Bird,1967 This is a love story It

is the story of sexual love the love of man and woman united in the mystery of a sacrament which joins them in one flesh On this compelling note Joseph and Lois Bird begin a detailed and sympathetic treatment of the Christian concept of sexuality in marriage The authors examine candidly and explicitly the physical psychological and spiritual dimension of the marital union as well as the responsibilities of marriage A mature comprehensive guide to the subject of human sexuality The Freedom of Sexual Love covers all aspects of love making with wholesomeness and reverence The authors emphasize the inseparability of spirit and flesh in Christian marriage stressing the involvement of the total personality Thus they consider fully the psychological and spiritual meaning found in sexual relations and the nature of man and woman as they interact as husband and wife Throughout the book the authors stress that sexuality permeates every aspect of the human relationship in marriage and there is a need for the marriage partners to understand this fully Drawing upon the countless experiences of the many couples they have counseled and especially upon their own marriage the authors have succeeded in portraying the marital union as a commitment in love The Freedom of Sexual Love is an invaluable reading experience for anyone married about to be married or contemplating the sacrament of marriage *Sex and the Spiritual Life* Patricia Cooney Hathaway,2020-09-11

Our Sexuality, the Primal Sacrament Matt Tumulty, 2005-01-01

A Catholic Handbook on Sex William C. Graham, 2011

Children of the Light know that human sexuality is not just about the pleasures of the flesh but about the witness of holy lives. And holy lives need be neither dull nor lacking in pleasure. So we ask: not: What and how much can I get away with and still hope to see the face of God? but: How can I feel confident that my deeds and my attitudes are in keeping with human dignity so that I can act and walk confidently as a son or daughter of the Most High God? What does the Church teach? If I do not immediately understand the wisdom of a position or teaching, shall I presume that the Church is wrong and should change to share my opinion? What if I find some teachings difficult either to understand or to put into practice? These are the questions that launch Fr. Graham's investigations into this topic. Those who seek only a good time will find this book out of step with that desire. Those who seek to participate as fully as possible in what it means to be both fully human and fully alive will be both cheered and challenged here.
