Imperial Culture in Antipodean Cities, 1880-1939 J. Griffiths, 2014-03-11 Drawing on a wealth of primary and secondary sources this book explores how far imperial culture penetrated antipodean city institutions It argues that far from imperial saturation the city Down Under was remarkably untouched by the Empire *The Russians and Australia* Glynn Barratt, 2011-11-01 Known for his pioneering work on Russia's early exploits in Australia and the Pacific historian Glynn Barratt again breaks new ground in presenting the first comprehensive study of Russian naval social mercantile and scientific enterprise in New South Wales between 1807 and 1835 Through Tsar Peter the Great's Dutch contacts Russia was aware quite early of the existence of New Holland and a number of unsuccessful attempts were made to reach what is now Australia Following a description of these efforts Barratt focuses on the seventeen visits that Russian ships made to Australian ports on voyages from the Baltic carrying supplies for the settlements in Kamchatka and Alaska As a result of the good will generated by the Anglo Russian alliance against Napoleonic France relations between the British colonists and the Russian seamen were extremely cordial While visiting Australia Russian naval officers pursued a range of scientific activities including botany zoology ethnography and mineralogy and collected specimens and artefacts They also studied the British penal system and filled journals with detailed observations Available in Russian archives and museums and examined there by Barratt the journals and collections which until now have largely remained unexplored by historians reveal the high level of skill and education of these early visitors to Australia This is the first of four books in a series entitled Russia and the South Pacific 1696-1840

Russians in Cold War Australia Phillip Deery, Sheila Fitzpatrick, 2024-02-19 Russians in Cold War Australia explores the time during the Cold War when Russian displaced persons including former Soviet citizens were amongst the hundreds of thousands of immigrants given assisted passage to Australia and other Western countries in the

wake of the Second World War With the Soviet Union and Australia as enemies skepticism surrounding the immigrants avowed anti communism introduced new hardships and challenges This book examines Russian immigration to Australia in the late 1940s and 1950s both through their own eyes and those of Australia s security service ASIO to whom all Russian speakers were persons of interest **Loyalism and the Formation of the British World** Allan Blackstock, Frank O'Gorman, 2014 Explores loyalism as a social and political force in eighteenth and nineteenth century British colonies and former colonies *Reader's Guide to British History* David Loades, 2020-12-17 The Reader sGuide to British History is the essential source to secondary material on British history This resource contains over 1 000 A Z entries on the history of Britain from ancient and Roman Britain to the present day Each entry lists 6 12 of the best known books on the subject then discusses those works in an essay of 800 to 1 000 words prepared by an expert in the field The essays provide advice on the range and depth of coverage as well as the emphasis and point of view espoused in each publication **New Zealand Slavonic Journal** , 2007 **Soldiers, Scouts and Spies** Cliff Simons, 2019-10-10 A fascinating and detailed study of the major campaigns on the New Zealand Wars As interest in the New Zealand Wars grows Soldiers Scouts and Spies offers a unique insight into the major campaigns fought between 1845 and 1864 by British troops their militia and Maori allies and Maori iwi and coalitions It was a time of rapid technological change Maori were quick to adopt western weaponry and evolve their tactics and even political structures as they looked for ways to confront the might of the Imperial war machine And Britain despite being a military and economic super power was challenged by a capable enemy in a difficult environment This detailed examination of the Wars from a military perspective focuses on the period of relatively conventional warfare before the increasingly irregular fighting of the late 1860s It explains how and where the battles were fought and their outcomes Importantly it also analyses the intelligence gathering skills and processes of both British and Maori forces as each sought to understand and overcome their enemy **Secret History** Steven Loveridge, Richard S. Hill, 2023-07-13 In 1900 a handful of New Zealand police detectives watched out for spies seditionists and others who might pose a threat to state and society The Police Force remained the primary instrument of such human intelligence in New Zealand until 1956 when a decade into the Cold War a dedicated Security Service was created Over the same period New Zealand s role within signals intelligence networks evolved from the Imperial Wireless Chain to the UKUSA intelligence alliance now known as Five Eyes The first of two volumes chronicling the history of state surveillance in New Zealand Secret History opens up the secret world of security intelligence through to 1956 It is the story of the surveillers who in times of war and peace turmoil and tranquillity monitored and analysed perceived threats to national interests It is also the story of the surveilled those whose association with organisations and movements led to their public and private lives being documented in secret files Secret History explores a hidden and intriguing dimension of New Zealand history one which sits uneasily with cherished national notions of an exceptionally fair and open society Australia and the Great War Michael JK Walsh, Andrekos Varnava, 2016-01-01

Australia and the Great War explores both the immediate and long term consequences of the war on this complex relationship looking in particular at identity history gender propaganda economics and nationalism This multidisciplinary collection of essays unveils the creation and subsequent mis use of histories and mythologies while considering the necessity and nature of both remembering and forgetting war
