and the Shadow of the Past** Robert Legvold, 2007-03-27 Because the turbulent trajectory of Russia's foreign policy since the collapse of the Soviet Union echoes

previous moments of social and political transformation history offers a special vantage point from which to judge the current course of events In this book a mix of leading historians and political scientists examines the foreign policy of contemporary Russia over four centuries of history The authors explain the impact of empire and its loss the interweaving of domestic and foreign impulses long standing approaches to national security and the effect of globalization over time Contributors focus on the underlying patterns that have marked Russian foreign policy and that persist today These patterns are driven by the country's political makeup geographical circumstances economic strivings unsettled position in the larger international setting and above all its tortured effort to resolve issues of national identity The argument here is not that the Russia of Putin and his successors must remain trapped by these historical patterns but that history allows for an assessment of how much or how little has changed in Russia's approach to the outside world and creates a foundation for identifying what must change if Russia is to evolve A truly unique collection this volume utilizes history to shed crucial light on Russia's complex occasionally inscrutable relationship with the world In so doing it raises the broader issue of the relationship of history to the study of contemporary foreign policy and how these two enterprises might be better joined

**The Foreign Policy of the Russian Federation** Alexander V. Kozhemiakin, Roger E. Kanet, 2016-07-27 Providing a current assessment of the major developments in Russian foreign policy since the collapse of the Soviet Union at the end of 1991 the book begins with an examination of the emerging trends in Russian policy and the impact of domestic political and economic factors on Russian policy Succeeding chapters outline the development of Russian policy in the major geographic regions of the world the new states of the near abroad Central Europe and the Balkans the West Asia the Middle East and the developing countries

**History of International Relations and Russian Foreign Policy in the 20th Century (Volume II)** Boris F. Martyn, Anatoly V. Torkunov, William C. Wohlforth, 2020-01-08 This second volume focusing on 1945-1991 unpacks the reasons for the Cold War and takes the reader through its ebbs flows and unexpected end How did the allies of World War II become enemies The authors argue that the Cold War controversy could have been avoided or at least mitigated had the sides been guided by healthy pragmatism instead of ideology and megalomania Contradictory relations between the superpowers regional wars and conflicts and the scramble to escape a nuclear Holocaust all of this reads sometimes as a good detective story Perestroika and Glasnost useful as they might be came too late to radically improve the poisonous atmosphere of enmity in East West relations The end of the Cold War did not mean the end of rivalry Good will in this case did not guarantee good outcomes As civilizational cultural personal and religious contradictions begin to replace economic and social divides we need to be fully aware of our past if we are to do our best to resolve these issues

*Explaining Change in Russian Foreign Policy* C. Thorun, 2008-11-27 An assessment of the explanatory utility of different approaches to account for post Soviet Russia's foreign policy towards the West arguing that only by focusing both on external constraints and changes in the Russian leadership's foreign policy thinking can we explain major facets of Russia's conduct from 1992-2007

**Russian Foreign Policy** Nikolas K. Gvosdev, Christopher Marsh, 2013-08-22 In a truly contemporary analysis of Moscow's relations with its neighbors and other strategic international actors Gvosdev and Marsh use a comprehensive vectors approach dividing the world into eight geographic zones Each vector chapter looks at the dynamics of key bilateral relationships while highlighting major topical issues oil and energy defense policy economic policy the role of international institutions and the impact of major interest groups or influencers demonstrating that Russia formulates multiple sometimes contrasting foreign policies Providing rich historical context as well as exposure to the scholarly literature the authors offer an incisive look at how and why Russia partners with some states while it counter balances others *Russian Foreign Policy* Eric Shiraev, Konstantin Khudoley, 2018-12-12 Written by two leading scholars this cutting edge textbook provides a comprehensive re evaluation of Russian foreign policy in the 21st century covering its historical development key institutions and actors and processes principles and strategies It integrates domestic and global perspectives to give a more rounded and balanced assessment of Russia's place in the world This text will be essential reading on Russian foreign policy modules as well as on broader courses on Russian government and politics It can also be used as supplementary reading on more general comparative politics and foreign policy modules which use Russia as a key case study *Realignments in Russian Foreign Policy* Rick Fawn, 2004-11-23 This collection provides international perspectives on the evolution of Russia's foreign relations and analyses official Russian responses to major regional and international developments including NATO and EU enlargement and the post September 11 international war on terrorism *Russia's New Politics* Stephen White, 2000 Just as the Bolshevik revolution defined the early politics of the 20th century the transition from communist rule is the landmark event of its final years In this important 1999 textbook based on a wealth of references including interview and survey material Stephen White offers a full discriminating account of the dramatic process of change in what is still the world's largest country After an early chapter examining the Gorbachev legacy the book analyses the electoral process the powerful presidency and the intractable problem of economic reform Later chapters cover social divisions public opinion and foreign policy and a final chapter places the Russian experience within the wider context of democratisation Clearly written with numerous figures and illustrations this book takes up Russia's story from the author's best selling *After Gorbachev* to provide an unrivalled analysis of the politics of change in what is now the world's largest postcommunist society Civil-military Relations After the Nation-state Glen Segell, 2000 *Russia After Yeltsin* Vladimir Tikhomirov, 2018-02-06 This title was first published in 2001 This study attempts to present a broad picture of political economic and social developments in Russia at the start of the 21st century It provides an overview of the legacy of the Yeltsin era and attempts to outline major limitations and policy choices that Putin is facing The book contains an in depth analysis of power struggles in Russia the background to Vladimir Putin's rise to presidency the role of oligarchs and other pressure groups in Russia There is also a focus on economic social and financial developments in Russia with an overview of Russian foreign military and social policies as well

as looking at its level of development when compared with other countries      *The Routledge Handbook of Russian International Relations Studies* Maria Lagutina, Natalia Tsvetkova, Alexander Sergunin, 2023-02-27 This handbook examines the study of international relations IR in Russia giving a comprehensive analysis of historical theoretic conceptual geographical and institutional aspects It identifies the place and role of Russia in global IR and discusses the factors that facilitate or impede the development of Russian IR studies The contributors represent diverse Russian regions and IR schools and offer an overview of different intellectual traditions and key IR paradigms in the post Soviet era Filling the vacuum in international understanding of the Russian perspective on pivotal international issues they demonstrate the continuity and change in Russia's international policy course over the past three decades and explain how different foreign policy schools and concepts have affected Russian foreign policy making and the decision making process Providing a unique contribution to the discussion on non Western IR theory this handbook will appeal to scholars and students of international relations Russian studies world politics and international studies      **Power, Energy, and the New Russian Imperialism** Anita Orban, 2008-09-30 Russia is the world's foremost energy superpower rivaling Saudi Arabia as the world's largest oil producer and accounting for a quarter of the world's exports of natural gas Russia's energy reserves account for half of the world's probable oil reserves and a third of the world's proven natural gas reserves Whereas military might and nuclear weapons formed the core of Soviet cold war power since 1991 the Russian state has viewed its monopolistic control of Russia's energy resources as the core of its power now and for the future Since 2005 the international news has been filled with Russia's repeated demonstrations of its readiness to use price transit fees and supply of gas and oil exports as punitive policy instruments against recalcitrant states that were formerly part of the Soviet Union striking in turn the Ukraine Georgia Azerbaijan Armenia Belarus and Lithuania Orban reveals for the first time in *Power Energy and the New Russian Imperialism* Russia's readiness to wield the same energy weapon against her neighbors on the west all of them former Soviet satellite states but now EU and NATO member nations the three Baltic nations and the five East European nations of Poland Slovakia Hungary the Czech Republic and Slovenia Orban shows how the Kremlin since 1991 has systematically used Russian energy companies as players in a concerted neo mercantilist energy based foreign policy designed to further Russia's neo imperial ambitions among America's key allies in Central East Europe Her unprecedented analysis is key to predicting Russia's strategic response to American negotiations with Poland and the Czech Republic to host the US missile shield She also reveals the economic and diplomatic modus operandi by which Russia will increasingly apply its energy clout to shape and coerce the foreign policies of the West European members of the EU as Russia's contribution to EU gas consumption increases from a quarter today to three quarters by 2020 Orban proves that Russia's neo mercantilist energy strategy in East Europe is not at all dependent on the person of Putin but began under Yeltsin and continues under Medvedev the former chairman of Gazprom      Russia Neil Robinson, 2003-09-02 This invaluable text traces Russia's complex historical

development in the last century its recent political troubles and economic misfortunes and its place in the contemporary international system

Russia and NATO since 1991 Martin Smith, 2006-06-16 This is the first comprehensive analysis of the development of relations between Russia and NATO since 1991 Since the re emergence of Russia as an independent state in December 1991 debates and controversies surrounding its evolving relations with NATO have been a prominent feature of the European security scene This is the first detailed and comprehensive book length analysis of Russia NATO relations covering the years 1991 2005 This new volume investigates the nature and substance of the partnership relations that have developed between Russia and NATO since the end of the Cold War It looks at the impact that the Kosovo crisis September 11th the Iraq War and the creation of the NATO Russia Council have on this complex relationship The author concludes that Russia and NATO have so far developed a pragmatic partnership but one that may potentially develop into a more significant strategic partnership This book will appeal to students and scholars of international relations European politics and European security

*Russian Policy Towards China and Japan* Natasha Kuhrt, 2007-12-24 Drawing on the most up to date sources this book provides an in depth examination of Russia's relations with China and Japan the two Asia Pacific superpowers in waiting For Russia there has always been more than one Asia after the collapse of the Soviet Union there were those in the Russian elite who saw Asia as implying the economic dynamism of the Asia Pacific with Japan as the main player However there were others who saw the chance for Russia to reassert its claim to be a great power based on Russia's geopolitical and geoeconomic position as a Eurasian power For these China was the power to engage with together China and Russia could control both Heartland and Rim both Eurasia and Asia Pacific whereas accepting Japan's conception of Asia implied regional fragmentation and shared sovereignty This book argues that this strand of thinking mainly confined to nationalists in the El tsin years has now under Putin become the dominant discourse among Russian policymakers Despite opportunities for convergence presented by energy resources even for trilateral cooperation traditional anxiety regarding loss of control over key resource areas in the Russian Far East is now used to inform regional policy leading to a new resource nationalism In light of Russia's new assertiveness in global affairs and its increasing use of the so called energy weapon in foreign policy this book will appeal not only to specialists on Russian politics and foreign policy but also to international relations scholars

As recognized, adventure as with ease as experience virtually lesson, amusement, as with ease as deal can be gotten by just checking out a ebook **Russian Foreign Policy Since 1990** also it is not directly done, you could take on even more around this life, in the region of the world.

We offer you this proper as well as easy quirk to acquire those all. We provide Russian Foreign Policy Since 1990 and numerous books collections from fictions to scientific research in any way. in the middle of them is this Russian Foreign Policy Since 1990 that can be your partner.
