Ruth A Story Of Gods Grace An Expository Commentary:

Ruth: A Story of God's Grace Cyril J. Barber, 2003-10-07 There is nothing but God's grace We walk upon it we breathe it we live and die by it it makes the nails and axles of the universe concluded Robert Louis Stevenson In Ruth A Story of God's Grace Cyril J Barber trumpets God's grace Grace leads Elimelech to Moab brings Naomi back to Bethlehem guides Ruth to Boaz's field and directs Boaz to Ruth Marvelous infinite matchless grace encircles the Book of Ruth From the gracious acts of God Ruth's time the author draws lessons for twentieth century believers He fathoms the importance of decision making the purpose of suffering and the power of love But the author does more than expound truths he helps the reader understand the Bible text by explaining customs and word meanings He also intersperses his own translation of Ruth throughout his commentary Writing for the Bible student rather than the Bible scholar Barber summarizes the Book of Ruth in a concise introduction places all technical discussions and notes at the back and provides two helpful indexes Ruth Cyril J.

Barber, 1989 Dr Barber provides a thorough exposition of the book of Ruth along with practical applications for today's reader The Bible Exposition Commentary Warren W. Wiersbe, 2003 With this final installment in this six volume set Dr Wiersbe has covered the entire Bible

Judges: A Narrative of God's Power Cyril J. Barber, 2003-10-07 The book of Judges deals with a people who lost their freedom not all at once but gradually The Israelites were content to let the neighboring inhabitants of Canaan rule over them Judges clearly describes the reasons for this spiritual moral and national decline It began with compromise The people's commitment to God's revealed will steadily decreased until it was no longer sufficient for the crises that arose It was at this time that God placed tremendous responsibility in the hands of a chosen few Judges more than any other book of the Bible illustrates the way the power of God is available to ordinary people to accomplish His purposes These men and women learned through their experiences that to those who have no might he increases power Isaiah 40:29 This should inspire us with confidence particularly as we read this book in light of the apostle Paul's words Not that we are competent in ourselves to reckon anything as from ourselves but our competency is of God in order that the excellency of the power may be of God and not of us 2 Corinthians 3:5-4-7 **The Bible Knowledge**

Great are the works of the Lord They are studied by all who delight in them Psalm 111 2 NASB When treating the life of Moses the psalmist wrote The Lord remembered His promise given to his servant Abraham and brought His people out of Egypt with rejoicing His chosen ones with shouts of joy He also gave them the lands of the nations that they might take possession of the fruit of other people s labor Psalm 105 42 44 The story of the Exodus is an intriguing one Moses first attempted to help his people without God s call expecting success as a result of his own ability In the end he never undertook anything without God s guidance and it is no wonder that He is linked with Samuel as an example of the power of intercessory prayer Jeremiah 15 1 As to Moses character the only strong personal trait which we are able to glean from the biblical text comes from Numbers 12 3 where the word meek should be rendered much enduring or strength under control for he persevered through extremely difficult trying circumstances It is no wonder therefore that after performing the task the Lord had given him he became known as a man of enduring faith cf Hebrews 11 24 29 **The Expository Commentary-Matthews** Dudley Smith,2010-02-24 This evangelist St Matthews begins with the account of Christ s parentage and birth the ancestors from whom he descended and the manner of his entry into the world to make it appear that he was indeed the Messiah promised for it was foretold that he should be the son of David and should be born of a virgin and that he was so is here plainly shown for here is I His pedigree from Abraham in forty two generations three fourteens v 1 17 II An account of the circumstances of his birth so far as was requisite to show that he was born of a virgin v 18 25 Thus methodically is the life of our blessed Saviour written as lives should be written for the clearer proposing of the example of them Best Books for Your Bible Study Library Cyril J.
