The Silent Church Robert William Brock, Jr.,2009-09 Author of God s Plan for a Joy Filled Life God s Plan for the Family God s Plan for a Father My Daily Devotional My Daily Devotional Volume II My Daily Devotional Volume III Our Kentucky Heritage In 1954 a little known law was pushed through Congress by Lyndon B Johnson who later became our President which has impacted the freedom of all Christians more than any other law in the history of our nation This law has resulted in silencing the churches their leadership and their pastors thus resulting in the moral decay of our society Since the passage of this law we have seen the sin of abortion take the life of millions of innocent unborn babies We have seen the sacred institution of marriage between one man and one woman being compromised by the gay and lesbian community We have seen the right of prayer being removed from our schools and our government This law has silenced our churches and our pastors thus resulting in the moral decay of our society This book discusses the history of how this law came to be where we are today and what the future holds for our Christian nation but most of all what we can do to reclaim our great nation for God

**The Silent Church** Zdravko Plantak,2016-07-27 The relationship between the Adventist church and society at large has always been ambiguous One reason for this has been the church s inarticulate social ethics While the church upheld the concept of human dignity promoted religious liberty and sided with the poor nationalism and racism developed among its members Women in the church were also unfairly treated Zdravko Plantak confronts this problem head on He begins by looking at the church s history theology and ethics in order to discover reasons for the inconsistencies in its approach to human rights and then moves on to propose a more comprehensive approach to its social ethics

**The Silent Church** Robert William Brock, Jr.,2014-10-28 In 1954 a little known law was pushed through Congress by Lyndon B Johnson who later became our President which has impacted the freedom of all Christians more than any other law in the history of our nation This law has resulted in silencing the churches their leadership and their pastors thus resulting in the moral decay of our society Since the passage of this law we have seen the sin of abortion take the life of millions of innocent unborn babies We have seen the sacred institution of marriage between one man and one woman being compromised by the gay and lesbian community We have seen the right of prayer being removed from our schools and our government This law has silenced our churches and our pastors thus resulting in the moral decay of our society This book discusses the history of how this law came to be where we are today and what the future holds for our Christian nation but most of all what we can do to reclaim our great nation for God

*The Silent Queen* Paul Ellis,2020-11-10 You have a story a song or a message that the world needs to hear But if you are denied the opportunity to share your gift your light will not shine as bright as God intended In *The Silent Queen* Paul Ellis demolishes the lies that keep women silent and sidelined In this book you will learn what Jesus really thought about women in leadership why the Bible never said women should stay in the shadows why submission may not mean what you think it means why you should never compare yourself or your wife to the excellent woman of Proverbs 31

and much more I was stunned by the things I discovered in this powerful book Sandra McCollom author of *I Tried Until I Almost Died* Brilliant Amen Yes Jami Amerine author of *Well Girl* A critical and essential masterpiece Nate Tanner evangelist at L3 International Ministries      **Silent Churches** Peter J. Babris, 1978 Through the aid of many institutions e g Institutum Balticum Radio Liberty Research Radio Free Europe and individuals the author has gathered a vast amount of factual information on the current state of religion in communist Eastern Europe He has examined it warily and illustrates that the churches are not silent the title is ironic but the faithful are all under siege from peer pressure to outright murder from confiscation of property to its destruction Yet even the Soviets are beginning to discern that their faith cannot be crushed The evidence presented is not only surprising it is occasionally infuriating namely the remaining silent of the World Council of Churches and his unblushing pro Marxist supply of guerrilla factions in Africa The author s efforts will have been worthwhile if the reader realises that freedom of religion is not guaranteed behind the Iron Curtain despite press releases to the contrary      **Irish Women's Prison Writing** Red Washburn, 2022-11-16 This book explores 50 years of Irish women s prison writing 1960s 2010s connecting the work of women leaders and writers in Northern Ireland during the Troubles This volume analyzes political communiqu s petitions news coverage prison files personal letters poetry and short prose and memoirs highlighting the personal correspondence auto biographical narratives and poetry of the following key women Bernadette McAliskey Eileen Hickey Mair ad Farrell S le Darragh Ella O Dwyer Martina Anderson Dolours Price Marian McGlinchey formerly Marian Price ine and Eibhl n Nic Giolla Easpaig Ann and Eileen Gillespie Roseleen Walsh and Margaretta D Arcy This text builds on different fields and discourses to reimagine gender and genre as central to an interdisciplinary and intersectional prison archive Centering Irish women s prison writings in order to challenge canonization in history and literature this volume argues that women s lives and words offer a different view of gender and nation as well as offer a fuller and more inclusive archive of Irish history and literature Additionally this book will point to the ways in which their politics of everyday life and their cultural work is a form of anti colonial civil rights feminism for it speaks truth to power in a world in which compliance and silence are valued Overall this text focuses on rethinking and recasting women s voices and words in order to document and promote the ongoing Irish freedom struggle from an abolitionist feminist perspective      **Birth Control Battles** Melissa J. Wilde, 2019-12-17 Conservative and progressive religious groups fiercely disagree about issues of sex and gender But how did we get here Melissa J Wilde shows how today s modern divisions began in the 1930s in the public battles over birth control and not for the reasons we might expect By examining thirty of America s most prominent religious groups from Mormons to Methodists Southern Baptists to Seventh Day Adventists and many others Wilde contends that fights over birth control had little do with sex women s rights or privacy Using a veritable treasure trove of data including census and archival materials and more than 10 000 articles statements and sermons from religious and secular periodicals Wilde demonstrates that the push to liberalize positions on contraception was tied to complex views of

race immigration and manifest destiny among America's most prominent religious groups Taking us from the Depression era when support for the eugenics movement saw birth control as an act of duty for less desirable groups to the 1960s by which time most groups had forgotten the reasons behind their stances on contraception but not the concerns driving them Birth Control Battles explains how reproductive politics divided American religion In doing so this book shows the enduring importance of race and class for American religion as it rewrites our understanding of what it has meant to be progressive or conservative in America

*Stories of Desire and Narratives of Faith* Victor Hunter, Lanny Hunter, 2019-04-02 Stories are the foundation for identity and the ground of understanding Stories of Desire and Narratives of Faith addresses humankind's search for identity and meaning through the stories of science and religion Both arose in the mists of history Both are awe inspiring Both beggar the imagination Both have always competed for authority Science gained preeminence in our postmodern pluralistic globalized world as evidenced based while religion for many reasons lost credibility Yet religion has not disappeared Stories is a concise engaging inspiring accessible account of the history of science geological and biological evolution perceived through increasingly sophisticated technology and the history of nine text based world religions of antiquity Stories avoids insider language democratizing both God talk and scientific jargon without patronizing either There is no attempt to identify the best or truest religion and Stories disavows dogmatic religious triumphalism The authors do follow the tradition of giving an account of their Christian faith the only religious story with which they have experience They invite others to do the same paying attention to their own stories as they grapple with modern science do theology and engage faith Stories proposes how and in what manner these disciplines can meaningfully converse in today's world

English Ministry Crisis in Chinese Canadian Churches Matthew Richard Sheldon Todd, 2015-03-26 In this book Dr Matthew Todd looks into the anecdotal reporting of high numbers of Canadian born Chinese leaving Western Canadian Chinese churches what is termed the silent exodus Some of the fastest growing Canadian churches are Chinese yet reportedly the highest dropout rates are among Chinese and Asian church adult ministries This book recommends solutions towards the retention of Canadian born Chinese adults in Chinese bicultural churches through empowerment To address retention the key factors that contribute to a silent exodus are established through qualitative research with participants of

diverse church affiliations Todd examines various models and proposed solutions the Chinese church has used to retain its English speaking congregants and gives attention to a theological basis for being inclusive in mission initiatives and for empowerment through passing the leadership baton Todd makes some recommendations on the new wave of an emerging congregational model that requires negotiation with Chinese church leadership to give power away to English ministry leaders and congregations He anticipates that this will permit transformational leadership practices that contribute to shalom community transformation and lasting congregations
