Silence In Heaven:

Silence in Heaven , *Silence in Heaven. A sermon [on Rev. viii. 1], etc* John KELLO,1814 WAKE UP CHURCH

Ryan Richardson,2014-09-02 I began the study of the subject of Christ s second coming and the end times in detail with much prayer and study I must say that I have been intrigued with the book of Revelation for years Through those years I have been rotating from position to position in reference to pre trib mid trib and post tribulation As I would read various scriptures they would seem to contradict each other and point to a specific yet different time for the return of Christ on the clouds to gather His saints Perhaps you too have been confused about the timing of the second coming of Jesus and the end times Maybe you too have changed your position a few times depending on the various scriptures you happen to be reading at the time Or is there a chance that you hold a particular position but if pressed to support it welllll In addition to our own confusions and variations there are the traditional beliefs and doctrines within the various churches that differ as much as the churches themselves I have asked questions to pastors deacons Sunday School teachers and other faithful saints and have received widely differing opinions about this subject There were none who could entirely support their positions with scriptures that did not conflict with their own opinions The usual final response from all I have spoken with goes somewhat like this Well these things are just not meant to be understood at this time UNTIL NOW at least for me This book shares with specific scriptural documentation that will remove all confusion about timing of the Second Coming of Jesus Christ I hope you are blessed by it **Unlocking the Last Days** Jeff Lasseigne,2011-03-01 The very title of the last book of the Bible means unveiling Yet this mysterious and confusing book seems to do anything but unveil especially when we read it on our own Unlocking the Last Days takes readers through key parts of this misunderstood book using a verse by verse approach that clearly communicates God s truth warnings and promises Both Bible teachers and students will find this book a welcome aid to understanding an intriguing piece of the Scriptures What Happens...When God Gets Angry Buddy Rogers,2023-04-05 What Happens When God Gets Angry God created Heaven and earth and all that is in it He created man and woman with His two hands and named them Adam and Eve God told them they had total control of the Garden of Eden except one tree The Tree of Knowledge of Good and Evil God did not want them to look at it or touch it or eat the fruit from it The warning from God did not last long Satan was after Adam and Eve as soon as God told them to stay away from the tree Satan convinced them to eat the fruit so their eyes would be opened and thus sin was born God threw Adam and Eve out of the Garden and into the world of sin that the man and woman had created by disobedience Several hundred years later God saw the wickedness of the Adam and Eve generations He decided to clear the earth of sinful man God killed every land born creature with a flood of water that was above the mountain tops God spared Noah his wife their three sons and their wives Only eight people survived the flood Those eight people produced today s world population of eight billion Hundreds of years later God again looked at the sins of mankind and was disturbed He looked at two of the worst cities Sodom and Gomorrah and decided

to destroy four cities in the evil valley Abraham asked God to spare the cities if he could find ten righteous people within the city of Sodom Abraham could only find four righteous people so God destroyed the cities with fire and brimstone Now hundreds of years after Sodom and Gomorrah God is looking at the world today He is deciding how long He will wait before He sends Christ to rapture the church age saints and destroy sinful mankind In the Bible book of Revelation God explains some of the events that will take place during the Tribulation period of seven years I have tried to capture the consequences in this book After these events there will be no reason for God to look from Heaven to earth anymore because Heaven will be on earth It is all there right in the Bible *All Power to the Lamb* James R. Johnson,2010-12 Book Summary If you were God writing a book you wanted men to understand would you write it in such a way that men would have to make up meaning in order to understand it or would you write it in such a way that those that seek to understand could actually come to a knowledge of its truth Mt 7 7 The present commentary takes the position that God wrote Revelation in such a way that with sufficient effort and intellectual honesty readers can understand it Certainly there are symbols in Revelation but when God does use symbols He provides inspired interpretations of the symbols This commentary seeks to avoid the mistakes of the views that use the symbolical approach to Revelation preterist continuous historical spiritualist and idealist These approaches suffer from two basic flaws assuming the text is symbolical when it is not and making up meaning regarding the text based on stream of consciousness word association much as one would do looking at Rorschach inkblots This commentary seeks to avoid telling God what He should have said and strives to understand what God actually meant Of all the approaches to understanding Revelation this commentary is most closely aligned with the dispensationalist premillennialist view in that it views Revelation from a literalist futurist perspective It is different from the typical dispensationalist schema in that it views the seven seals as the powers of the Lamb understands the exercise of the powers of the seven seals to be simultaneous processes and casts chapters 8 22 as three parallel prophecies of the Lamb s power over the course of the histories of Israel the nations and the saints This commentary also makes use of many of the non canonical works that provide insight into the spirit world and detail regarding the end of the present age *One Hundred Revival Sermons and Outlines* ,1906 **The Revelation of Jesus Christ** Wallace Shows,2004-10 One of the most fascinating relevant and often difficult to understand books in the Bible is the Revelation of Jesus Christ It has been misinterpreted and misunderstood by many over the years and in many instances it has been placed in the category of allegory or mythology Expounded in several venues over the last forty plus years this study has been a blessing to many and has presented this often puzzling book in such a manner that even the young Bible student can understand It is written in a series of lectures that help to simplify yet exhaustively instruct the student in the meaning and the implication of this important book as it relates to the times in which we live As we anxiously wait for our Lords soon return this series of lectures will help us realize just how near to that coming event we actually are **The Little Schoolmaster Mark** Joseph Henry Shorthouse,1883

The dual land, a collection of verses from many sources for those who have been, who are, and who may be bereaved Dual land,1900
