Lord Jims Many Marriages:

Lord Jim's Many Marriages Ruby Christian, 1995-11-01 Jim Proctor was one of Vienna's rare people. He was truly successful and seemingly a happy man. However, there was a blight on his life. He was lonely. Even though he knew where and how to get everything, he had yet to find the right female companion. He needed a wife. Actually, he had won and lost one years ago. He did not expect to meet another like her. As a Social Work Counselor in a Rehabilitation Clinic at Vienna, Alabama, Jim had dealt with marital or companionable arrangements that were far from standard, set by law and religion alike, as far as the good old USA was concerned. Some of these arrangements had come close to practices in cultures not at all American. Jim found a way to legally marry as many women as he wanted back cover

F. Scott Fitzgerald on Authorship Francis Scott Fitzgerald, 1996 In a substantial introduction to the volume, Matthew J. Bruccoli positions Fitzgerald as a case history for the profession of authorship. An approach to American literary history formulated by William Charvat, Bruccoli notes that more is known about the professional life of Fitzgerald than about that of any other major American author, and drawing on that wealth of information, he challenges familiar myths about Fitzgerald's squandering of fortunes and literary genius. Bruccoli exposes the error of segregating Fitzgerald's magazine and movie work from his novels, suggesting instead that a symbiotic relationship exists among these works and ties them together

A Political Genealogy of Joseph Conrad Richard Ruppel, 2014-12-11 J zef Teodor Konrad Korzeniowski who gradually transformed himself into the English writer Joseph Conrad was a mercurial personality He left Poland for the sea though he had no experience with salt water He left the Polish language for French and then for English He attempted suicide at the age of twenty He invested in various schemes and lost his inheritance He married an English typist nearly sixteen years younger than himself with whom he had nothing in common He worked as a writer though he made no money through all the years of his most important work and though he experienced terrible psychological breakdowns after completing each novel He was warm with his friends ingratiating with influential strangers but also intensely irritable and easily offended His work is as varied and changeable as his personality from his first two emotionally intense Malay novels to the stolid and confident *Nigger of the Narcissus* and *Typhoon* from the coldly ironic *Outpost of Progress* to the nightmarishly subjective *Heart of Darkness* from the leisurely panoramic visions of *Nostromo* to the tautly nervous claustrophobic ironies in *The Secret Agent* Despite the extraordinary thematic and tonal range of his work critics have imposed a stable political perspective on his fiction most often an organic conservatism influenced by his Polish background This is understandable until recently a critic's role has been to impose order on an artist's creations The approach in this book is different Drawing on the work of Michel Foucault and Jean Francois Lyotard especially on the latter's critique of what he called the grand narrative *A Political Genealogy of Joseph Conrad* shows how Conrad's politics were always radically contingent on audience contemporary events and especially genre While the political perspective in each of his stories and novels may be more or less coherent and consistent there is no consistency throughout his work *A Political Genealogy of Joseph Conrad* is the first book devoted exclusively to Conrad's politics since the 1960s *The Windsor Magazine*, 1913 *Conrad's Malaysian Fiction* Florence Clemens, 2022-10-04 The relationship between Conrad's Malay fiction and colonialism is a prominent subject of commentary now and has been for some time Most scholars would point to Chinua Achebe's important article *An Image of Africa* as the initiation into the interest in Conrad and colonialism but in fact decades previously Florence Clemens had begun this conversation in her ground breaking commentary on Conrad's Malay fiction At the time Florence Clemens was writing almost nothing had been written on the Conrad's colonial world and for many years her work thus was relatively unknown and relatively difficult to obtain However Clemens work is significant and its appearance in Brill's Conrad Studies series now makes this important study readily available to scholars
