understanding of people's needs as he explores the Safe Jesus the Tender Jesus and the Extreme Jesus God has told us that he holds us in the palm of his hands where no one and nothing can harm the most important part of us But from biblical times to the present day Christians encounter accidents and disasters What does it really mean to experience the Safe Jesus Jesus tells his disciples that they must love one another Yet time and again we try to find achievement and success through our own efforts and individual gifts only to end in failure Instead we need to know the Tender Jesus who becomes visible when we join with each other in the body of Christ Jesus only did what he saw his father doing Each of his actions and encounters were fueled informed and instructed by the dynamic creative unpredictable Spirit of God Failing to be obedient in this way is what truly constitutes sin When we are open to the genuine leading of the Spirit we will experience the Extreme Jesus In Jesus Safe Tender Extreme Adrian Plass is simply a man with a broom sweeping away the rubbish that prevents others from passing further in and further up by talking about what Jesus does and doesn't do in my life **A Doubter's**

**Guide to the Bible** John Dickson, 2015-02-03 A concise account of the whole biblical narrative and what it means as well as the beliefs and lifestyle it inspires for those observing Christianity from the outside especially those who think there are good reasons not to believe A Doubter's Guide to the Bible charts a biblical roadmap from the story of creation to the fulfillment of creation answering many of the most frequently asked questions along the way How can we read the creation account in Genesis in light of modern science How should Old Testament law be understood when it appears inconsistent and irrelevant Isn't the story of Jesus birth a little far fetched What is the Gospel Why are there four accounts of the same thing and what are they really saying John Dickson provides a readable and inviting Bible primer for anyone interested in informing themselves about the most widely read book in the history of humanity By presenting the whole of the Bible as an account of God's promise to restore humanity to Himself and humans to one another and to creation Dickson allows believers and skeptics alike to gain insight into why the Bible has been a compelling life changing and magnetic force throughout the ages and why it still matters
