Sacrament Of Night:

Sacrament of Night Louise Cooper,1997 They've been visiting the human world for centuries the strange frail totally colorless denizens of the Twilight Dimension Lured by the color the brightness the sheer vitality of mankind's world they mean no harm but few of them ever return home Foss Agate well to do physician and dabbler in the supernatural sciences has a burning ambition to break the secret of the gateway between the worlds by capturing a living twilight creature But his captive is no ordinary twilight dweller Charn in an emissary of his queen sent on a mission to discover the fate of her son and heir who vanished years ago within the human world Torn by loyalty to Foss and compassion for his victim is his daughter Calliope a young girl who cannot help but fall prey to Charn's spell and who holds the key to a long hidden secret But before she can unlock the door to the past she must overcome the fear that threatens to destroy her Fear of the unknown Fear of the Sacrament of Night

Question and Answer, Part I and II James Fisher, 2001-10-18 Summa Theologica, Volume 5 (Part III, Second Section & Supplement) St Thomas Aquinas, 2013-01-01 The Summa Theologica is the best known work of Italian philosopher scholar and Dominican friar SAINT THOMAS AQUINAS 1225 1274 widely considered the Catholic Church's greatest theologian. Famously consulted immediately after the Bible on religious questions at the Council of Trent, Aquinas's masterpiece has been considered a summary of official Church philosophy ever since. Aquinas considers approximately 10 000 questions on Church doctrine covering the roles and nature of God, man, and Jesus, then lays out objections to Church teachings and systematically confronts each using Biblical verses, theologians, and philosophers to bolster his arguments. In Volume V, Aquinas addresses penance, contrition, and confession, excommunication, matrimony, and divorce, slavery, judgment, purgatory, and much more. This massive work of scholarship, spanning five volumes, addresses just about every possible query or argument that any believer or atheist could have and remains essential more than seven hundred years after it was written for clergy, religious historians, and serious students of Catholic thought.
