William James Bruce Wilshire, 1984-06-30 The importance of this collection of writings of William James lies in the fact that it has

been arranged to provide a systematic introduction to his major philosophical discoveries and precisely to those doctrines and theories that are of most burning current interest William James The Essential Writings is a series of philosophical arguments on some of the most obscure and head cracking problems in contemporary philosophy the relation of thought to its object the interrelationships between meaning and truth the levels and structures of experience the degrees of reality the nature of the embodied self the relation of ethics aesthetics and religious experience to man s strenuously and heroically active nature and above all the structurization of the experienced life world as the validating ground and origin of all theory Bruce Wilshire has provided an introduction to William James s thought on these and other related points which is at once both substantial and subtle

Scott Cunningham--The Path Taken Christine Cunningham Ashworth,2023-09-04 The iconic and renowned bestselling author Scott Cunningham 1956 1993 played a significant role in establishing Wicca in North America His pioneering book Wicca A guide for the solitary practitioner radically altered the practice of Wicca enabling practitioners to self initiate Scott s books especially his encyclopedias remain popular today years after his death In recent years Scott has also emerged as a celebrated queer icon especially in the witchcraft world Although so many people have come to Wicca and Paganism through his books little is actually known about Scott Cunningham as a person Page 4 of cover

The Religious Dreamworld of Apuleius' Metamorphoses James Gollnick,2006-01-01 Apuleius Metamorphoses is probably best known as the literary source for the myth of Eros and Psyche and as a primary source of information about mystery religions in the ancient world There is another realm of the Metamorphoses which has until now received relatively little attention namely the many dreams found within it The Religious Dreamworld of Apuleius Metamorphoses offers an engaging portrait of the second century dreamworld Recognizing the centrality of the religious function and spiritual interpretation of dreams this book illustrates their vital importance in the ancient world and the wide variety of meanings attributed to them James Gollnick draws deeply from historical and psychological studies and provides a historical background on the current interest in the role of dreams in psychological and spiritual transformation This study of Apuleius Metamorphoses adds to an appreciation of Apuleius the dreamer and the second century dreamworld in which he lived and wrote
