**THE BRIDE OF CHRIST** Dedo Suwanda, 2025-03-31 While there is no question that God created everything in the universe many Christians are unsure of the purpose of their existence The Bible calls men clay to the Potter sheep to the Shepherd and servants or slaves to the Master No wonder many Christians view their lives as never ending battles full of defeats and filled with burdensome rules and obligations The enlightened ones understand their roles as sons and daughters of the Father Some mature ones can see themselves as friends of God However few understand our most intimate role as the Bride of Christ The term Bride of Christ is often used but few can really comprehend it Most Christians cannot visualize God as a lover as a Bridegroom The religious ones see God as harsh and angry who always looks for opportunities to punish or demands sacrifices to appease Him If He were a Bridegroom would He be an angry One who likes abuse His bride Certainly not God is love Is Jesus Christ romantic Bridegroom Yes He loves us He is in love with us We are His beloved Like any man in love He desires us to love Him back and hear us saying I love you too The intention of this book is to expound Jesus Christ as a loving Bridegroom who was willing to die to redeem mankind and make us His beloved Bride This book will also dive into God's timeline past present and future so that the church understands what we are to do now while waiting for Him to come to pick up His Bride

**Ruth** Dr. Brian J. Bailey, 2017-08-02 Down through the ages there have been many enduring love stories that have captured the hearts and minds of people everywhere Yet few compare to the love and devotion expressed by Ruth towards her mother in law Naomi as well as the gentle near kinsman Boaz Your heart will be challenged as you read Dr Bailey's stirring account of a young widow who left her family and birth place to achieve an honored position among the heroines of the faith in Israel as she placed compassion and family loyalty above all ties to her homeland

**Believer's Bible Commentary** William MacDonald, 2016-08-16 Make Bible study a part of your daily life with the thorough yet easy to read commentary that turns complicated theology into practical understanding The second edition of Believer s Bible Commentary is a one volume guide that helps the average reader develop basic knowledge of the Bible This commentary written by the late William MacDonald explores the deeper meanings of every biblical book and tackles controversial issues from a theologically conservative standpoint while also presenting alternative views Serving as a friendly introduction to Bible study Believer s Bible Commentary gives clarity and context to scripture in easy to understand language Features Introductions notes and bibliographies for each book of the Bible A balanced approach to linguistic studies and useful application Comments on the text are augmented by practical applications of spiritual truths and by a study of typology where appropriate Colorful maps of the Holy Land and other useful study helps Can be used with any Bible translation but is best used with the New King James version **Judges** Tim Mather, 2010-10 JUDGES Book of Heroes traces the tragic story of the people of God from the glory days of Joshua to the gloomy days of Samson from courage to compromise from conquest to capitulation But despite the subject matter this book is not a gloomy book The author shows that for all their failings the judges were men and women of rare faith men and women who stood for God in troubled times And he encourages us too to live for God where He has placed us to serve Him faithfully in the work to which He has called us We may not have the spiritual gifts of a Samson or a Deborah We may not have the courage of an Othniel or a Jephthah Perhaps we re just ordinary like Gideon or maybe we feel like one of the minor judges like Abdon or Ibzan or Tola whose names

nobody can remember Nevertheless God delights to use ordinary people and He delights even more to use really useless people God will use those who have faith in Him those whose hearts are loyal to Him The judges of Israel imperfect as they were stand out for God like shining beacons in a dark night because at the end of the day they trusted God and were available to Him And There Was War in Heaven Marie Hunter Atwood,2013-06 In retrospect stories learned as children were entertaining but failed as life mentors We as well as our children have failed to retain their principles and in consequence have lost a portion of background history necessary to understanding God s messages For instance why did God give the Law of Moses Of what purpose were the kings and judges the flood of Noah s time What do the Covenants mean and why didn t first century Jews accept the promised Messiah Why is Revelation a part of His message since it is in apocalyptic language and does it have any meaning for us These questions are important as they grant knowledge that provides additional sources of honor from which we are able to praise Him more effectively They are also the background for the New Covenant under which we live Without them we would not have reconciliation or salvation Pillar of Fire ,1929 *The Alliance Weekly* ,1946 **Bloodline** Skip Heitzig,2019-01-08 Skip s insights about the precious blood shed for mankind will prick your mind and touch your heart Franklin Graham Discover the Savior on Every Page of Scripture You will find no greater theme in all the Bible than the scarlet thread of redemption It runs through every book from beginning to end Follow this thread and you ll find yourself filled with constant wonder and gratitude over all that Jesus has done and will do for you and what He is preparing for you in heaven In Bloodline Skip Heitzig invites you on an epic journey from Genesis to Revelation so that you can witness for yourself the unfolding of God s amazing rescue plan for you and all other believers from Eden to eternity the magnitude and significance of what Jesus did for you on the cross how Jesus s forgiveness of your past offers peace meaning and purpose for your future This is the bloodline of redemption Trace it and experience Jesus s great love for you as never before *A Layman's Look at Ruth* Benjie Ewing,2022-04-19 A Layman s Look at Ruth provides pastors Sunday school teachers evangelists and any student of the Bible with a comprehensive insight into the story of Ruth and her kinsman redeemer Boaz She journeys to a land foreign to her with her mother in law Due to her faith in the God of Israel she and her mother in law are sustained She eventually learns that Boaz is a relative of her late husband and that she has the right to claim him as her husband She does and her family becomes part of the lineage of King David and the Lord Jesus She is faithful when many would have faltered and she is loyal to her family and her God It is a story of love and suspense and this simple commentary s goal is to give readers a better understanding of this wonderful book **All the Women of the Bible** Herbert Lockyer,1988 This volume part of Lockyer s All Series contains detailed indexing of the life and times of all the women of the Bible **Shadow of Things to Come** William Daniel Kelly,2013-05-28 Commentary on Revelation Where God Gets a Bride Three Raptures Fourteen Years of Judgment Questions and Answers Harold Patrick Morgan,1942 Ruth, Esther Marion Ann Taylor,2020-09-08 A new commentary for today s world The Story of God Bible

Commentary explains and illuminates each passage of Scripture in light of the Bible's grand story. The first commentary series to do so, SGBC offers a clear and compelling exposition of biblical texts guiding everyday readers in how to creatively and faithfully live out the Bible in their own contexts. Its story-centric approach is ideal for pastors, students, Sunday school teachers, and laypeople alike. Each volume employs three main, easy-to-use sections designed to help readers live out God's story: LISTEN to the Story (Includes complete NIV text with references to other texts at work in each passage, encouraging the reader to hear it within the Bible's grand story); EXPLAIN the Story (Explores and illuminates each text as embedded in its canonical and historical setting); LIVE the Story (Reflects on how each text can be lived today and includes contemporary stories and illustrations to aid preachers, teachers, and students).

**Ruth Esther** The book of Ruth presents a compelling account of how most of us experience God in our everyday lives. We see God working indirectly behind the scenes, giving us a theology of divine and human cooperation as those who pray for God's blessings participate in answering their own petitions as well as the prayers of others. In Esther's story, we recognize our own world today, often experiencing it as a place where God seems hidden. Her book challenges us in unique ways.

Edited by Scot McKnight and Tremper Longman III and written by a number of top-notch theologians, The Story of God Bible Commentary series will bring relevant, balanced, and clear-minded theological insight to any biblical education or ministry.

**A Catholic Introduction to the Bible** John Bergsma, Brant Pitre, 2018-09-04 Although many Catholics are familiar with the four Gospels and other writings of the New Testament, for most, reading the Old Testament is like walking into a foreign land. Who wrote these forty-six books? When were they written? Why were they written? What are we to make of their laws, stories, histories, and prophecies? Should the Old Testament be read by itself or in light of the New Testament? John Bergsma and Brant Pitre offer readable, in-depth answers to these questions as they introduce each book of the Old Testament. They not only examine the literature from a historical and cultural perspective but also interpret it theologically, drawing on the New Testament and the faith of the Catholic Church. Unique among introductions, this volume places the Old Testament in its liturgical context, showing how its passages are employed in the current Lectionary used at Mass. Accessible to nonexperts, this thorough and up-to-date introduction to the Old Testament can serve as an idea textbook for biblical studies. Its unique approach, along with its maps, illustrations, and other reference materials, makes it a valuable resource for seminarians, priests, Scripture scholars, theologians, and catechists, as well as anyone seeking a deeper understanding of the Bible.
