Cole, Piara Singh Sambhi, 2016-02-08 This volume will provide a thorough comparison of the rituals beliefs and history of Sikhism and Christianity Chapters will focus on God revelation the scriptures worship ethics and the history of these two religions and will highlight both differences and similarities *The Sikhs in Relation to Hindus, Moslems, Christians, and Ahmadiyyas* John Clark Archer, 1946 Junior Assembly Book Doreen Vause, Liz Beaumont, 1989 A source of assembly ideas for the busy teacher this book presents stories and poems many from around the world The material for the 8 to 13 age group is designed to encourage children to think about themselves their world and their feelings fostering understanding and tolerance of the cultures and beliefs of others **Religion and World Civilizations** Andrew Holt, 2023-06-30 An indispensable resource for readers investigating how religion has influenced societies and cultures this three volume encyclopedia assesses and synthesizes the many ways in which religious faith has shaped societies from the ancient world to today Each volume of the set focuses on a different era of world history ranging through the ancient medieval and modern worlds Every volume is filled with essays that focus on religious themes from different geographical regions For example volume one includes essays considering religion in ancient Rome while volume three features essays focused on religion in modern Africa This accessible layout makes it easy for readers to learn more about the ways that religion and society have intersected over the centuries as well as specific religious trends events and milestones in a particular era and place in world history Taken as a whole this ambitious and wide ranging work gathers more than 500 essays from more than 150 scholars who share their expertise and knowledge about religious faiths tenets people places and events that have influenced the development of civilization over the course of recorded human history Religion Today Ross Aden, Chris A. Kramer, 2024-07-02 Religion Today introduces students to key concepts in religious studies through a compelling problem solving framework Each chapter opens with a contemporary case study that helps students engage in current religious issues explore possible solutions to difficult religious problems today and learn key themes and concepts in religious studies To enhance student learning a free Student Study Guide is available for download from Rowman Littlefield The Study Guide features chapter summaries definition quizzes for students to test themselves on key terms and possible learning activities **Believers All - a Book of Six World Religions** David Simmonds, 2014-11 NO description available *All One Must Know About The Sikh Faith* Colonel Daljeet Singh Cheema, 2023-06-05 This book helps as a religious teacher preaching the fundamental learnings basic beliefs and understanding of the sikh faith It is a simple and primary book that teaches our young generation and beginners about The Sikh Religion All One Must Know About The Sikh Faith Every generation is the trustee of its culture and heritage for future generations who become its custodians Teachings of a faith of love peace Oneness of God and universal brotherhood founded by Guru Nanak and carried forward by his nine followers are the most valuable heritage of the Sikhs Identity and unshaken faith of the present generation of Sikhs is perhaps the last link

between the ones who value and respect its heritage and take pride in being born a Sikh and the new crop that seem to be getting lost in search of it Despite the orthodoxy and rigidity that holds Sikhism back Sikhs have excelled in all aspects of human endeavour and are acknowledged as uniquely courageous people working towards the upliftment of humanity and their contribution is extraordinary considering their small number The youth in India and abroad are ignorant of the glorious past of the Sikh faith what it stands for and what it can teach the world For example most of them may not be aware of the importance of the five Takhats Amrit vela Daswandh Chaali Mukte and Nishan Sahib et al in Sikh history The knowledgeable must help the new generations understand all such aspects in correct historical perspective The book in your hands is a humble effort in that direction
