together in four volumes to reveal the ups and downs of Sierra's incredible God-led journey. Volume Three: An exciting trip to Europe challenges Sierra to Open Your Heart to loving others without expectations. At the start of her senior year, only Time Will Tell the truth about Sierra's friendships. And in Now Picture This, she wonders if her relationship with Paul is as picture perfect as she thinks. Christy Miller knows a good friend when she meets her, and so will you. Sierra Jensen is at it again. Open Your Heart: What an adventure. Having Christy Miller invite Sierra on an all-expenses-paid trip to Europe was amazing, but that was just the beginning. Sierra never imagined she'd meet someone like Alex, a dark-eyed Russian college student who's a Christian. Or that they'd all come face-to-face with disaster. Through it all, one question haunts Sierra: Can she learn to love others without expecting anything in return? Will she finally be able to open her heart to others and to God? Time Will Tell. Sierra's senior year of high school is here, but after the great summer she just had, how can it be anything but a letdown? Sure enough, the year tanks big time when the school issues her buddy Randy an ultimatum. Stuck in the middle, Sierra wonders what's right: Her friend or the rules? She longs to talk it over with Amy, but Sierra's best friend still isn't talking to her. What's worse, she hasn't heard a word from Paul. No doubt about it: this school year is totally frustrating. Will Sierra ever understand her friendships or God's plans for them? Now Picture This: Why can't everyone just leave Sierra alone? All she wants to do is find a place to read the letter she just received from Paul, to soak in every word and memorize the photo he sent her. But Thanksgiving at the Jensen house means relatives everywhere. Sierra hides out, immersed in her ideas for Paul's birthday and Christmas gifts, especially his requested gift: a photo of her. Sierra's determined the photo has to be spectacular. But a small voice of doubt nags at her: What does God think of her ignoring her family and friends this way? Is her picture-perfect relationship with Paul really all she thinks it is?

Story Behind the Book: After writing the twelve-book Christy Miller series for teens, a new character showed up on the pages of the final novel. Her name was Sierra Jensen, and she was so compelling as a teenage character that readers began asking for a series about Sierra in order to hear more about her life choices. Our family had just moved to Portland at the time, and I found it easy to picture a sixteen-year-old like Sierra shopping at the local vintage clothing stores, hanging out with friends at a garage band concert, and serving at the homeless shelter on weekends.

Robin Jones Gunn [My Journal: Sierra Vale](#) Sherridean Abddeen, 2025-09-11

Sierra Vale is magnetic, dangerous, and unforgettable. A striking blonde with blue eyes, high heels, and a dancer's grace, she's more than just the life of the party; she's a force who changes every room she enters. Behind her beauty lies sharp instincts, a gift for reading people, and a secret past that ties her to powerful undercurrents most never see. From Miami to New York to Chicago, Sierra moves through a world of hidden structures where nightlife glimmers over shadows of corruption, loyalty, and survival. She thrives on energy, but she also knows how fast joy can turn to danger and how to walk the line between both. This is a story of reinvention, resilience, and magnetic power. Sierra isn't a hero or villain; she's a survivor who learns to wield her presence, her gift, and her instincts to carve out her own destiny. Along the way, she faces betrayals, unravels hidden truths about her family, and the cities she loves.
