Russias Protectorates In Central Asia Bukhara And Khiva 1865 1924:

Russia's Protectorates in Central Asia Seymour Becker, 2004-08-02 This book examines the Russian conquest of the ancient Central Asian khanates of Bukhara and Khiva in the 1860s and 1870s and the relationship between Russia and the territories until their extinction as political entities in 1924 It shows how Russia's approach developed from one of non intervention with the primary aim of preventing British expansion from India into the region to one of increasing intervention as trade and Russian settlement grew It goes on to discuss the role of Bukhara and Khiva in the First World War and the Russian Revolution and how the region was fundamentally changed following the Bolshevik conquest in 1919-20 The book is a re issue of a highly regarded classic originally published in 1968 and out of print for some years The new version includes a new introduction some corrections of errors and a survey of new work undertaken since first publication **Anglo-Russian**

Rivalry in Central Asia 1810-1895 Gerald Morgan, 2012-11-12 Published in 1981 *Anglo Russian Rivalry in Central Asia 1810-1895* is a valuable contribution to the field of Middle Eastern Studies *History of Central Asia, The: 4-volume set* Christoph Baumer, 2018-04-18 This set includes all four volumes of the critically acclaimed *History of Central Asia* series The epic plains and arid deserts of Central Asia have witnessed some of the greatest migrations as well as many of the most transformative developments in the history of civilization Christoph Baumer's ambitious four volume treatment of the region charts the 3000 year drama of Scythians and Sarmatians Soviets and transcontinental Silk Roads trade routes and the transmission of ideas across the steppes and the breathless and brutal conquests of Alexander the Great and Chinghiz Khan Masterfully interweaving the stories of individuals and peoples the author's engaging prose is richly augmented throughout by colour photographs taken on his own travels This set includes *The Age of the Steppe Warriors Volume 1 The Age of the Silk Roads Volume 2 The Age of Islam and the Mongols Volume 3 and The Age of Decline and Revival Volume 4*

Representing Russia's Orient Adalyat Issiyeva, 2020-11-08 Throughout history Russia's geo political and cultural position between the East and West has shaped its national identity *Representing Russia's Orient* tells the story of how Russia's imperial expansion and encounters with its Asian neighbors influenced the formation and development of Russian musical identity in the long nineteenth century While Russia's ethnic minorities or inorodtsy were located at the geographical and cultural periphery they loomed large in composers perception and musical imagination and became central to the definition of Russianness itself Drawing from a long forgotten archive of Russian musical examples visual art and ethnographies author Adalyat Issiyeva offers an in depth study of Russian art music's engagement with oriental subjects Within a complex matrix of politics competing ideological currents and social and cultural transformations some Russian composers and writers developed multidimensional representations of oriental others and sometimes even embraced elements of Asian musical identity In three detailed case studies on the leader of the Mighty Five Mili Balakirev Decembrist sympathizer Alexander Aliabev and the composers affiliated with the Music Ethnography Committee Issiyeva traces how and why these composers

adopted foreign musical elements In this way she provides a fresh look at how Russians absorbed and transformed elements of Asian history and culture in forging a national identity for themselves *Pre-tsarist and Tsarist Central Asia* Paul Georg Geiss,2004-11-23 This study written from the perspective of political sociology represents the first comparative examination of Central Asian communal and political organisation before and after the tsarist conquest of the region It covers Turkman Kyrgyz Kazakh and other tribal societies analyses the patrimonial state structures of the Emirate of Bukhara and the Khanates of Khiva and Khokand and discusses the impacts of the established tsarist civil military administration on communal and political orientations of the Muslim population **Russian-Soviet Unconventional Wars in the Caucasus, Central Asia, and Afghanistan [Illustrated Edition]** Dr. Robert F. Baumann,2015-11-06 Includes 12 maps and 4 tables In recent years the U S Army has paid increasing attention to the conduct of unconventional warfare However the base of historical experience available for study has been largely American and overwhelmingly Western In Russian Soviet Unconventional Wars in the Caucasus Central Asia and Afghanistan Dr Robert F Baumann makes a significant contribution to the expansion of that base with a well researched analysis of four important episodes from the Russian Soviet experience with unconventional wars Primarily employing Russian sources including important archival documents only recently declassified and made available to Western scholars Dr Baumann provides an insightful look at the Russian conquest of the Caucasian mountaineers 1801 59 the subjugation of Central Asia 1839 81 the reconquest of Central Asia by the Red Army 1918 33 and the Soviet war in Afghanistan 1979 89 The history of these wars especially as it relates to the battle tactics force structure and strategy employed in them offers important new perspectives on elements of continuity and change in combat over two centuries This is the first study to provide an in depth examination of the evolution of the Russian and Soviet unconventional experience on the predominantly Muslim southern periphery of the former empire There the Russians encountered fierce resistance by peoples whose cultures and views of war differed sharply from their own Consequently this Leavenworth Paper addresses not only issues germane to combat but to a wide spectrum of civic and propaganda operations as well *The Great Trek of the Russian Mennonites to Central Asia 1880-1884* Fred Richard Belk,2000-10-17 [The Establishment of National Republics in Soviet Central Asia](#) A. Haugen,2003-10-16 After almost four centuries of expansion the Russian Empire at the beginning of the 20th century covered vast territories on the Eurasian continent and included an immensely diverse population How was the new Russian regime to deal with the complexity of its population This book examines the role of nation and nationality in the Soviet Union and analyzes the establishment of national republics in Soviet Central Asia It argues that the originally nationally minded Soviet communists with their anti nationalist attitudes came to view nation and national identity as valuable tools in state building **Tashkent** Paul Michael Stronski,2010-09-19 Paul Stronski tells the fascinating story of Tashkent an ethnically diverse primarily Muslim city that became the prototype for the Soviet era reimagining of urban centers in Central Asia Based on extensive research in Russian and Uzbek archives Stronski

shows us how Soviet officials planners and architects strived to integrate local ethnic traditions and socialist ideology into a newly constructed urban space and propaganda showcase The Soviets planned to transform Tashkent from a feudal city of the tsarist era into a flourishing garden replete with fountains a lakeside resort modern roadways schools hospitals apartment buildings and of course factories The city was intended to be a shining example to the world of the successful assimilation of a distinctly non Russian city and its citizens through the catalyst of socialism As Stronski reveals the physical building of this Soviet city was not an end in itself but rather a means to change the people and their society Stronski analyzes how the local population of Tashkent reacted to resisted and eventually acquiesced to the city s socialist transformation He records their experiences of the Great Terror World War II Stalin s death and the developments of the Krushchev and Brezhnev eras up until the earthquake of 1966 which leveled large parts of the city Stronski finds that the Soviets established a legitimacy that transformed Tashkent and its people into one of the more stalwart supporters of the regime through years of political and cultural changes and finally during the upheavals of glasnost

The Politics of Muslim Cultural Reform Adeeb Khalid,1999-01-01 Adeeb Khalid offers the first extended examination of cultural debates in Central Asia during Russian rule With the Russian conquest in the 1860s and 1870s the region came into contact with modernity The Jadids influential Muslim intellectuals sought to safeguard the indigenous Islamic culture by adapting it to the modern state Through education literacy use of the press and by maintaining close ties with Islamic intellectuals from the Ottoman empire to India the Jadids established a place for their traditions not only within the changing culture of their own land but also within the larger modern Islamic world Khalid uses previously untapped literary sources from Uzbek and Tajik as well as archival materials from Uzbekistan Russia Britain and France to explore Russia s role as a colonial power and the politics of Islamic reform movements He shows how Jadid efforts paralleled developments elsewhere in the world and at the same time provides a social history of the Jadid movement By including a comparative study of Muslim societies examining indigenous intellectual life under colonialism and investigating how knowledge was disseminated in the early modern period The Politics of Muslim Cultural Reform does much to remedy the dearth of scholarship on this important period Interest in Central Asia is growing as a result of the breakup of the former Soviet Union and Khalid s book will make an important contribution to current debates over political and cultural autonomy in the region *Pipe Dreams* Maya K. Peterson,2019-05-23 A long environmental history of the Aral Sea region focusing on colonization and development in Russian and Soviet Central Asia

Central Asia in Focus Lydia M. Buyers,2003 Central Asia in Focus Political Economic Issues [Russia in the Age of Modernisation and Revolution 1881 - 1917](#) H. Rogger,2014-07-30 Hans Rogger s study of Russia under the last two Tsars takes as its starting point what the Russians themselves saw as the central issue confronting their nation the relationship between state and society and its effects on politics economics and class in these critical years

Globalizing Central Asia Marlene Laruelle,Sebastien Peyrouse,2015-02-12 In this global era Central Asia must be

understood in both geo economic and geopolitical terms The region s natural resources compel the attention of rivalrous great powers and ambitious internal factions The local regimes are caught between the need for international collaborations to valorize these riches and the need to maintain control over them in the interest of state sovereignty Russia and China dominate the horizon with other global players close behind meanwhile neighboring countries are fractious and unstable with real potential for contagion This pathbreaking introduction to Central Asia in contemporary international economic and political context answers the needs of both academic and professional audiences and is suitable for course adoption

The Political Economy of Reform in Central Asia Martin C. Spechler, 2008-04-23 This book examines the economic reforms and material progress of the Central Asian republics after becoming independent from the Soviet Union focusing especially although not exclusively on the largest of these new states Uzbekistan It considers the region s abundant energy resources and prospects for future development

Muslim Reformist Political Thought Sarfraz Khan, 2013-05-13 There are two main trends distinguishable amongst Muslim reformists revivalists and modernists This book charts and analyses the main trends of Muslim reformist political thought in Bukhara It is the first to utilize original sources preserved in Soviet archives that were previously inaccessible to western scholars The author has translated numerous original documents from Tajiki and Russian into English This book thus serves as a useful resource for students of Islam Central Asia the former Soviet Union and of law politics and philosophy

De Facto States in Eurasia Tomáš Hoch, Vincenc Kopeček, 2019-07-17 This book explores the phenomenon of de facto states in Eurasia states such as Abkhazia Nagorno Karabakh and the Transnistrian Moldovan Republic It examines how they are formed what sustains them and how their differing development trajectories have unfolded It argues that most of these de facto states have been formed with either direct or indirect support from Russia but they all have their own internal logic and are not simply puppets in the hands of a powerful patron The book provides detailed case studies and draws out general patterns and compares present day de facto states with de facto states which existed in the past
