Losing Everything Stories:

Losing Everything David Lozell Martin, 2008-12-30 In *Losing Everything* his first book of nonfiction acclaimed novelist David Lozell Martin tells his wildest most outlandish story yet his own One evening in the mountainous forest of his isolated West Virginia farmhouse Martin became disoriented when searching for a horse who had wandered off the property Wading through the dark and guiding his horse with a belt around its neck Martin felt as though every step was taking him deeper into the mountains Instead he unknowingly spent the night walking in a wide circle that brought him back to where he started This quickly became a metaphor for Martin s life The more lost I get the closer to home I come After growing up with a violent father who nearly killed Martin s clinically insane mother Martin pursued a writer s life with a vengeance becoming vulnerable to struggles with alcohol financial ruin and legal feuds Then after a betrayal by his soul mate Martin s sanity was in as much jeopardy as his mother s had ever been a state of mind that in his case led to gunfire divorce and at least one trip to the emergency room But *Losing Everything* is less about getting lost and more about finding your way home again In his pursuit of stability Martin uncovered lessons that might help others who have encountered loss take pleasure in something as small as an ampersand keep a list of people you know who have died meet your own death like a warrior and be glad you don t own a monkey Deeply personal yet surprisingly universal Martin s story is for anyone who has wandered astray If not a road map his journey is a guide providing hard earned wisdom to illuminate the path home [Life Is About Losing Everything](#)

Barbara O’Neal, Prince Jason, 2025-10-12 What if losing everything wasn t the end but the beginning We fear failure heartbreak and loss as life s worst tragedies But hidden inside those moments of collapse is a kind of freedom most people never find the power to rebuild without illusion *The Art of Losing Everything* is a raw honest exploration of what happens when life falls apart and how it can awaken the version of you that comfort kept asleep Through deep insight real stories and hard earned wisdom this book reveals Why hitting rock bottom shatters your ego but frees your soul How loss strips away illusion and forces you to confront truth The hidden strength that only shows up when you have nothing left to protect How to rebuild your identity purpose and peace from ground zero Why freedom often comes disguised as failure This isn t a story

A Lot of Life - Is Winning It All Worth Losing Everything? Kyle Mathis, 2014-10-22. Caleb was an average guy with average guy problems. He never seemed to have enough money, he hated his job, and he hated his life with his girlfriend. He felt trapped and he didn't know what to do. Everyone needs a little help once in a while. Coming home late from work on a Saturday night to his inebriated girlfriend was the last thing in his life he needed. After yet another blowout fight, he escapes to the home of his two best friends. Spending his last \$41 on cheap beer, cigarettes, and a lottery ticket seemed like a great reason to drink himself into a coma. Upon his return the following morning to his apartment with a hangover riding shotgun, he discovers that his girlfriend has packed up and left him. His best girl friend, Delaney, decides to take him out for brunch to cheer him up. During so, he discovers a new fortune that awaits him. He won the lottery. So an average guy is now thrown into a not-so-average lifestyle. While learning to balance his new fortune and old life, new challenges are dropped at his feet. He rarely makes the best decisions and ends up alienating his best friends, his closest girl friend, and his family. Throughout his short spiritual journey, he tries to understand himself, women, and the meaning of life. *A Lot of Life* is a fun read with elements of dark humor. It explores some of the what-ifs some of us have fantasized about if we ever won the lottery. It tackles issues of self-esteem, spirituality, carnal hunger, and excessive gluttony in life. I'm not sure how many of us would do the right thing when presented with some hedonistic options. Caleb is just another guy in his strange new world.
