The Legacy of the Great War Jay Winter, 2009-10-26 In late 2007 and early 2008 world renowned historians gathered in Kansas City for a series of public forums on World War I Each of the five events focused on a particular topic and featured spirited dialogue between its prominent participants In spontaneous exchanges the eminent scholars probed each other s arguments learned from each other and provided insights not just into history but also into the way scholars think about their subject alongside and at times in conflict with their colleagues Representing a fourth generation of writers on the Great War and a transnational rather than an international approach prominent historians Niall Ferguson and Paul Kennedy Holger Afflerbach and Gary Sheffield John Horne and Len Smith John Milton Cooper and Margaret MacMillan and Jay Winter and Robert Wohl brought to the proceedings an exciting clash of ideas The forums addressed topics about the Great War that have long fascinated both scholars and the educated public the origins of the war and the question of who was responsible for the escalation of the July Crisis the nature of generalship and military command seen here from the perspectives of a German and a British scholar the

private soldiers experiences of combat revealing their strategies of survival and negotiation the peace making process and the overwhelming pressures under which statesmen worked and the long term cultural consequences of the war showing that the Great War was great not merely because of its magnitude but also because of its revolutionary effects These topics continue to reverberate and in addition to shedding new light on the subjects these forums constitute a glimpse at how historical writing happens American society did not suffer the consequences of the Great War that virtually all European countries knew a lack of perspective that the National World War I Museum seeks to correct This book celebrates that effort helping readers feel the excitement and the moral seriousness of historical scholarship in this field and drawing more Americans into considering how their own history is part of this story *Valuation in Criticism and Other Essays* F. R. Leavis, 1986-07-17 This volume gathers together some of F R Leavis s earliest work with the things he was working on before his death as well as a representative sample of pieces reflecting the concerns he developed throughout his writing life This material from the whole span of a long writing career shows both the continuity of his pre occupations and important respects in which his judgements changed In an introductory essay Professor Singh discusses each piece and relates it to the development of Leavis s ideas The reader can trace his concern for standards of critical valuation as it evolved through studies of T S Eliot D H Lawrence William Empson George Eliot Henry James W B Yeats I A Richards and others Leavis s well known reflections on Marxism are also included [The 10 Best of Everything](#) Nathaniel Lande, Andrew Lande, 2012 The ultimate travel guide offers an updated series of top ten lists covering top sporting events locations hotels restaurants and Sunday afternoon excursions and more than thirty extraordinary trips and expeditions on every continent [The Cambridge tradition](#) Frank Raymond Leavis, 1968 **Britain and Italy in the Era of the Great War** Stefano Marcuzzi, 2020-12-10 This is an important reassessment of British and Italian grand strategies during the First World War Stefano Marcuzzi sheds new light on a hitherto overlooked but central aspect of Britain and Italy s war experiences the uneasy and only partial overlap between Britain s strategy for imperial defence and Italy s ambition for imperial expansion Taking Anglo Italian bilateral relations as a special lens through which to understand the workings of the Entente in World War I he reveals how the ups and downs of that relationship influenced and shaped Allied grand strategy Marcuzzi considers three main issues war aims war strategy and peace making and examines how under the pressure of divergent interests and wartime events the Anglo Italian traditional friendship turned increasingly into competition by the end of the war casting a shadow on Anglo Italian relations both at the Peace Conference and in the interwar period *Sandra Gustafson's Great Eats Paris* Sandra Gustafson, 2007-05-03 For more than 20 years savvy travelers have trusted Sandra Gustafson for insider tips and great value abroad Completely revised updated and in a new portable size this beloved guide offer in the know advice on the best deals and most unique places to eat and stay in the City of Light For this edition Sandra revisited each of the recommended restaurants and scoured the city for great new discoveries With its lively detailed and personal reviews Great Eats Paris is
