Reid,2016-08-18 The war memorial in the Scottish village of Bridge of Weir lists 72 men who died during the First World War
Their deaths occurred in almost every theatre of the war They were awarded very few medals and their military careers were
not remarkable except in the important respect that they like countless other peaceful civilians answered their country s call
in its time of need This book follows the lives of these sons of Bridge of Weir not just as soldiers sailors and airmen but as
husbands fathers sons brothers and members of a small local community which felt their loss intensely At the same time it
also paints a larger picture of the war of the politicians and generals and military campaigns which shaped it The brave men
of Bridge of Weir know little of the wider context their experience was of the little histories in which they fought and died
Readers of this book will understand what the 72 never knew why and how the war was fought that claimed their lives
Time and Sacrifice in the Aztec Cosmos Kay Almere Read,1998-07-22 This introduction to the imaginative world of
the Mexica or Aztec explores sacrifice in the richly textured life of 16th century Mexico Kay Almere Read describes a
universe in which every object was timed by a given lifespan and in which sacrifice was the mechanism by which time
functioned This book makes a convincing case for what sacrifice meant religiously and for how it came to be that human
sacrifice of staggering proportions could be accepted matter of factly by the Mexica people **Encyclopædia of Religion
