Evangelism Renewed Henry H. Knight, 2025-04-08 Evangelism has entered a new day From the 1980s to the present a vast array of new forms of evangelism have emerged shaped and informed by theological reflection on the good news of Jesus Christ and the mission of God Rejecting the reduced and formulaic forms of evangelism typical of most of the twentieth century these newer approaches speak more of the reign and love of God relationship and community and both personal and social transformation They are very diverse but each has something to contribute to how we understand and practice evangelism This book is a doorway into these theologies of evangelism and their fresh and dynamic ways of sharing the good news

The Bread of Life: Or Saint Thomas Aquinas on the Adorable Sacrament of the Altar Saint Thomas

Aquinas, Aeterna Press, There is a very beautiful treatise of St Thomas Aquinas on the adorable Sacrament of the Altar It is hard to know which to admire more the fulness and precision of its arrangement or the way in which he brings in the words of the Holy Ghost from the Sacred Scriptures From this treatise and nearly always in its very words I have arranged these Meditations for the Servants of the Holy Ghost In fact all that was needed was to number or letter the divisions of the book so that they could be easily seen The prayers and thanksgivings I have added I have put the teaching of the Saint by itself and the words of the Holy Ghost by themselves In this I have only carried out what St Thomas has himself done in the treatise For the more part he has after stating and explaining his points put the texts by themselves referring to the first point the second point the third point and so on Putting them all together therefore is only carrying out what this Angelic Saint has done
