Silks Spices Empire:

Silks, Spices, and Empire Eleanor Holgate Lattimore, 1971 **Silks, Spices and Empire** Owen Lattimore, Eleanor Lattimore, 1973 Silks, Spices, and Empire Owen Lattimore, 1968 A vivid contemporary glimpse of the appearance climate customs commerce rulers and happenings of Asia as seen through the eyes of international travelers and explorers

Spices, Scents and Silk James F. Hancock, 2021-08-31 Spices scents and silks were at the centre of world trade for millennia Through their international trade humans were pushed to explore and then travel to the far corners of the earth Almost from their inception the earliest great civilizations Egypt Sumer and Harappa became addicted to the luxury products of far off lands and established long reaching trade networks Over time great powers fought mightily for the kingdoms where silk spices and scents were produced The New World was accidentally discovered by Columbus in his quest for spices In this book eminent horticulturist and author James Hancock examines the origins and early domestication and culture of spices scents and silks and the central role these exotic luxuries played in the lives of the ancients The book also traces the development of the great international trade networks and explores how struggles for trade dominance and demand for such luxuries shaped the world **Silks, Spices and Empire** Owen Lattimore, Eleanor Holgate Lattimore, 1973 **Spices** Fred Czarra, 2009-05-01 The scent of oregano immediately conjures the comforts of Italian food curry is synonymous with Indian flavor and the fire of chili peppers ignites the cuisine of Latin America Spices are often the overlooked essentials that define our greatest eating experiences In this global history of spices Fred Czarra tracks the path of these fundamental ingredients from the trade routes of the ancient world to the McCormick s brand s contemporary domination of the global spice market Focusing on the five premier spices black pepper cinnamon nutmeg cloves and chili pepper while also relating the story of many others along the way Czarra describes how spices have been used in cooking throughout history and how their spread has influenced regional cuisines around the world Chili peppers for example migrated west from the Americas with European sailors and spread rapidly in the Philippines and then to India and the rest of Asia where the spice quickly became essential to local cuisines The chili pepper also traveled west from India to Hungary where it eventually became the national spice paprika Mixing a wide range of spice fact with fascinating spice fable such as giant birds building nests of cinnamon Czarra details how the spice trade opened up the first age of globalization prompting a cross cultural exchange of culinary technique and tradition This savory spice history will enliven any dinner table conversation and give that meal an unforgettable dash of something extra Islamic Gunpowder Empires Douglas E. Streusand, 2018-05-04 Islamic Gunpowder Empires provides readers with a history of Islamic civilization in the early modern world through a comparative examination of Islam s three greatest empires the Ottomans centered in what is now Turkey the Safavids in modern Iran and the Mughals ruling the Indian subcontinent Author Douglas Streusand explains the origins of the three empires compares the ideological institutional military and economic contributors to their success and analyzes the causes of their rise expansion and ultimate

transformation and decline Streusand depicts the three empires as a part of an integrated international system extending from the Atlantic to the Straits of Malacca emphasizing both the connections and the conflicts within that system He presents the empires as complex polities in which Islam is one political and cultural component among many The treatment of the Ottoman Safavid and Mughal empires incorporates contemporary scholarship dispels common misconceptions and provides an excellent platform for further study

Empires of the Silk Road Christopher I. Beckwith, 2009-03-16 An epic account of the rise and fall of the Silk Road empires The first complete history of Central Eurasia from ancient times to the present day Empires of the Silk Road represents a fundamental rethinking of the origins history and significance of this major world region Christopher Beckwith describes the rise and fall of the great Central Eurasian empires including those of the Scythians Attila the Hun the Turks and Tibetans and Genghis Khan and the Mongols In addition he explains why the heartland of Central Eurasia led the world economically scientifically and artistically for many centuries despite invasions by Persians Greeks Arabs Chinese and others In retelling the story of the Old World from the perspective of Central Eurasia Beckwith provides a new understanding of the internal and external dynamics of the Central Eurasian states and shows how their people repeatedly revolutionized Eurasian civilization Beckwith recounts the Indo Europeans migration out of Central Eurasia their mixture with local peoples and the resulting development of the Graeco Roman Persian Indian and Chinese civilizations he details the basis for the thriving economy of premodern Central

Eurasia the economy's disintegration following the region's partition by the Chinese and Russians in the eighteenth and nineteenth centuries and the damaging of Central Eurasian culture by Modernism and he discusses the significance for world history of the partial reemergence of Central Eurasian nations after the collapse of the Soviet Union Empires of the Silk Road places Central Eurasia within a world historical framework and demonstrates why the region is central to understanding the history of civilization

Cultures and Civilizations Struan Reid, 1994 The history of humankind its cultures and civilizations is inextricably linked with the development of trade Cities grew up around the markets it took place in and empires were built on the wealth it created Across Asia the paths of the Silk and Spice Routes brought together the many different peoples of these empires and cities When meeting to trade they not only exchanged precious goods but also the ideas and beliefs that shaped each of their cultures ideas expressed in their lifestyles their arts and even in the goods they had to sell By these means cultures slowly changed amalgamated and developed Splendidly illustrated with dozens of historic visuals Cultures and Civilizations explores the interrelations of trade and cultures as they developed along the Silk and Spice Routes
