Lost In Sierra:

Sierra's Summer Pasquale De Marco,2025-05-09 This book celebrates the journey of a young woman with a disability who is determined to live her life to the fullest Sierra is a high school student who is entering her senior year She is a talented artist and an active member of her community She is also a wheelchair user Sierra s story is an important one because it shows us that anything is possible if we have the determination and the will to succeed She has never let her disability hold her back and she is an inspiration to all of us In this book Sierra shares her experiences and insights on a variety of topics including The challenges of being a teenager with a disability The importance of education and self advocacy The power of friendship and family The importance of setting goals and dreams The challenges and rewards of living an independent life Sierra s story is a powerful reminder that we should never give up on our dreams no matter what challenges we face She is a role model for all of us and her story will inspire you to achieve your full potential This book is a must read for anyone who is interested in the disability experience It is also a valuable resource for parents educators and anyone who works with people with disabilities If you like this book write a review on google books

Against the Grain Bradley B. Walters,2008 To rise to the increasingly urgent challenge of understanding the relationship between human beings and the environment scholars need to step back and re evaluate their basic premises about how current explanations should shape the form and content of their research Against the Grain addresses a variety of topics in the field of human ecology including ecological anthropology evolutionary psychology environmental history and geography and challenges scholars to re think the adequacy of their methods and assumptions Andrew P Vayda concludes the volume with a critical commentary on these issues and more widely on the subject of explanation The result is an extremely useful and provocative prZcis for thinking about re evaluating and rectifying scholarly research

Hot, Hard and Impossible Cowboys Megan Crane, Amy Andrews, Paula Altenburg, Sarah Mayberry, Jeannie Watt, Leah Vale, 2024-07-29 Do you like your cowboys hot hard and ready to ride There s a code these cowboys live by and they re tough uncompromising taciturn and guarded They re also impossibly loyal honorable passionate and their love once bestowed is everlasting We wouldn t have them any other way

Most Dangerous Cowboy by Megan Crane There s only one thing more dangerous than riding bulls and that s love And cowboy Cody s too busy pursuing whiskey winning women and glory to even consider it Until pretty little Skylar Grey decides to impersonate a buckie bunny and lights a fire in his heart What is love All Cody knows is that he s going down hard

A Doctor For The Cowboy by Amy Andrews Cocky Aussie bull rider Troy has been busted down to the pro circuit He needs wins to get him back into the big league but an injury forces him off the circuit and into the arms of gorgeous doctor Joss She patches him up tells him it s time to stop riding and somehow he winds up playing father figure to her wayward teenage son Will passion purpose and love tempt this playboy cowboy to finally settle down

The Cowboy s Redemption by Paula Altenberg She s done with cowboys for good Barrel racer Dana s last romance with a rodeo cowboy ended in tragedy and was definitely not the fairy tale love story rodeo fans chose to see Dana needs a fresh start a new horse a few wins and emphatically no steamy encounters with her late fianc s best friend

The Rebel and The Cowboy by Sarah Mayberry He s got a lean hard body and the heart of a poet Sparks fly when born and bred cowboy Casey meets urban artist Eva but he ll never turn away from his responsibilities to his family and the ranch There ll be no chasing music making dreams for him even if Eva takes his heart with her when she leaves

Her Cowboy Baby Daddy by Jeannie Watt When cowboy Spence returns home to the Keller ranch to negotiate water rights with the neighboring rancher gorgeous Hayley s counteroffer leaves him speechless Spence is definitely up for a no strings affair with Hayley but father a child and walk away

Never The Cowboy Doctor by Leah Vale She lives for the thrill He s tasked with keeping her safe Can rodeo doctor Drew keep daredevil bucking bronc rider Peyton safe Or is it a case of opposites attract for the cowgirl and the rodeo doctor and someone s bound to get hurt

The Green Agenda in American Politics Robert J. Duffy, 2003 Organizations such as the Sierra Club and Friends of the Earth are familiar to anyone with an interest in environmental protection As activist groups they played by the same rules for years But in 1994 the rules changed With the Republican takeover of Congress environmental groups faced sweeping changes in federal policies that threatened the enforcement of environmental laws As these organizations intensified their efforts to meet these challenges they also altered their electoral strategies and political spending patterns This book traces those actions and

shows what they mean for the future of environmentalism in the political arena While environmental advocacy groups have become bigger and better funded in recent years so have the corporate interests that compete with them for the attention of public and politicians The Green Agenda in American Politics offers a new look at environmental advocacy that focuses on contemporary lobbying electioneering and agenda setting in this new context Drawing on interviews with activists from a wide range of organizations Robert Duffy describes what environmental groups actually do when lobbying officials or the public He examines activity at both national and state levels to emphasize their growing use of websites email and action alert networks to conduct more sophisticated grassroots campaigns and he shows how they are devoting more funds to unregulated forms of spending such as independent expenditure issue advocacy advertising and public education campaigns Duffy also tracks emerging trends in interest group politics and provides an overview of activism through the early 1990s He then documents the emergence of more aggressive action after 1994 such as providing campaign services to candidates and mounting voter registration drives He also shows how state and local groups have begun to play more important roles in the wake of the rollback of federal environmental regulations Brimming with new insights into interest group lobbies in general and contemporary environmental groups in particular Duffy s book opens a new window on the influence of Big Money in the supposedly democratic electoral process
