The Mystery Fancier William F. Deeck, 1993-01-01 A bibliography of various mystery novels published between November 1976 and Fall 1992 *INFINITELY ARMED - FATE CHAPTER 07* Dang The Bao, 2025-08-01 INFINITELY ARMED FATE CHAPTER 07 Being hit by a large pile of iron Shen Yi's life suddenly dropped by a third but Shen Yi did not panic instead he used the force to increase his speed as he fell into the water As soon as he lowered his entire body into the water he quietly swam to the bottom The lake was not deep he quickly sank to the bottom then splashed mud everywhere The mud turned the clear lake water into an unbearable abyss and at the same time blocked the sight of the alien Without smoke bombs he created his own mud cover Shen Yi did not want to be used as a live target by the King of Ten Thousand Ci on the yacht Even so countless iron balls still chased after him into the water whizzing towards him like bullets piercing through the water dragging long and narrow ripples along Shen Yi's body An iron ball pierced Shen Yi's arm and tiny drops of blood flowed out from the wound floating to the surface of the water **Captive Love: The Knight Captain I Took Care of Seems To Be Doting on Me** Takako Midori, If I have another life this time I want a family to love and be loved by Odette is tasked with caring for prisoners from an enemy country While nursing a dying man back to health she is taken along with him by soldiers who come to rescue him and she ends up living in the enemy nation of Krastera The rescued man Captain Theodore of Krastera's knights treats Odette with respect as his savior and begins to feel something special for her However Odette who has never been blessed with family or marriage is simply doing her best to just live This is a heartfelt pure love story about two people with troubled pasts who find connection and hope in each other **Good Luck Frenchy** Alain Olivier, 2020-02-27 Being mistaken for someone else being falsely depicted as an important international heroin importer and trafficker and being made an unwilling accessory to murder aren't everyday occurrences Surely this is not how the police behave to get their man But what if they go further What if with the aid of a thuggish civil agent the RCMP implement a buy and bust operation a Final Solution to get rid of you And what if a Mountie is killed in the process under very nebulous circumstances A chilling scenario that becomes even more disconcerting when members of the RCMP commit perjury to insure your conviction and cover up the true circumstances surrounding their colleague's death But what about you being sentenced to death as a result of this and a trial littered with lying witnesses and tainted evidence that sends you on a path meant to shatter your already broken life And what if in the end Canadian legal institutions and ministries opt to defend the undefendable in order to protect the RCMP's integrity and the image of Canada Known as Bang Kwang prison inmate 482 33 my name is Alain Olivier I learned first hand what it means to be treated as expendable when the RCMP screws things up during a sketchy buy bust operation oversea This was my struggle against all odds to survive in the jungle of Bang Kwang prison a true story that has something for everyone drugs murder threats violence conflict of interest political corruption coverups and my faint hope that the Canadian government would come to its senses and bring me home **WorldEnd:**
